

DON'T!

By Elijah Muhammad
Messenger of Allah

DON'T HATE yourself because you are black. God, in the Person of Master Fard Muhammad — to Whom praise is due forever—now has made it universally clear that black is original. Black is the color of the originator, the God of righteousness, justice and equality.

Black is a color that will always remain the same, regardless of climatic condi-

THE UGLINESS of the disfigurement of the black man by the white slavemaster (the white race in general) is not to be taken for the standard features of the black nation. This is one reason why our people do not like black.

They look upon the spoiled and robbed black people (victims of the white race) as the example of the black nation. No, you are wrong. This is not the example that you should follow, nor should you look forward to the white race, our enemies, to

THE HOLY Qur-an teaches us that Allah, in the Person of the great Mahdi, Master Fard Muhammad, will cause us to develop into a new growth. That growth will be beautiful. Both the Bible and the Holy Qur-an verify this same truth, that God will make us into another likeness.

The Bible prophesies that we will be like Him in the Epistles of Paul. It will be as it was with Yakub, the father of the Caucasian race. They are a new people on our planet, grafted from the original black people.

THEREFORE, by taking us out of the white slavemaster, who has literally swallowed us up into his ways, actions and likeness, we will be made back into what we originally were before there ever was any of their kind on the earth. We will be made into a new people.

The Bible and Holy Qur-an teach that the lost-found people will return as a new people. They will not be unconscious of their former

condition. They will be a new people, but they will be conscious of what they once were under the slavemaster.

GOD (ALLAH) taught me that we will be taught our own language, and that we will not be able to speak English after we are away from it 20 years. We will not be allowed, by the Arabic teachers, to speak English.

The present thought of not loving self, and the color of black, is one of the most ignorant things that a human being can do to himself and his kind. For a man to hate that he is a member of his nation and wish to be a member of a foreign and strange nation, that he, by nature, does not belong to, he does not recognize himself as being himself.

THE AMERICAN so-called Negro was reared by his enemy and not by his own people. It seems strange yet how he came to love an open enemy. It is contrary to the law of nature for anyone to love his enemy. The lover of the enemy of God will

This is why the Bible teaches you that the devil

will deceive you and make you become sharers in his doom. The devil has knowledge of himself and the knowledge of you. He knows that he is doomed for destruction and deserves it.

BUT YOU, the black people, are not. You belong to God and all the sins committed under the slavemaster, following his guidance—without the knowledge of who you are—are forgiven upon accepting Allah, in the Person of Master Fard Muhammad, to Whom praise is due forever.

You do not have to pray to be forgiven for your past sins. Just accept the truth to return to your own God, religion and people—and the past will be forgiven and forgotten.

YOU WILL find in the Bible and in the Holy Qur-an that we cannot be charged with the sins we committed under our slavemasters, who

There are a few of our people who like to argue in the favor of the enemy and against himself and his kind. These people, we call blind, deaf, dumb and fools. Don't hate yourself. Be yourself.
