

SEPARATION

WE MUST make jobs for ourselves. Newspapers and magazines are writing and telling of our people heading the unemployment lines, being fired off their jobs and without the means of finding new gainful employment. No new jobs are being offered our people. Our people here in America number twenty million with more than seven million eligible for gainful employment. Our number in America is the equal or exceeding many independent nations which sit in chambers of counsel. As a nation of people contained and suppressed in America, we must begin to think for ourselves and do the thing which is best for us. Many television news programs show our people in the relief lines and at the employment offices sitting and begging the slavemaster for his bread and jobs. We should be seeking something of our own. Our people will always be a nation of beggars until we get something of our own!

I stated at our mass public meeting last Sunday, at the International Amphitheatre, that the present administration of the government promised the so-called Negro employment. You do not have it. The so-called Negro put his faith in the promise of the present administration by pooling his votes for it. I stated at the meeting that if they had said they would give us a few states, Elijah would have voted for them. The best thing to do to solve the problem of the so-called Negro is to separate him from the white race.

land of our own. Permanent employment lies in our having ownership of land. We can have lasting jobs on our own land, but not

on the land of others. The jobs of the white man are the ones that he has created and built for his own people.

I am very happy and thankful to Allah (God) for more than 8,000 people who came to our public meeting last Sunday. I am especially thankful for my faithful following who travelled from all parts of North America for our Annual Savior's Day meeting for the commemoration of the birth of our Savior who came in person of Master Fard Muhammad.

The work of Allah among the so-called Negro is to separate him from his slavemaster, and give him something of his own. Also at the meeting in the International Amphitheatre, I called again for the separation of the so-called Negro instead of integrating him among the white race. We should be given two or three states so we may have a land of our own. We should be given the proper instruments or tools to sustain and build up our own civilization. We should be given support to last our nation twenty years. After that time if we are not able to go for our self, the slavemaster should take his armies and kill us.

Many of the national television companies reported on their TV stations my call for the so-called Negro to be separated into a land of his own. One commentator said many so-called Negro leaders do not agree with me. Naturally, the so-called Negro leaders are afraid to ask for anything. The whiteman speaking for the Negro leader is another indication of their power and control over the ones who are supposed to be guiding and benefiting our people. We cannot depend on the white race for our future, with only a job in view.

SEPARATION OR DEATH

By ELIJAH MUHAMMAD

What is it today that is pushing and forcing America to pass a law permitting the integration, instead of the separation of black and white? Does America see her doom? They understand the time of day while you do not. They know that it is the time of the judgment of Allah: to destroy the power of Satan's rule. The truth of their 6,000 year history has been revealed for the first time. This true knowledge of them is causing trembling and fear. They are today, more than in former days, reminded of the destruction of Noah's people and of the burning fall of Sodom and Gomorrah and of ancient Babylon. The great destructive force of Allah's force against His enemies is known to the American scientists. My people have not the knowledge of self, kind, God, nor the Devil. They are the ones that the truth must come to. The knowledge of God and the Devil points out to us the way of escape. The devils could not tell you that they are the made enemies of the black man, the opposers of peace and righteousness, the lovers of evil and haters of good. The secret of this people of actually being the devils was not to be revealed until they had lived their time of 6,000 years, which was up in 1914. Allah revealed them on His coming. He appeared under the name of Wallace Fard Muhammad in 1930. His work included the redemption of the so-called Negroes who are the Lost and Found members of the Black People.

We are the actual children of God and the members of the Family of God. We are the true owners of the earth which the Devil was given the power to rule for the past 6,000 years. It is with praise and gratefulness that we should wait on the judgment of Allah. Once again, we will acquire the freedom to live and worship our Creator without the fear of the interference and disturbance of the devils. We should be thankful that the end of the wicked ruling power of this world is at hand.

MR. MUHAMMAD
Messenger of Allah

We must also realize that we, too, are taking part in the judgment, and we will be judged upon our acceptance of the Truth. We are today given a choice: all those, whose out of their own desire, choose to remain with your and God's open enemy (white man), then let it be written, let it be done. Those who separate from the devils (the Caucasian race) in this day will be among the chosen of God and will inherit the New World, the Kingdom of everlasting life, as we read in the Bible. As we further read in the Holy Qur-an, they will enter gardens beneath which rivers flow and where the greetings therein shall be: Peace! So it comes to you as a warning of the time in which we now live, separation or death! It will mean death to both black and white to integrate; it will mean death to white America to refuse to give up the Negroes.

The white man, I must repeat, is talking integration today instead of separation because he sees "Lazarus" (the Bible's symbolic character of the Negro) running to Abraham's bosom. He knows that he cannot get to a safe place to lay his head. They desire to carry as many of my people into hell fire with them as possible.

Allah Offers You a Future By Elijah Muhammad

You and I, the so-called American Negro, are helpless without Allah (God) and Islam, which is the religion of God, His prophets, and our people. We are at the mercy of the Christian World. What has the Christian World done for you and me? Why should we want to remain in it? Have not they continued to segregate you, line you up and burn you; don't they continue to beat your heads and your brains burst out over your ears and eyes? They have done these things to us. They did these things even as you called yourself a Christian. They have shown that they don't want you as a brother. They have shown they don't recognize you as their equal. Why don't you exercise that freedom which they offer you and go back to your own?

MR. MUHAMMAD
Messenger of Allah

If our share of this earth is not in this western hemisphere, than we must look for it in the east. However, 25,000,000 so-called Negroes who have been lost from their own people for 400 years must have a home on this earth that they can call their own. Allah the Great God of the universe, will give us the whole earth if we submit to Him and have patience to wait on Him. Regardless of the cost, we must have some earth of our own. Let not the false show and promises of this world deceive you so that you be the loser.

You make yourself a despised people in the eyes of the civilized world by hating yourself, and loving the enemy devil. The Original man, Allah has declared, is none other than the black man. He is the first and last, maker and owner of the Universe. The brown, yellow, red and white, all come from the black man. The black man used a special method of birth control law to produce the white race.

The true knowledge of black and white mankind should be enough to awaken the so-called Negroes, put them on their feet and on the road to self-independence. You, my people, are so afraid of the slavemaster that you even love them to the point of your own destruction. You wish the bearer of truth would not tell the truth even if he knows it. You hate a leader that tries to unite you to your own kind. Allah offers you a future, an eternal future. This world has no future. It was doomed when it was created. I speak and write what has been given to me from Allah (God) to whom praise is due. I am not here to excite you for wealth or praise. I don't want your wealth. I don't want your praise. I want for you the thing which will produce unity of self and our kind. I want you safe. The world knows that I want you safe. What I preach is for our own life and the life of our children.

It is Allah's will and purpose that we shall know ourselves. He came Himself to teach us the knowledge of self. How else may you account for the success of my followers and myself? Who is better knowing of who we are than God Himself? All praise is due to the Great Mahdi (Allah in Person), Who was to come and has come. He is

the Sole Master of the Worlds. I ask myself at times, "What can I do to repay Allah (the Great Mahdi, Fard Muhammad) for His coming, wisdom, knowledge and understanding?"

My followers and I, have and are still spending much time and money to awaken our people to the knowledge of self. We are suffering much persecution and ridicule to awaken our people to the knowledge of their own salvation. Our present suffering is nothing compared to the joy that awaits us as a people united for one common cause serving Allah, The God of Abraham, Moses, Jesus and our forefathers, Allah has declared that we must know ourselves and unite to our own kind or suffer the consequences. The new government, controlled by the Roman Catholics, will stop at nothing in their effort to win the black people of America to them, but the Negroes must know that this world's end is near.

What Is Un-American?

MR. ELIJAH MUHAMMAD
Messenger of Allah

(Continued from last week)

According to the dictionary's definition of un-American, it means: "one that is not American; not characteristic of or proper to America, foreign or opposed to the American character, usages, standards, etc."

As you know, any or all Negroes that seek freedom, justice and equality, is or are charged or accused of being un-American. They are accused with seeking to overthrow the government of America by force. (We, Muslims, prohibit the carrying of arms, but yet we are accused of planning to overthrow the government by force). No Negro leader has been successful in helping his people to freedom, justice and equality, that was not opposed by both his own people and the merciless, wicked white Americans. Also, by those poison intellectual so-called Negroes who love and worship the devil; and hate self and kind. Today, the Americans hope to unite all educated so-called Negroes, along with their already poisoned Negro Christian Preachers, against we the Muslim is that preach freedom, justice and equality for the Black Nation. They are united against my followers and I. Thanks be to Allah, you are a little late to win. Allah (God) knew the tricks that you would use to try deceiving the Black Man before you were created.

UN-AMERICAN: I wish to prove, according to the English language in this article, that every so-called Negro, Indian, and all non-white Europeans, are un-American according to the dictionary's definition of an American. An American, according to the dictionary, "is a citizen of the United States or of the earlier British Colonies; one not belonging to one of the aboriginal races. (We belong to the

freedom, justice and equality from coming to the poor black man and woman in the Western Hemisphere. She is pleased with the foolish and ignorant worship of the so-called Negroes. She doesn't ever want the Negroes to accept the true religion, which is Islam. WHY? Here (in Islam) the Negroes have a true God and true friends on his side, and that means help to the poor Negroes against his open enemies, the white race. So YOU CAN SEE, or you will see why they do not want a so-called Negro Muslim people in America. It means independence, friendship, Divine guidance and help against the devils. As it is written in the Holy Qur-an, "know that Allah is with the Muslims."

TRICK THE NEGROES TO STAY IN DEVIL'S NAMES: For the first time, the so-called Negroes are awakening to just why white Americans still like to call their much hated and despised, once Negro slaves, after their names; or make the Negroes think names do not mean anything that they should remain in them. The devils have knowledge of the time. They know you will not be accepted by God, nor your own nation if represented under their names, which are not names of God—and will not see the Hereafter. The intellectual so-called Negroes think it is a disgrace to them to not be called by the slavemaster's name; and if I wanted to be called "Muhammad," I should go to court and have my name changed legally. I laughed and said, I'm sorry, I have my legal name; there is no law to make me pay to be called by my legal name. I have been called by an illegal name. Now, I have gotten rid of that illegal slave name for a legal and Holy Name of God. Again, we must remember, the white race never intended anything like good for you. They are not seeking good for you today; death is really their aim for you. Why do they oppose our struggle for justice and freedom if they want to see all people free and lit? They are not referring to you; you are not people in their eyes, it is their people they are referring to. Why do they oppose separation of us into a state or territory of our own, since we cannot live in peace with them? When we read of the evils done to us and to our fathers by this race of devils, we cannot foresee anything in them but evil, hatred and murder for us and to our unborn children.

light, our work would be complete; they would then be on a level with the beasts of the field and we should be safe. I am certain that we would not do it, if we could find out the process and that on the plea of necessity." The above words, desires, and works against you, are still in the hearts of their evil, blood-thirsty children against you. Today, they go around in large cities like Chicago, at night, in cars, loaded with baseball bats, guns, iron pipes and knives to pounce upon and kill poor, harmless, so-called Negroes. We are living under the very shadow of death in such a place as America.

aboriginal nation of the earth, the white or European race is not aboriginal). 2. Native or inhabitant of the Western Hemisphere. The above explanation makes it clear that we are not members of the white Europeans, nor descendants of that race; We are the aboriginal un-Americans. The above explanation also makes it clear that we (so-called Negroes) are not, and cannot be American citizens, since we are not American by nature, nor by race. A true American is one other than the aboriginal race or races that inhabited the Western Hemisphere, or the whole Planet Earth, before the coming of the white man from Europe. We, the so-called Negroes; (members of the aboriginal Earth, and of the tribe of Shabazz) were kidnapped from our native land and people by the white Englishmen and Americans. We were brought here not to be made Americans, nor American citizens; but rather, to be slaves or servants for the true American citizens—whites—who originally came from Europe. We, descendants of the Asiatic Nation from the continent of Africa, after 100 years of so-called freedom, cannot claim by the law of justice, to be Americans or American citizens. We are un-American; and by nature, we are different. Know from this day on, that if you are a so-called Negro, red, black, or an Indian, or any member of the aboriginal Black Nation, you are an un-American. Even though you may have been born in the United States of America, you cannot be an American.

USED FOR CRIMINAL PURPOSES: What, or why are we called un-American? It is to classify us as criminals, or with crimes that we are not guilty of. They make the truth God has given to us untrue, they use it to conceal our true intentions. But at the same time, they claim freedom of speech, freedom of the press and religious freedom lawful under the Constitution. Again, it is abundantly clear to you that have eyes, that the Americans never intended freedom for their so-called Negroes. She stands in the way and opposes true

Read some of their books on what went on against our slave parents by the fathers of these modern murderers of ours. For instance, the book entitled, "Brown Americans," by Edwin R. Embree, printed 1946, page 54, tells the story of laws against education for the so-called Negroes. He quotes a devil, Henry Berry, as saying while speaking in the Virginia House of Delegates, in 1832, describing the situation as existed at that time in many parts of the south: "We have, as far as possible, closed every avenue by which light may enter the slaves' minds . . . (The avenue of the light of Allah you are unable to shut out from coming to us.) . . . If we could extinguish the capacity to see the

Unity under the guidance and protection of Allah will bring an end to this horrible situation. What do you see as a future in them for you and your children?—Nothing but hell. Remember, if you are black, or a member of the Black Nation, you are un-American. If you want equal justice and a decent way of life to live, or have love for the black people, you are un-American. The American is the only one that can sing, "The Land of the Free"—it is for the white Americans.

Black Muslim Leader Addresses 5,000 Here

Muhammad Predicts Complete Separation of U.S. Negroes, Whites by End of Decade

Elijah Muhammad told 5,000 local members of his Black Muslim sect Sunday that Negroes in the United States will separate themselves completely from the whites, their "enemies," by the end of this decade.

It was the black supremacy leader's first appearance in Los Angeles in four years. He makes his headquarters in Chicago.

"There will be a resurrection of the dead" of our people by 1970," Muhammad said from an Olympic Auditorium speakers' platform he shared with heavyweight boxing champion Cassius Clay and other sect leaders.

Clay Tells Conversion

Muhammad, surrounded by a guard of 50 men that was changed three times during his talk, reiterated his position that the white race is evil and that there can be no justice for Negroes in the United States.

Muhammad said that time is running out for the American Negro to make his decision to turn his back on the white.

"You must quickly make a choice between God and Satan," he said.

Clay, a sect member who calls himself Muhammad

Ali, said it was Elijah Muhammad who made him boxing champion.

"He taught me how to talk," Clay said, "and it was my talking that won the championship for me." The boxer said that in 1960 he smoked, drank and had "a hundred girl friends."

Newsman Searched

"I said then," Clay continued, "if I get to be champion, I'm going to get me one of those white ladies."

The fighter said that after listening to the voice of Elijah Muhammad, though, he realized the white race was inferior to the Negro and gave up vices taught by the whites.

Newsman were the only whites allowed into the auditorium. They were thoroughly searched for weapons, and were not allowed to enter unless they turned in matches and penknives. Non-Muslim Negroes also were searched before they were admitted.

Although Mexican-Americans were given a special invitation to attend the meeting, none could be seen in the audience.

WE MUST BE OURSELVES

By ELIJAH MUHAMMAD

We are faced with the choice of accepting self or other than self. The absence of love for self, makes us to love other than self; hatred of self keeps us fighting and opposing self. We must do something for self and stop working against each other for the joy of our enemies. We must prepare for tomorrow. We cannot depend on the white race to continue to farm and grow food, cotton and wool to clothe us. We have to get rid of thinking like a child. We have to learn to think and do like men of all other nations and look after our own needs. We must unite and work together in order to make it easy for all. We must go to school and try to get a college and university education. We must learn engineering of all kinds, teachership, chemistry, medicine, astronomy and other sciences such as professions, trades, navigation, etc.

Learn to do for self and nation, what other civilized nations are doing for themselves. To long we have been lazy. Think in the way of being self-independent. Unite and build a better black nation, worthy of its name "the first." Speak good for self and kind; never join in making fun of your people with non-members of your people. Never seek to take advantage of your own black brother or sister. Be true to self and other than your own kind. defend each other against danger to lives and property of your own. Be clean internal as well as external. Stop using tobacco in any form. Stop eating the filthy swine (PIG). Stop being loud in the public and in secret. Stop using filthy language in public and in secret. Stop using drugs and whiskey. Stop trying to mix with other than your own kind. Stop going to church and go

KNOW THYSELF

By Elijah Muhammad

There is now an effort to celebrate a so-called "Negro History Week" beginning February 12 and some of my people will participate. The planning of that week, to teach the slave a knowledge of his past is not complete, sufficient nor comprehensive enough to enable my people to learn the true knowledge of themselves. It is important that my people learn the true knowledge of self as it means their salvation.

We are not Negroes because God, whose proper name is Allah, has taught me who we are. We are not "Colored" people because God has taught me who we are and He has taught me who the "Colored" people are. The poor so-called American Negro is without a knowledge of self. You are a so-called Negro because you are not a Negro. (Allah (God)

MR. MUHAMMAD
Messenger of Allah

has given to me our proper names, the people from which we were taken and brought here to the shores of North America and the history of our forefathers. Allah has taught me and today I do not fear to tell you, that you can discard that name "Negro." We are not "Negroes! We are not Colored!" Those are some of the main things which we should remember.

We must become aware of the knowledge of self and the time in which we are living. You must know these things whether you agree that Elijah Muhammad is on time or out of time. If what I say is out of season, it goes for nothing. If I am on time or in season, then all I say will bear fruit.

There is much misunderstanding among us because of our inferior knowledge of self. We have been to schools where they do not teach us the knowledge of self. We have been to the schools of our slavemasters children. We have been to their schools and gone as far as they allowed us to go. That was not far enough for us to learn a knowledge of self. The lack of knowledge of self is one of our main handicaps. It blocks us throughout the world. If you were the world, and you are a part of the world, you would also turn a man down if he didn't know who he actually was. If we, the so-called Negroes, don't know our own selves, how can we be accepted by a people who have a knowledge of self?

If we are representing ourselves as Negroes and "Colored" people, how did we get these names? Where do we find the age or the record of Negroes and "Colored" people in the ancient history of black man? Your search of the ancient history of the black man of the Earth will prove that not once in time were Negroes or "Colored" people living in Asia or Africa. How did we come by those names? The names are from the slave-

masters. They have called us by their names and the nicknames used among themselves. It even seems that we like being called by the slavemasters names. After nearly a hundred years of freedom, we are still representing ourselves by the names our slavemaster called us! We must learn that the slavemasters names are not accepted by God nor by the righteous people of God.

It is time for us to learn who we really are, and it is time for us to understand ourselves. That true knowledge is here for you today whether you accept it or reject it. God has said that we are members of the original people or black nation of the Earth. Original means first. Historian J. A. Rogers points out in his books that beyond the cotton fields of the south and long before the white man himself was a part of our planet, we were the original people ruling the Earth and according to the Holy Quran, we had governments superior than any we are experiencing today. Trace over the Earth. Check back five, ten or twenty thousand years ago. Look at history. Who were those people? They were our people! Today, we are confronted with proof of who the original people are and who shall live on this Earth and call it their own.

GET KNOWLEDGE TO BENEFIT SELF

I am for the acquiring of knowledge or the accumulating of knowledge, as we now call it in education. First, my people must be taught the knowledge of self. Then and only then will they be able to understand others and that which surrounds them. Any one who does not have a knowledge of self is considered a victim of amnesia or either unconsciousness and they are not very competent. The lack of knowledge of self is a prevailing condition among my people here in America. Gaining the knowledge of self makes us unite and put us into a great unity. Knowledge of self makes you take on the great virtue of learning.

Many people have attempted to belittle or degrade my followers by referring to them as unlettered or unschooled. They do this to imply that the believers in Islam are ignorant. If such a claim were so, then all the more credit should be given for our striving for self-elevation with so little. But truth represents itself and stands by itself. No followers, or any people are more zealous about the acquiring of knowledge than my followers. Throughout the Holy Qur-an, the duty of a Muslim to acquire knowledge is spelled out.

My people should get an education which will benefit their own people and not an education adding to the "store house" of their teacher. We need education, but get an education which removes us from the shackles of slavery and servitude. Get an education, but not an education at the sacrifice of not learning the knowledge of self. Get an education, but not an education which leaves us in an inferior position and without a future. Get an education but not an education that leaves us looking to the slavemaster for a job.

Education for my people should be where our children are off to themselves for the first fifteen or sixteen years in classes separated by the sex. Then they could and should seek higher education without losing respect for self or seeking to lose their identity. No people strives to lose themselves among other people except the so-called American Negro. This they do because of their lack of knowledge of self.

MR. MUHAMMAD
Messenger of Allah

from helping their people to be independent by contributing the benefit of their knowledge.

Get an education, but one which will instill the idea and desire to get something of your own, a country of your own and jobs of your own.

I recall in 1922 or 23, when a debate was taking place in Congress concerning appropriation of funds for Howard University, a school set aside to train my people in the Nation's Capital, a senator said, it is in the records to be examined in effect, what would be the need of the government appropriating money to educate Negroes? He said they would not teach our people the science of modern warfare (defense), birth control or chemistry. He knew those were things free people must know in order to protect, preserve and advance themselves. We have not been able to protect, preserve and advance ourselves. This shows the slavemaster has been successful in dominating us with an education beneficial to him. There is a saying among us: "Mother may have, father may have, but God blesses the child who has its own." It is time we have our own!

I want an education for my people that will let them exercise the right of freedom. We are 100 years up from slavery. We are constantly told that we are free. Why can't we take advantage of that freedom? I want an education

We should acquire an education where our people will become better students than their teachers. Get an education which will make our people put to better use the knowledge they acquire, that will make our people produce jobs for self and will make our people willing and able to go do for self. Is this not the goal and aim of the many foreign students who are studying in this country? Don't these students return to their own nations and give their people the benefit of their learning? Did not Dr. Nkrumah return to Ghana to lead his people to independence with the benefit of learning he acquired here in America and elsewhere? Did not Dr. Hastings Banda return to give the benefit of his education to his people, who are striving towards freedom and independence, in Nyasaland? Did not Dr. Azikwe Abubkar of Nigeria give the benefit of his education to the upliftment and independence of his people? Does not America offer exchange scholarships to smaller, weaker and dependent foreign governments so their students will acquire knowledge to aid the people of those countries? Then why shouldn't the goal in education be the same for you and me? Why is scorn and abuse directed towards my followers and myself when we say our people should get an education which will aid, benefit and uplift our people? Any other people would consider in a lasting insult, of the worst type, to ask them to refrain

education for my people that will elevate them. Why should we always be lying at the gate begging for bread, shelter, clothing and jobs if we are free and educated? Do not get an education just to set some useless symbolic monument to the black man in the Western Hemisphere. We need an education that eliminates division among us. Acquire an education that creates unity and makes us desire to be with our own.

The acquiring of knowledge for our children an ourselves must not be limited to the "three R's" (reading, 'riting and 'rithmetic). It should instead, include the history of the black nation, the knowledge of civilization of man and the universe and all the sciences. It will make us a greater people of tomorrow.

We must instill within our people the desire to learn and then use that learning for self. We must be obsessed with getting the type of education we may use towards the elevation and benefit of our people — when we have such people among us, we must make it possible for them too acquire this wealth which will be beneficial and useful to us.

One of the attributes of Allah, The All Wise God, Who is The Supreme Being, is knowledge. Knowledge is the result of learning and is a force or energy that makes its bearer or a people accomplish or overcome obstacles, barriers and resistance. In fact, God means possessor of power and force. The education my people need is that knowledge, the attribute of God, which creates power to accomplish and make progress in the good things or the righteous things. We have tried other means and ways and we have failed. Why not try Islam? It is our only salvation. It is the religion of Allah, His prophets and our forefathers. Islam will let you take that step for self.

The Coming of the Son of Man

By Elijah Muhammad

"And then shall appear the sign of the Son of man in heaven; and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory." Matt. 24:30. Here in the plainest words is the Son of man on the Judgement Day. We are not told by either Moses or Jesus to look for God on the Judgement Day to be anything other than man. Spirits and spooks cannot be the judge of man's affairs. Man is material of the earth. How long will you be ignorant of the reality of God? You are poisoned by the devil's touch. Why are you looking for a God that is not in flesh and blood as you are? Spirits can only be found in another being like yourself. What pleasure would you have in an invisible world? And on the other hand, what pleasure would spirits have in this material universe of ours? Your

very nature is against your being anything other than a human being.

These are the days of the resurrection of the mentally dead so-called Negroes. The Son of man is here. His coming has been fulfilled. He seeks that which was lost (the so-called Negroes). Many are now receiving His name, and that name alone will save you. The wicked nations of the earth are sorry and angry to see the Son of man set up a government of justice and peace over this, their wicked and unjust world. They see His signs of great power to execute Judgment on the world of the wicked, in the heavens (sky), and they mourn.

We must have a new ruler, and a new government, where the people can enjoy freedom, justice, and equality. Let the so-called Negroes rejoice, for Allah has prepared for them, what the eye has not seen, the ear has not heard, and that which the heart has not been able to conceive. The enemy knows this to be true, and is now doing everything to prevent the so-called Negroes from seeing the hereafter.

The first shall be the last! If we are the first people, and that is an undeniable fact, we shall be the last! We cannot find a people who were before the black man. Beyond a shadow of doubt, the black man was the first man in the sun. If we preach a doctrine today that the black man will be the last and that he will come into power today, why should you be surprised? Should you be surprised to learn that the so-called American Negro is a member of that nation which was here trillions of years before the white race? Should you be surprised that we preach the black man will be here after others are gone? The original tree is stronger than its branches. We have been robbed, spoiled and buried under the rubbish heap. Allah has told me that we are the original people — we are the father of all races. If truth is called teaching supremacy, then it will have to stand! An examination will prove to the contrary. You will find white supremacy is taught to us in the North, South, East and West of America. It is a shame! The white race's achievements, history, inventions, discover-

ies, ownership, progressiveness and Godliness are from us, the original nation.

Some scholars say that we have come to the crossroads. They say that we have met on the "field of decision". I don't condemn them. I say, the so-called Negro has arrived at the day in which we

must make our minds up to take our place along side our own kind. We are in a day that we have no time for sport and play. Nor are we in a day that we should sit down, sing love songs or play games of chance. We are in a serious time! A time when the old world is going out and a new world is coming in.

The solution to our problem is separation from the white world. Some of us think that we cannot solve our problems unless we have it dictated by our slavemaster's children. Those are the thoughts of you who have lost your heads. It is time that you know self, and know that Allah (God) is in our midst, manifesting the time. You will soon come to know that there is no God but Allah and I am His servant. Be yourself.—Allah has said that you are the best, the powerful.

No Justice for So-Called Negroes

By ELIJAH MUHAMMAD

We await the day of April 18th when Judge W. M. Harper sentences eight Muslims whom Monroe police beat and brutally assaulted for worshipping in the religion of Islam. The police placed false charges against the Muslims to cover up their own disregard of the laws. It is stated in the U. S. Constitution that a person may practice any religion of his choosing, has the right of free speech and peaceful assembly without sanction by government authorities. Police Chief James Kelly stated to several of the Muslims during investigation of the religion of Islam that he would not tolerate the religion of Islam in Monroe. The Muslims face one year compulsory jail sentences and \$500 fines each. Faced with the sentence, Islamic Teacher Troy X said, "There is no God but Allah and Muhammad is His Apostle."

The city officials of Monroe made an all out effort to break the Muslim's spirit, and means and ways for obtaining defense counsel. The Muslims were attacked in their Mosque, a religious place of worship in Islam, by the police armed with machine guns, tear gas and heavy caveman-like clubs. The unarmed Muslims were beaten, arrested and placed under false charges of assaulting police officers, on Sunday, March 5th. Included among arrested were children and the four months pregnant Muslim wife of the Islamic teacher. The Muslims were unable to get attorneys in Monroe to defend them in court as the

local authorities brought political pressure on the attorneys. Every bonding company in Louisiana refused bonds to release the Muslims who were held in jail ten days. Muhammad's Mosque Headquarters in Chicago secured the services of Attorney James R. Venerable of Atlanta, Georgia. The Headquarters Mosque placed \$1,500.00 cash as bail for the release of the Muslims. Attorney Venerable was arrested after the trial for auto theft even though he is numbered among the wealthiest white men of Georgia. Veteran observers said these false charges against the attorney were further intimidations to prevent the Muslims right to counsel. For four hundred years we have been deprived of equal justice.

Mr. Patrick M. Malin, Executive Director, American Civil Liberties Union, wrote Attorney General Robert F. Kennedy to intervene. Mr. Malin stated "If the facts as presented to us by the Muslim Group are correct, a violation of federal civil rights seems to have occurred."

Many legal experts doubted that the Justice Department would take serious note of the violations of the freedoms of religion provisions in the U.S. Constitution. Attorney General Kennedy had information on the Muslims before the trial and failed to guarantee their rights. All this is to prove that we have no justice under the American flag.

No Justice for So-Called Negroes

By ELIJAH MUHAMMAD

The condition and history of my people, the so-called Negro in America, is pitiful and a disgrace before civilized peoples of the earth. We have nothing of our own! We can only say we have what the slavemaster and his children have given us. It is a foolish idea to depend on the white man to care for us and our ever-increasing population. The leaders of the Nation of the black man in America must get this foolish idea out of their heads and quick!

I think the American white man has done a good job, in a manner of speaking, in caring for us for one hundred years, after he has said to our fathers that we are free. We have not exercised that freedom nor have we asked the rulers of the land to let us go for ourselves. We have not said to the slavemaster, "Take that which belongs to you and let us have that which you have taken from us." Instead, we have acted as a lazy man. My people have constantly asked the white man to give, give, give. Their cry has been of pleading and begging to the slavemaster has been said, "I want the love and friendship of you who have enslaved my fathers, not the love of my own kind."

This is the prevailing idea of the leadership of the so-called American Negro. Their craving is to be made like their slavemaster and his children. "Let me be like them. Let me be the brother or sister of white America." They ask this before they even love their own kind. We have been craving for the love of other than our own kind. It is an act of which we should be ashamed. It is an act of craving that is disgracing you and your children. It is an act that keeps you a slave and causes criticism by the civilized nations of the earth.

I desire that you think along the terms of Elijah Muhammad. The so-called Negro must be separated from his slavemaster and his children. He must be given the chance to build a nation for himself. He must be given the chance to go for self. The so-called Negro is four hundred years behind with a history in the Western Hemisphere written in hard labor, injustice and

MR. MUHAMMAD
Messenger of Allah

blood. We have always been ready to jump to our feet and defend the slavemaster against his enemies. For those lost lives and efforts, we have nothing today. My people have become a nation of beggars. We only beg the master for a job. We want sport and play on an equal basis with the rich white man of America. The country belongs to the white man who took it from the red Indian. All we have asked for is a job. Then we give the paycheck back to the white paymaster. We keep five dollars to sit in a show or a game of sport and play. The bible states we are a foolish people.

You must get out of such foolish acts! You must unite and help me! Regardless of your fear of the slavemaster and his children, you must unite with me. We have before us a job that must be done! We must care for and deliver our people. Our people are crying for freedom, moaning for justice and calling for equality. Not an equality to be free to integrate, intermarry or mix the blood, as this is already going on. It is a disgrace before the nations of the earth.

Almighty God, Allah, is in our midst today to bring the so-called American Negro out of the hands of the slavemaster just as He delivered Moses and his people out of the hands of Pharaoh from a four-hundred-year period of bondage.

Separation or Death

By ELIJAH MUHAMMAD

Separation of the two (so-called Negroes and whites) is the only solution to the ever-growing problem of "What must be done with the Negroes?" Both the so-called Negroes and their white slave-masters do not seem to want to let go of one another. While the separation of the two faces would be an act of wisdom and justice, on the other hand, to force integration which means socializing and intermarrying of the two races would be an act of wisdom up of the so-called Negroes' race by the slavemasters, or mongrelizing the two races, will destroy the respect of the society of both—nationally and internationally. Again, integration is against the wishes of the intelligent thinking group of both races—they want to preserve their race and the respect of their society.

The government is trying to enforce this wicked and contrary law to the Divine Law and plan of Allah (God), which will end in revolution and war and the total destruction of the wealth of America.

MR. ELIJAH MUHAMMAD
Messenger of Allah

Integration is not the wise and proper way of solving the "so-called Negro problem in America," but is an outright deceitful and wicked plan to destroy the Divine Plan of Allah or the future of the so-called Negroes. Both are sure to run into trouble with Allah's chastisement as it is plainly hinted and written in the Holy Qur-an. (I will gladly point it out to the disput-er.) The wise white scientists know it as well as I and hope to prevent it; but they are outnumbered by their wicked wise. Allah (God) created two kinds of everything, so it is with man. He did not create for them (so-called Negroes and whites) to mix. He (Allah) has set a day of reckoning for those who wilfully and knowingly break His natural law in which He created man. It is their purpose to try and make Allah a liar so as to deceive the blind, deaf and dumb so-called Negroes—just as the devil deceived Adam and Eve in the Garden of Paradise. While knowing fully well that they would lose their place with Allah and a peaceful home if they accepted his advice (Holy Quran 7:20, 21), so it will be with the so-called American Negroes who, after being offered heaven at once by Allah, accepted the wicked advice and office of a temporary enjoyment with racial intermarriage and having sexual intercourse with a people whom Allah is angry with. He will punish both parties as He did Israel and the people whom Jehovah (God) forbade Israel to have intercourse with. Israel was punished and finally lost the goal which Jehovah had set before her and the deceiving enemies of Israel were destroyed.

Mr. Muhammad Speaks

Separation Solves The Problem

ELIJAH MUHAMMAD

THERE IS NO DOUBT THAT we are living in the time of universal separation of black and white. Due to your ignorance of the time, and the Divine Plans of Allah (God), you probably would not like to hear or talk about it. The wise and alert people of yours have knowledge of it, but do not like to talk it because of the love they have for the present world. The poor ignorant ones have no knowledge of it, and care less as long as they are given the crumbs. It is not your will or power which is bringing it about, it is the Will and Power of Allah (God) as foretold by His Prophets from Moses to Muhammad.

How many of my people, the lost-found members of the Asiatic Nation (the so-called Negroes) know that this is the Bible's judgement of this world and that the Divine Truth of Allah (God) is that which separates the righteous from the wicked? You may ask, "Who are the wicked?" The wicked are the people who were created wicked by nature (the Caucasian Race) whose limited time was 6,000 years. They have many followers, of all races of earth—Black, Brown, Yellow and Red—but this does not mean that the Black Nations are wicked by nature. They are righteous, by nature, who are the real original people and owners of the earth.

The White or Caucasian (European) race is known to God and His Prophets as Satan, the Devil, the Enemy of God, and His people (the Original Nation). Power was given to them to rule, with evil and falsehood, the darker Nations for 6,000 years. This they have done, and are now 46 years overtime, and they know this. It will take a few years to complete the separation, but nevertheless, the work is going on now at a very good rate of speed.

Search the history of these people (Black and White). The two have never been able to live in peace together. The white race is, as the Bible says of them, under the symbol of a troubled sea (Isa. 57: 20), never at peace and is the hater of truth and righteousness. The so-called Negroes know them and their evil doings better than any people, but being without a teacher of their own kind for the past 400 years, they have become such lovers and great admirers of the devils and their evil doings that they do not want to be separated. That is why the problem is so hard to solve, though the work will be done regardless to whom or what.

We number over seventeen million here in America, and are without a home of our own, and a true friend, unless it is Allah. The wicked must be punished for their wickedness poured upon us without ever being hindered. This country is large enough to separate the two (Black and White). They can live here, but that would not be successful. The best solution is for everyone to go to his own people and country. We, the so-called Negroes, have both a great Nation to go to and a great country. Allah (God) has come for our return. The native home of the white race is Europe. It is up to you and me to obey the Word of Allah (God) or obey our own desire. This is for the sake of saving your own flesh and blood from the destruction of this evil murderous race who is ever seeking an excuse to take your innocent lives, and to cut you off from good. They are ever around and in your homes after your girls and women to make you a disgrace before God and your people. **YOU MUST JOIN ONTO YOUR OWN KIND.** You may hate me now but one day you will love me.

Think it over: Why should we believe in their religion? Why should we be called by our enemies' names who enslaved our parents and will not give us equal justice, since we are free to choose our own people's names? Why should we continue to make fools of ourselves and our children begging them to accept us as their people when we have a Great nation to turn to?

FREE SLAVE? - FREE MASTER?

By Elijah Muhammad

In unity, we can accomplish much. Think of the twenty million of your and my kind putting one dollar a year aside for ourselves in a national treasury towards the day of want. Suppose we laid aside one dollar every month against the day of want. Look at the millions that we could build up for ourselves within a few years. Suppose all of you who are wealthy would spend your wealth to build up a better and more sound economic system among your own people. It would do much to aid our people. Do not put your wealth in the taverns, gambling houses, on race horses and other sports. Then, you would not be so easy to push over when the day of want arrives.

There is no need for us, millions and millions throughout the country, spending our money to the joy and happiness of others. As a result, as soon as they throw us out of a job, we are back at their doors begging for bread and soup. How many clothing shops do we operate in the country? Yet, all of us wear clothes. Who made our clothes for us? Who sold them to us? We have thousands of grocery stores? But what about our naked bodies? Should not we have stores to sell our people everything they want or need? But no! We give all the money out of our pockets over to the slavemaster. We are satisfied in doing so. There are millions of us. We don't have a factory to weave clothes for our people here in America. Think over that. Where is our shoe factory? Where are our cattle that we are skinning the hides off to make shoes for our people? These are small things — but we want equality with a nation that is doing these things. We boast that we should be recognized as equals with the master until we own what the master owns. We cannot be equal with the master until we have the freedom the master enjoys. We cannot be equal with the master until we have the education the master has. Then, we can say, "master, recognize me as your equal".

MR. MUHAMMAD
Messenger of Allah

master. You demand that he recognize you as his equal. You are making yourself look small in the eyes of the world. If every so-called Negro were fired, what would you do? Would you unite and go to Washington and demand the government to give you a job? You would be foolish enough to do that! If they beat you by the thousands, what right have you to say that he should not lash you? You have made yourself his slave. You continue to preach a doctrine of remaining with the slavemaster.

You are still called by your slave masters' names. By rights, by international rights, you belong to the white man of America. He knows that. You have never gotten out of the shackles of slavery. You are still in them. You are still in authority over your wife as long as she goes in your name, regardless of her separating herself from you. If she has not gotten a legal divorce and freed herself from your name, you are still in authority over her by law. Likewise, you are still under authority of the chains of your slavemasters. You have not tried to free yourself from them. You have not exercised the freedom that they claim to

Today, you are begging the master, the slavemaster's children for what? You are begging them for a job. You are begging for complete recognition as their equal. Let us be honest with ourselves. According to history, we cannot find where the master made his slave equal until the slave made himself worthy of equality.

I am with you to go on top. We cannot go on with weight that is hanging on us. We cannot charge the white man with our faults. We are supposed to be, according to his own teachings, free. We are supposed to have been freed from him approximately one hundred years ago. Have we exercised that freedom? We must answer that we have not availed ourselves of that freedom. If we have not availed ourselves of that freedom which he says he gave us, why should we think hard of him about the way he treats us? This may be a little hard to swallow.

Our fathers, in the days they were set free by the slavemaster, had no knowledge of how to go for self. They had been made blind, deaf and dumb to the knowledge of their own. Today, you are educated. You claim that you have equal education. Then, why don't you take a walk? Before we can be justified in accusing the other man, let us examine ourselves first. I don't say that our fathers are the ones to blame for their ignorance and neither are you. They nor you are at fault. The root of the cause can be placed back into the laps of the slavemaster. When the slavemaster says we are free and continues to say that we are free, should we not take a free step? We charge the slavemaster's children with mistreating us. Suppose you tell a man that he is free. "Get out of our house and go into your own," but the freed slave says, "No, no. I'll work for you. I'll serve you as a servant if you will allow me to remain in your house." The man of the house tells you, "I won't give you a new suit this year. I'll not pay you today for any work. Go home and sit down." Why should you say that man is not treating you right? Why say to that man, "I have to have a job the same as you". Has not he offered the door to you?

If the slavemaster did not mean that you and I were free, we should have them to admit it. You remain as a free slave to your slave-

Today is "The Day of Decision". We have lived here more than four hundred years. That you know, according to prophecy, is the prediction of our stay among these people. That time has expired. The time is up. The decision is being made for your and my departure. It is most important to God Almighty, whose proper name is Allah, that I speak to you according to the time that we are living now.

Today, you are standing face to face with the alternative of accepting your own or forever be erased from the earth as a people. No one is trying to make you see this importance but your own. Why don't you see? You are blindly looking toward the slavemaster to tell you this. How can the master tell the slave, "Look, slave, your day has arrived. You should sit in this seat of authority." We cannot build a future on a job that was given to us by the slavemaster four hundred years ago. The day has arrived. He has no more work for us to do. He is not willing to tell us that. The time has arrived when deeply within his own heart, he desires that you go out and find a job for yourself. He will forever be burdened. The burden will get greater and greater, as long as he tries to carry you and I. It is time for a separation of the two, black and white. Allah, God, is calling for a SEPARATION!
