

Elijah Muhammad
Messenger of Allah

THE ABORIGINAL black man has been asleep for the past 6,000 years to the knowledge of the power and authority which he had before the power and rule of the white race. Today, he is awakening into the knowledge of his own — which includes the whole earth and the heavens above and around the earth.

HE IS LIKE one who is awakening early in the morning after a night's sleep and his surprise learned that

his house and the valuables he possessed had been stolen from him while he slept. And now, in overtaking the robber, he finds that the robber puts up a fight to continue to possess what is not his. This is the position of the black and white man today.

THIS HAS brought about disagreement between the two and they are not able to live together in the same house (the earth). Because of this disagreement, the black, brown, yellow, red and white have reached the limit in anger. If the anger

was measured as we measure temperature, we would have 212°. All are at the boiling point, ready to destroy each other over the authority to rule and to hold the unjust gain.

Freedom, justice and equality — these the white race will not agree, to give nor to share with the black man. Therefore, this situation is a deadly one. Dissatisfaction is brewing everywhere. Now, it is happening here in America between the slave and his master because the unjust slave master desires nothing but complete authority over his

once slave, whom he refuses to let go. He holds him as a prey. He defies Allah (God) to take him away, with a war with God and the righteous world of Islam. The natural atmosphere speaks of dissatisfaction.

THE BLIND, deaf and dumb slave — who wants to continue to live with his master and who teaches his brother to do the same — must be awakened to the knowledge of his own. To bring the whole thing to the proper and justified conclusion.

The Black Man and the World!

sion, God Himself has appeared in the Person of Master Fard Muhammad, to Whom praise is due forever — to judge and condemn the guilty and unjust ruler and to burn them with fire and deliver the slave and restore him again to his own. (The American So-called Negro).

But the so-called American Negro, the actual Lost and Found member of the Aboriginal black nation, must be qualified to live again with his own black brother of Asia and Africa. Neither Asia nor Africa will agree to have Christian black people come from the white world to live in their world.

IT IS THE man with his Christianity who has destroyed the peace of the nations of the earth — especially the black, brown and yellow people. Something must be done and something is being done. But, it is the Lost-Found member of his kind which stands in the way of the solution of the problem.

He must be re-educated. He must be taught self-respect in order that he re-

ceives respect from others. He must be renamed, he must be given the religion of Allah (God). He must be separated from the disagreeable slave master. He must have a place on this earth that he can call his own, regardless where it may be.

THIS MUST be done — in fact nothing can be done until the so-called American Negro, the Lost Found member of his people has been awakened to the knowledge of truth, of self, his kind, God, and the enemy devil.

Read the bible and holy Qur-an for the answer. We must have unity with all of our kind — the black man of Asia and Africa. Without the unity of the black man billions of our people will be lost in this dreadful war of the nations.

WE, THE black people; I repeat, it was black Africa from which we came — and the black people throughout Asia, and islands of the Pacific, South America, and Central America must unite on the side of justice and equality for the black man.

THE TIME IS RIPE.
