

THE BL

Hope;

IN the preaching to THE BLACK MAN in America, Lost-Found from his native land and people, of the acceptance of our own, in order to do so, The Black Man must have the necessary preparation to make the return to self possible.

THE number 1 thing that makes it so hard for the Lost and now Found Member of the Aboriginal Black People of the earth to accept themselves and their kind is due to the fact that we have been robbed completely of the knowledge of ourselves by the white slave-master and the white slave-master's children.

THE BLACK MAN knows nothing about how to get to himself because he cannot see any other self but his white slave-master's self. THE BLACK MAN is blind to himself because he cannot see to distinguish who he really is. This is what is meant by the prophesy of the Bible and the Holy Quran, that he would be blind, deaf and dumb. The white slave-master robbed THE BLACK MAN of the spiritual eye of self and this gives them a chance to force their own self before us without our ever seeing the image of our self. It is impossible for a person robbed like that (robbed of the knowledge of self) to know how to help self get back to self. Therefore it takes someone from among them to whom Allah (God) Has Taught the knowledge of self, to teach others the knowledge of self.

BEING so blinded by the enemy white slave master, he actually does not want to accept self from one of self. He would still rather listen to the voice of his white master (his enemies) who has reared him up to that which they wanted him to know, without opening his eyes to self.

NOW the Spirit of Allah (God) is Moving into the BLACK MAN in America to wake him up to the knowledge of self by removing the veil between him and his white slave-master so that THE BLACK MAN can see both clearly and now with this knowledge it brings THE BLACK MAN near to his salvation. But Allah (God) Who came in the Person of Master Fard Muhammad, to Whom Praises are due forever taught me if THE BLACK MAN has one third (1/3) of unsound brain

(Knowledge of self) in the way of self, THE BLACK MAN could be the loser. The wise white slave-master who blinded the poor BLACK MAN and robbed him of the knowledge of self now approaches THE BLACK MAN in the way that he thinks that he can win THE BLACK MAN over to go to the white man's doom with him, while heavenly salvation is in the reach of THE BLACK MAN.

THE Blindness of THE BLACK MAN has made him hopeless as Ezekiel prophesied in the Bible that since their hope was lost for anything like Equality or Justification of them as being Members of their Black Aboriginal People and their not knowing that they have a God on their side, Who Has Visited them for the Purpose of Restoring them—so at the present time he feels hopeless but THE BLACK MAN wants to be himself. He is angry with those (the white man) who have robbed him of his eyes, and those who have robbed him are also angry with the God and with His Messenger in his work to open the eyes of THE BLACK MAN. But it is a must that

the eyes of THE BLACK MAN be opened, for if his eyes are not opened then all of the prophesies of THE BLACK MAN being resurrected and his eyes being opened to the knowledge of self go for only false prophecy. BUT the prophecy of the resurrection of THE BLACK MAN is true, for it is now going on in America. We have a few who are risen, but how easy it is for the white man, to rob THE BLACK MAN of the joys of paradise (heaven while we live) for he knows his Black slave better than the Black slave knows himself.

ALLAH (God) Has Said to us that He Will Sit us in heaven at once if we submit and obey Him and serve Him. We have served our enemy (devil). In their opposing the devil today in his continuing to keep them out of his equality and their refusing to give THE BLACK MAN Freedom, Justice and Equality which he has promised to THE BLACK MAN—their opposition shows that THE BLACK MAN is still blind. THE BLACK MAN is willing to agree with the murderer, the enemy, to live on with him if the murderer will just make him his

equal, while this is the worse desire he could have.

WE do not want to be equal with the enemy in their way, for their way is what has destroyed us. The way of the white man is their own way and it is not the way of the Black Man.

SAMPSON

WE must remember the Bible story of Sampson. There was a real Sampson and he was very strong as it is written, but the story of Sampson in the Bible has a great significance to it. However it is not something just to be taken literally. It is to be understood. The robbery of his eyes (meaning his thoughts for self) was taken from him through his yielding to the enemy woman, Delilah. Delilah tempted him and Sampson yielded and laid his head in her lap to be nursed by her. She falsely pretended that she loved Sampson, but she was only trying to trap Sampson for her man-people to enable them to kill him. Sampson was so foolish as to fall for her. Several times he denied

her request to tell her where his secret of where his strength lay, but with all of this she still fascinated him enough for him to tell her his secret. Even while she was trying to get the utmost knowledge of his secret, she was reporting to her devil men every word that Sampson said to her. She had to trap Sampson for them and make him helpless so that he would not be able to defend himself and do them any harm. Instead of the people seeing a mighty strong man they saw Sampson brought down to such a state of weakness that a little boy could lead him around. He had to depend on a child to guide him.

THIS history of Sampson and the significance of the history is now in action in America in the problem of THE BLACK MAN in America. The modern day Delilah (white girls and women) have been well taught and trained how to deceive the so-called Negro, THE BLACK MAN in America, so that he lose his salvation. These white girls and women, Black Brother, do not love you today any more than they did before today. They are doing a work of trapping you for the slaughter. The white man

strips his girls and women to the point of almost nudeness in order to tempt you. Look at the Black boy and Black girl who walk the streets with hands locked together with the devil. Could you make your OWN self believe that this sudden upsurge of a show of love and friendship could be natural?

AGAIN, I remind you that by nature they are not the same people and now you have learned this. THE BLACK MAN is the Original Man while the other (the white race) is a made-man, called mankind. This is like the horse, the superior animal, allowing the mule, the inferior animal, to lead the horse. This is backwards for the mule comes from the horse through the process of grafting. By nature the horse cannot be attracted by the mule, but the mule is attracted by the horse.

JUSTICE is after the white man because of their robbery of you and me and they want revenge for this Divine Execution of Justice against them for the evil that they have done to you and me, THE BLACK MAN, in America. It is the

greatest desire of the white man that THE BLACK MAN suffer, for this is their way of making a mockery against Allah (God), if it could be said that the devil robbed Allah (God) of His Own People after knowledge had come to them.

HOW you glorify yourself in your foolhardiness of placing yourself in the fatal hands of the modern Delilah.

YOU are being taught, through the teachings of Allah (God) through me that you are the greatest, the First and the Last. Now, why would you now go and stoop from the honor and dignity of this place, and bow to that which is not first nor last (Yakub's made man, the white race).

BLACK MAN, you look for salvation, but you have no eyes. You will not let anyone open your eyes. SAMPSON pulled the building down and he destroyed the might of the Phillistines to continue to rule and mock him, but the story tells us that SAMPSON also was destroyed because he had been robbed of his eyes and could not see how to get out of the way of his powerful strength. He achieved the destruction of his

enemies—the strength was there—but the eyes and sight of mind needed to protect the strength was lacking because of that enemy Delilah who had robbed him of his own knowledge of thinking for self.

THE seven (7) locks of hair represents his own state and time that he was in for himself. The seven (7) represents infinity—the infinite power of the brain of THE BLACK MAN. Delilah actually robbed, SAMPSON of the knowledge of the time (7) in which he should have been rejoicing in self.

REMEMBER, Black Brother and Sister that when you desire to be loving and sweethearting with the white slave master and his children, you are putting yourself in the very meaning of the story of SAMPSON and DELILAH, and the results will be the same.

BLACK MAN, you may pull the kingdom down, but if you have not the knowledge of the enemy and yourself, you only pull down death on yourself. This is why the Bible teaches you and me "Be wise as the serpent but humble as the

lamb." You must show righteousness by being in submission to the Author of Righteousness. Righteousness cannot make a man a coward nor will it make him proud. Wisdom does not make a man proud. Much wisdom makes a wise man more humble; but it makes an unlearned or a one-half learned person proud and boastful. Learning the Law of this Creation and the creature of the creation teaches a wise man that he has nothing to boast about because there are others who have access to wisdom.

THE Holy Quran teaches that 'the wise Muslim walks the earth in humbleness. When he sees a fool breaking up (carry on foolishness) then the Muslims should not spend his time in enjoyment of the fool and his foolishness—pass on by the fool. If he tries to attract you to his foolishness then just say "Peace" and keep on going.'

ALLAH (God) Wants you to be yourself and not somebody else's self. BLACK MAN, Allah (God) Loves you and me. This is why He Came and Visited us as the Bible and the Holy Quran both teach us that Allah (God) would Appear Among us in Person just prior to the

Execution of Judgment on the world of the wicked, to awaken us to the knowledge of what He Is About To Do and how best we can escape the doom of the wicked for you are not responsible for the evil of the People of Yakub's man. Yakub is the God of the white race. The white race hopes to deceive you and to continue to keep you deceived. The white man will pay you not to accept your own. He will make great promises to THE BLACK MAN and he knows that he will not be able to fulfill these promises. This is to fascinate you into accepting him as a guide.

BLACK MAN, in years gone by, never did you dream that your wife and your daughter would be walking up and down the street, in the public one-half nude. White boys and girls dress this way to rob you of the knowledge of your Black Original self and to rob you of the knowledge of Divine Justice that is now Approaching without delay.

BLACK BROTHER, what does the white man teach you that will benefit you as an independent Black people? What do they teach you of decency and respectability so that the decent moral people of the earth would respect you as an equal among them and receive you as a visitor to their country to have the freedom to be accepted into their moral, respectable, social equality?

BLACK MAN, I warn you to be careful of how you lay your head in the lap of the modern-day Delilah.

DO NOT be a prey to Delilah and her army of white men who are against you.

ELIJAH MUHAMMAD,
Messenger of Allah
