

**MESSENGER MUHAMMAD
MUST BE OBEYED
or suffer the consequences.**

IN THE NAME OF ALLAH, the Beneficent the MOST MERCIFUL Saviour, MASTER FARD MUHAMMAD to Whom Praises are due forever for Giving us His Divine MESSENGER MUHAMMAD and His Divine Message.

WE the Black People must now leap to obey the Divine Warnings contained in the Messages from Allah, to us, The Black People in America, through His MESSENGER MUHAMMAD.

Daily, we see the Messages of Allah which MESSENGER MUHAMMAD has been giving to the Black Man in America, for more than 40 years, now coming to pass. Today, we are living in the time that MESSENGER MUHAMMAD has so faithfully predicted would come, for he received His Divine Messages, directly from the Mouth of the Lord of the Worlds, Master Fard Muhammad, to Whom Praises are due forever.

WE must be strong to come and obey the Divine Leadership of MESSENGER MUHAMMAD, for we can see, that truly, we are sitting on a brink of fire, as the Holy Qur'an teaches us, and we now are living in the fulfillment of the Divine Teachings.

RECENTLY, one of our Black News commentators, although he has not yet accepted his own, he told the whole of Chicago, Illinois, and the listeners within the range of his broadcast, that all Black People should rally behind MESSENGER MUHAMMAD regardless of their religious beliefs and professions.

MESSENGER MUHAMMAD teaches us that the time of the rule of the white race is up. And today, is the Day for the Black Man to get up and shake ourselves out of the dust of civilisations and SHINE.

MESSENGER MUHAMMAD never doubts. Look what we looked like, as a Black People, 40 years ago! Compare it, with honesty, with what MESSENGER MUHAMMAD has accomplished for we the Black People, today.

COME FOLLOW MESSENGER MUHAMMAD who has not failed us, who put our trust in him. Let us be wise, and no longer called a 'people who have no sense' as the scriptures referred to us.

TODAY, we have with us, God in Person. Through the teachings of MESSENGER MUHAMMAD, we have the wisdom of the Gods of trillions of years ago. We have no room for self doubt.

WITH GOD and with His Creation, the Word of God cannot fail. In spite of all efforts to the contrary, the world is turning in the direction and is coming back into the path of Allah (God). And everything that does not please Allah (God) is being destroyed, as chaff in the Presence of Burning Fire.

ON July 7, 1973, still another little Black People, the Black People of the Bahamas, proclaimed their independence. Let us follow MESSENGER MUHAMMAD to independence for our Black self.

We have MESSENGER MUHAMMAD who is building up, for us. Hunger does not stare MESSENGER MUHAMMAD in the face. Hunger is staring the world in the face. Let us be wise and come out of the world, and do ourselves, Justice under the Divine Guidance of MESSENGER MUHAMMAD.

MESSENGER MUHAMMAD'S Message teaches us and shows us, what is good for us. Never before have we, the Black People in America had, what is good for us, until the Coming of Allah, MASTER FARD MUHAMMAD, to Whom Praises are forever due for His Divine MESSENGER MUHAMMAD and His Divine Message.

For life, MESSENGER MUHAMMAD must be obeyed, or suffer the consequences, so teaches the Holy Qur'an.

—Margary Hossain

THE END OF

WHAT can we expect at THE END OF THE WAR... paradise or hell? See. Bible, Dan. 9:26, 27. "...and at THE END OF THE WAR desolations are determined... and that determined shall be poured upon the desolate."

THIS is like saying do not expect healing ointment to be poured on the sore that has been made. You will not get healing ointment. Instead, you will get a worse sore.

WITH trying to find a job for the unemployed soldiers who are returning from the war zone (if they have a chance to return) — this will be one of the worst headaches for the government, that she has ever received.

WITH unemployment mounting so fast, it will create revolution. And everybody will want to divide the government up into pieces and every leader will want to grab a piece, for his part, to try to muster some kind of government, patterned after his own way of thinking.

DESOLATION... if we are going to suffer deprivation in a country that has been the pride of the nations, this will make it altogether worse, for everybody will be thinking about the way that they used to live, and the freedom and the privileges that they used to have. And this will make anger rise up in the midst.

WHAT I am trying to show you is that the Prophet Daniel cannot be wrong, because this 'desolation that is determined to be poured on the most desolate' is aimed at the place in which we now live.

AND just remember, that you cannot expect paradise, here, when such condition of desolation is headed toward America.

AND since we cannot make Prophets' words, other than the truth, we expect this desolation, and we are receiving this desolation, now.

AND the way to hasten such desolation is to confuse the heads of the government. And if we see this confusion of the heads of the government, as plain as the five (5) fingers on our hand — and if we have only one (1) finger on our hand, we can see that the government is confused and cannot find a way out, in peace with itself — as daily and nightly, we see and hear what they are doing.

IT is a confused time of the governments, of which the citizens look to, for guidance. And how can the head guide, if it is not at peace with itself?

EVERYBODY regrets talking about the woe that is heading toward America and the woe that is in America. But, America brought this woe upon herself, by not doing Justice to her Black Slaves.

ALLAH (God) Wants to pay America for her injustice to her lowly Black Slave. Allah (God) Is not Bringing this woe on America because of her injustice to nations outside of America. He is paying America for her injustice to we, the poor Black Man in America, the Black Slave!

AMERICA has not received much woe yet, for how she killed outright, the poor Black Man in the

The Filth That Produces The Filth.

Holy Guran [7:27] O children of Adam, let not the arch deceiver seduce you, as he expelled your parent from the garden, pulling off from them their clothing that he might show them their shame. He surely sees you, he as well as his hosts, from whence you see them not. Surely We have made the devils to be the friends of those who believe not.

This happened to the Black People who followed Yakub from Arabia. He pulled off, from their original Self, the clothes of Righteousness and the clothes to cover their shame; and then made them to go nude in the hills and cave-sides of Europe, until the birth of Moses.

You are warned. You believe you are safe in following the invitation to evil and filth of the white race. Wait and see.

THE WAR

south (Georgia). America has hated her Black Slave worse than she hates rattlesnakes. America has given her Black Slave every evil and indecent name that she could think of while yet her Black Slave has been her safety ground.

AMERICA does not want to admit to her trouble for her Black Slave is still here. But, there will be no jobs for anybody. One calamity after another, befalling America. When she thinks that one calamity is going out, another is just entering!

THESE constant calamities will continue until America is on her hands and knees admitting that Allah - u - Akbar (Allah is the Greatest).

EVERY prophesy of the prophets, prophecying, of

Destruction, is Aimed at America. This is a dreadful and awful trouble that is Divinely Focused at America.

I say to you, my Black Brothers and Black Sisters, Seek Refuge in Allah. Fly to Allah. Come Follow me.

I ask you to help me, to help you. But, you would rather see your money fall dead in the white man's hands than to offer it to me to try to help make some bread out of the earth for you. Remember, "...THE END OF THE WAR desolations are determined."

KEEP WAITING with your disbelief and doubt. You shall soon come to know that what Elijah Muhammad, has said to you, is most certainly the truth!
