

MUSLIM PRAYER SERVICE

The time of prayer and its meaning:

Note: The morning prayer is of two parts, the first part called FARD in Arabic, and the other part called TRADITION and it is made obligatory.

The morning prayer being obligatory is called FARD meaning the early morning. The Great Mahdi have taken FARD as a name for himself corresponding with the time of His coming—which is in the early days (or years) of the seventh thousand year. The early morning being the first part of the seventh thousand years, and the year under the name Millennium (which the Christians say means the 1,000 years Christ will reign on the earth).

This is the 1,000 years in which it will take to restore peace and honor, after the removal of peace breakers. This time also includes the birth of a new nation from the mentally dead. However, the Name FARD fits the context.

We are reminded that this prayer is made obligatory, it is also binding upon the Believers (Muslims) in Allah (God) to obey Him. For in that 1,000 year of Millennium, the disbelievers will cease to be. And to those who live in that time it shall be binding upon them to serve and obey One God: Fard Muhammad, the Great Mahdi, or Allah in Person. The Mahdi must restore the Kingdom of Islam, and He must weed out from the kingdom of Islam all disbelievers. This He will do in His time.

FARD is a name many of the scholars have said is not one of the 99 attributes but still it is a Name that is Self-independent, and One which means that the Believers are obligated to obey. We can see clearly why He took this Name (FARD) for Himself.

We are now living in the early morning of that seventh thousand years. The world of evil was given 6,000 years to reign over the righteous. Now, since their time expired in 1914, as all the religious scientists agree, we are in the seven-thousandth year since the creation of Adam, or the Caucasian race. It shall be binding upon you to serve and obey the Great Mahdi (FARD MUHAMMAD) or else be cut off from the people of righteousness.

All praise is due to our Lord and Saviour, Master Fard Muhammad. To Him do we submit; to Him we fly for refuge from the evils of Yakub's civilization.

And remember, the time that we are living in is the end of the world we have known, and the coming in of the world of Allah—the world peace and security. Having this in mind, we must be mindful of the things that are written. The following verse warns the powers of this world that their lacks existed before and Allah destroyed them:

"Travel in the land, then see what was the end of those before! most of them were polytheists." Holy Qur-an 30:42.

We read of the history of the flood that drowned a disobedient people who refused to take warnings from Allah's prophet, Noah. The following verse warns you and me, the so-called American Negroes, that after nearly one hundred years we have not been able to see that Christianity is not an upright religion; and it further warns us that on that day we will be separated. These days now approach you and me, **SO MAKE A DECISION:**

"Then set thyself, being upright, to the right religion before there come from Allah the day which cannot be averted: on that day they will be separated! Qur-an 30:43.
