

Messenger Muhammad on Fear of Black Power!

By Elijah Muhammad
Messenger of Allah

WHY SO MUCH talk about Black Power? Why are there so many improper answers given by the so-called Negro leaders, Christian preachers, black educators and black politicians of the U.S.A.?

We must not forget that on August 28, 1966, at the International Amphitheater, the very origin of Black Power was given. Read the **MUHAMMAD SPEAKS** newspaper of that date.

BUT YOU DO not like that explanation. Why? Because it placed the so-called Negro

in the position of being originally a brother of God. It revealed the mental death of the knowledge of self and the knowledge of the Supreme Being and the making and rulings of the devil over the American black slave and the Black Aboriginal Nation of the earth for the past 6,000 years.

It makes the present black leadership fear and tremble to accept his own and to speak in defense of his own—in the presence of the deyl. He has been crushed by white power and this makes him fear Black Power (black rulership).

WHITE POWER has been planting white supremacy and black inferiority in the minds of the Black Nation. According to the words of Allah, Who came in the Person of Master Fard Muhammad—to Whom praise is due forever—we, the so-called Negroes, were born and nursed under such untruth and teachings by the enemy. They put the fear of themselves in us. We were fed upon this fear as we nursed at our mothers' breasts.

I cannot blame the poor black preachers for their fear to speak out in behalf of the spiritual truth that has come to them from the true religion of Allah, Islam (entire submission to the Will of God).

THEIR FIRST fathers were made preachers by the enemy of God. They are not

the preachers of the God of truth and justice since they are blind to the knowledge that they are the brothers of God.

Some preach the truth from inspiration because they are the brothers of God and members of the Family of God. They are Gods themselves, but they are asleep to the knowledge of it.

FOR THE past 4,000 years of his 6,000 years, the devils have proved themselves to be the enemies of God and the righteous, according to the translation of the Holy Qur-an by Maulana Muhammad Ali. The devil has tried to destroy the very nature of God out of the black slave in America and wherever he comes into contact with black people or any color,

other than himself.

The worst robbery is the robbery of the knowledge of self. Physical blindness is a terrible thing. But it is worse to be spiritually deprived of the knowledge of self and others. This is just what the devil white race has done to you and me while we were babies.

BLACK leadership is afraid to speak out for self and it is afraid to bear witness with God's Messenger of the truth of self and our enemy. In so doing, they are showing love and friendship with the devil, after knowledge. To fear to bear witness to the truth is to reject the God of Truth and your own members of the Family of God. This makes you an equal partaker with the devil as an enemy of God, the truth and the salvation that He offers to you.

BLACK POWER means unity of the black nation of the earth, especially the righteous of the black people (Muslims). Nowhere on the earth today do you see the Black Nation of the Islamic World, the Muslims, declaring themselves as being on

“... He is the black man's murderer... don't try to reform him; Moses couldn't reform him; Jesus couldn't reform him, Muhammad couldn't reform him... Don't you even try...”

the side of the enemy by helping him to continue his wicked rule over the world of the Aboriginal Black Nation.

After World War Two, some of the Turkish Muslims were fighting in Korea

Which H

on the side of the white Christian European race.

BUT TODAY, there is no independent Muslim country fighting in Viet Nam on the side of Christianity and the Hindu religion. The Christian religion and the Hindu religion are friends. They both are idolatrous religions. Islam has no friendship in either of these religions.

UNITY IS power, as I have been preaching to you for 35 years and telling you this. A chain is as strong as its weakest link. A nation is as strong as its weakest leadership.

You are ashamed of your God and my God, and you are ashamed of me and the truth that your God and my God has brought for your own salvation, as He did for the people of Noah, the people of Lot, and as he did for the people of Moses. History bears witness against you as being the same opponents, and mockers of God. His

Messengers, and the messages God sent through the mouths of such Divine Representatives.

On the last page of **MUHAMMAD SPEAKS** newspaper, I have outlined the program that you know is the best way to get away from an enemy of yourselves. But you know the enemy hates any black Negro leader who preaches freedom, justice and equality for Negroes, and who preaches a way for Negroes to prosper—if they are united together for self. You reject this program and try with your little weakness (I say weakness, because you are weak), to attempt to oppose the plan of God, which He already has put on the pages of your Bible and Holy Qur-an.

WHAT IS wrong with uniting with us, the Muslims, and asking the government for some of this United States of America? We have given our sweat and blood for white America's independence and have backed it up with our lives in every war, from the American Revolutionary War to the war of this day, and we have not been given so much as justice.

IT IS THE devil (your open enemy, the white-race of America), who is after you to set you in hell with false promises and with a false show of sympathy and love for you; with false promises of better prosperity for you—but he does not promise you any of this

American soil or earth.

He does not promise he will build better houses and apartments and give them to you, for your helping to build better housing for them for the past 400 years, and for helping them to accumulate the millions and billions of dollars which enable them to deceive you with a show of a prosperous future in America—while if you sniff the air, you can almost smell the smoke coming from the fire of their destruction.

YOU SHOULD want freedom from the slavemaster and his children, by this modern time, especially with the ugly face of total destruction—staring the

“... we are not here to declare war on each other, we are here to declare truth on each other...”

world of our enemies, those who are with our enemies, and the simplest fool in the eyes.

You are wise, yet you can easily be classified with the simplest of people, because you worship and believe in a salvation for yourself under the power of those who have destroyed your power and nailed it to the cross so, that you cannot see your way of resurrection from the cross.

REMEMBER the old prophecy of the book: Those who worshipped Satan and his mark went down with him.
