

# YOUR AGREEMENT WITH HELL WILL NOT STAND!

AS IT is written, the blind cannot lead the blind. Both will fall into the ditch, for neither is able to see that ditch.

This is a prophecy of the so-called Negro leadership before their awakening (resurrection) to the knowledge of truth, the knowledge of self and others.

My people are jealous and contrary to Black leadership though they cannot rightly lead. You must remember, my dear people, that there is not one of us, regardless of education, who can lead our people safely to the joys of freedom, justice and equality, unless Allah (God) is with you.

WE ALL would end up permanent slaves or doomed to that which we were trying to be freed of; for this is a Divine work that you are attempting to do without Allah's guidance, and the knowledge of His plans to save and deliver us from our tormentors.

You blind guides seek self-exaltation and to please the enemy by following the course mapped out for you by your enemies; to agree with the enemy on anything he plans for you. But in the

*IN the Name of Allah, Master Fard Muhammad, to Whom Praises are due forever, for His Divine Messenger Muhammad and His Divine Message: "Your Agreement with HELL WILL NOT STAND."*

*By popular request, we present to you, this article by Messenger Muhammad, which was written more than 10 years ago, and we can agree from the passing events that we have seen take place through the blind efforts of would-be leaders, and we can say to them, it is the Truth. Your Agreement With HELL WILL NOT STAND.*

*What is hell? Where is hell? Who are the occupants of hell? Who made hell? And who was hell made for? When was hell made? And when will hell cease to exist?*

*Messenger Muhammad, our Divinely taught, Leader, Teacher and Guide, to us the lost and found members of our Black Nation, teaches us thoroughly on the subject of hell, so that we can "come out of*

*her."*

*Messenger Muhammad teaches us that hell is a condition of suffering and want, a deprived condition, and the place where these conditions exist is hell.*

*All of our lives, we the Black people have heard the preachers preaching about hell. We tried to live in such a way as to avoid going to hell.*

*We never knew, until the coming of Allah, Master Fard Muhammad, to Whom Praises are due forever, and His raising up a Divine Teacher for us — Messenger Muhammad — to teach us that here in our enslaved condition, we are in the hells of North America, and we have been here for 400 years.*

*We were kidnapped and brought here to North America by the white slavemaster (the devil) and for their daring to kidnap and to enslave us and to make us blind, deaf and dumb to the knowledge of our Great God, our great heritage, our great*

*place and our Black People — and for doing all manner of evil to us without a cause — our God Allah, will make this place a lake of fire, and push the devil and those who love to follow the devil into it.*

*The Holy Qur'an bears witness to Messenger Muhammad's teachings, for the Holy Qur'an teaches us, that hell was made for the devil when the devil was made. Hell came with the devil. The devil is the companion of the fire, hell. When the devil goes, hell goes. No more devil; no more hell.*

*Messenger Muhammad teaches us that our God Allah Has Come and He Gave the Good News to His Messenger Muhammad to teach us that we the Black people are the righteous and that we belong in heaven and not in hell, and that when we believe in Allah, He will set us in heaven at once.*

*We must unite with our own righteous Black Nation. We should no longer seek to remain in hell.*

*How happy we should be, to hear and obey a Divine Message of Messenger Muhammad, which teaches us that salvation has come to us, the poor ignorant Black people, who are in hell.*

*It took God and His Love and His Wisdom and His Messenger to break the chain of hell that bound us. Let us link ourselves in a chain of love, for our God Allah, our own Messenger Muhammad and our own Black selves.*

*Let us throw off false leaders who have worked and failed, as Messenger Muhammad said they would fail, to integrate us with our enemy in hell.*

*O JOY! We the Black people give All Holy Praise to Allah, for His Divine Messenger Muhammad and His Word that "Your Agreement With HELL WILL NOT STAND."*

end you will be the loser, and this is exactly what you are doing.

The U.S. Constitution was written for the white citizens of America and not for the slaves; the offer of integration today is proposed just to trap the free slaves, and destroy our future of ever becoming an independent, united nation of people.

THIS IS the end of the white race's rulership over the Black nations. These truths the so-called Negroes in America must

now understand. The (wrong) steps that are now being made for a successful solution to the problem serve as a lesson to blind leaders and followers, and will put them with more respect Allah (God) and His solution to our problem.

This is a universal change taking place today, and the most difficult problem is the separation of the slave and his master. The master and most of his slaves, actually, do not want to depart from each other and

they hope they can find a way of solving the problem without being separated.

The slave master knows that his slaves, who are not Muslims, do not understand, and this ignorance of the so-exploited by the slave master, who is very wise to the truth of the time and the proper steps that should be taken by the two parties.

I AM trying, with the help of Allah and my followers, to teach you the proper thing that you should do today; that is, separation

that you do not want. But Allah (God) and the time will force you to accept separation. As it was with Pharaoh and Israel, so shall it be with this people.

The description of what we may expect to happen between the two people is beautifully symbolized (the beast, lamb, and 144,000). Our deceivers and tormentors desire to trick you into believing that if they give you good jobs, rent and sell to you better homes along with the opportunity to mix with

them, you will be satisfied even to go with them to their doom.

Allah warns that this will be short lived; Allah offers you and me a permanent heaven on this earth if we will submit to Him. He promises hell to our enemies and all of those who love and admire His and our open enemies.

WHEN YOU see the great destruction of Allah's that shall be poured upon this evil people you will wish that the distance between you and the white race was that of the east and west. Allah has said to me that America is first on His list to be destroyed. You're making fun of the Muslims today; a day will come that they may laugh at you if they desire.
