

BE YOURSELF!

IN this day in which we are now living, Allah (God) Has Called on us to "BE YOURSELF". Some of us are ashamed to be our own self. What has made you ashamed to BE YOURSELF? I will answer this question for you, 'it is because you have never known self'. You look for self, that which the enemy taught you, was yourself; and you were ashamed of your own self and I do not blame you.

BUT now, Allah (God) in the Person of Master Fard Muhammad to Whom Praises are due forever, Asks you and me to be our own self, and then He Teaches us our own self. For the first time, we have known our own self.

YOU may say, "Mr. Muhammad what did Allah (God) Say we are? He Taught me that we (the Black People) are the Original or the Aboriginal People of the earth. This means that we are the first people; no people preceded us.

We, the Black People, are the People from the Father of the Universe. We are sometimes referred to as being 'the Sons of God' (Bible) Ps. 82:6, Rom. 8:14 We are the children of the Creator of Heaven and Earth. Now, we are Chosen to be the children of a New Creation. You will not remain in the looks and the nature of what you are now. Although we preach that we are the Aboriginal Black People, the looks of this Aboriginal Black People Will be Changed by Master Fard Muhammad, to Whom Praises are Due forever; The Eternal God, our Saviour, to the look of a New Aboriginal Person.

A HAPPY and a great thing has been brought to us—the knowledge of self and the knowledge of the renewal of self. As the Holy Quran

teaches us that Allah (God) Master Fard Muhammad, to Whom Praises are due forever, is Able to Bring About a New Heaven and a New Earth and a New Creation out of us. You will not look the same.

THE Holy Quran teaches again that He Will Cause us to grow into a New Growth, as satan has spoiled us. In many instances, satan has changed us into his color and into his evil and filthy way of life. All of this will be taken away from us and we will be put into a better look and a better life of peace of mind and contentment, as the Bible teaches us that He Will Extend peace to you like rivers. (Is. 66:12)

ALLAH (God) Did Not Come here to Make Trouble for us. He Came here to let every man taste of what he has done, as the Bible teaches us concerning this wicked race, "As Thou Has Done So Shall it be done unto Thee." (Obod. 15)

SO, if the white man and the Black Man get his own by nature, then there is no blame on the God's Justice because He Has Given to you your own. The white race has stated that they do not like themselves. Today, there are many white people on our planet earth who wish that their nature was of good. They know the meaning of 'to be good', but they do not 'do good' so well because of the nature in which they were made.

THE white race was made by nature to hate; to kill; and to destroy the people of earth and to bring in a continual warring against each other. This is what they were made for. Then, after they make all of the trouble, they tell you to let them be the judge for peace for you all. (smile).

THE world has caught up with this trouble-maker. The only thing for the trouble-maker to do now is to try and to find some way to allow the people to get into a peaceful state. He cannot bring peace himself. Today, no nation will listen to America to make peace for them. America knows this, because America has been the arch trouble-maker all over the earth. Due to her wealth America was able to buy out nations but that does not work any more, as the Bible teaches us that Their gold and silver will not buy peace for them (Bible) (Ja. 5:3). People will accept their gold and silver and then carry out the Divine Prophecy against America.

AMERICA'S making war against the people of peace is only hastening the doom of America. America will no longer be both a war-maker and then a 'peace-maker'.

WHEN a deceiver, deceives, he wants his deceit to stand although he knows that he is deceiving. And he will do everything possible to strengthen that deceit in which the people believe.

BUT I say, BE YOURSELF. Yourself is the first self in the sun. Did you say that you are ugly? Your ugliness is not permanent. You were not created ugly, that is why God Promises to you in the Bible and the Holy Quran, that you will be restored to your ancient beauty and to your ancient self. Before the making of an opposer against self, our ancient self was beautiful. You are far from being yourself.

SO I say, "Come Follow me and God Will Make you your real self, which is a beautiful and a wise self."

We were not only made ugly, but we were made foolish and ignorant—so much so that we did not know self nor did we know the one who had made us in such shameful state of condition.

The most beautiful people of earth are the Black People when they are in their natural self. Allah (God) Has Said from His Mouth, "The most beautiful nation is in North America." Not that they are the most beautiful now. He will Make you the most beautiful. In a certain place in the Bible, in the Epistles of Paul, it teaches you that "you will be changed in the twinkling of an eye." Did you imagine that the Creator and the Owner of the planet earth Would Make Himself ugly? No one likes to look at the ill-look of ugliness. No one likes to have that look. That is why the enemy who is unlike, attracted you.

SO, let us just BE ourself, which is the best self. Today, on this planet earth we want Freedom which was taken from us by Yakub's made-man (white race). The white race has no more time on our planet earth unless they submit to our rule of Truth, Righteousness, Freedom, Justice and Equality.

IT is ashamed in this day and time, that one million (1,000,000) Black People, here on the South Side of Chicago, Illinois, are not doing something for self. We, the Black People should be sane, truthful and loving toward one another and run the South Side of Chicago, Illinois, ourself. But since you do not have this love for self, and without the knowledge of self, someone else must rule you in order to maintain some kind of civilization. We must agree that we

are brothers in everything, in order to rule ourselves. The white man, in order to rule, shows himself to be for his own blood and flesh when it comes to foreign blood and flesh. We must show love for our own blood and flesh regardless to whom or what.

ELECTION time is coming. Many of our Black People are running for office and there are some people who we could speak well of, if they would speak well of us. But a Black Man who is running for office and is afraid to speak well of the Muslims, this keeps the Muslims from speaking well of that candidate.

WE, the Muslims, are not a slave and a dependent people. Islam is independent, and there are no slave Muslims except those Muslims who want to be a slave for white people. But you are able to be free to BE YOURSELF. So, I say, BE YOURSELF and do not try to be other than yourself. Thank you.

ELIJAH MUHAMMAD,
MESSENGER OF ALLAH,
to you all.
