

Warnings to You Who Take the Devil's Promises to be True

By Elijah Muhammad
Messenger of Allah

CHAPTER 14:22 "And the devil will say, when the matter is decided: surely Allah promised you a promise of truth, and I promised you, then failed you. And I had no authority over you, except that I called you and you obeyed me; so blame me not but blame yourselves. I cannot come to your help, nor can you come to my help. I deny your associating me with Allah before. Surely for the unjust is a painful chastisement."

HERE WE have what the devil will say on the Day of Resurrection to those who

follow and believe in him and who depend upon good to come from his promises.

BUT WHEN the chastisement of Allah comes to both the devil and his followers, then the devil will deny that he has mislead his followers and he will put the blame on those who followed him. For he will say, "... I had no authority over you, except that I called you and you obeyed me; so blame me not but blame yourselves."

THIS WARNING is directed to the so-called Lost-Found members of the Aboriginal Nation of ours: The Black Nation. For this work is going on now. The white

man, the devil, is making promises to our people now. He causes our people to believe that he is able to bring them peace of mind and contentment — money, good homes and social equality as a member of the white race.

BUT HOW can you enjoy peace from the white man when he has no peace for himself? There is no nation on earth today willing to offer him peace, or will accept an offer of peace from the white race—especially America.

THE JUDGMENT approaches America. She is the first to be taken and destroyed, so said God to me,

and backed by the prophecy of Daniel and the Revelation of John — that one of the beasts, "the 4th beast was taken and destroyed and his body given to the burning flames."

THE GOD, our Saviour, Master W. Fard Muhammad, to Whom praise is due forever, confirmed this with me. The devil cannot fulfill such promises as peace and security for you when he has none for himself.

SO COME, submit to Allah and follow me and Allah will sit you in heaven at once—money, good homes, and friendship in all walks of life.

Mr. Muhammad
