

DISTRUST OF SELF: MO

BLACK MAN, you are your own enemy. This is the trouble with the Black Man in America. The white slave - master hates the Black Man and you, Black Man, have made yourself like the enemy, the white slave - master, only you, the Black Man, are worse, as it is written (Bible) of the white slave - master, concerning those whom the white slave - master has converted to his way of life, he makes the convert a seven - fold more child of hell than the white man himself. This is true of you, Black Brother, you are worse than the white man himself. Not only do you have no trust and confidence in each other, but you hate each other and you love the self which is other than your self (the white slave - master). **BLACK BROTHER**, we cannot have confidence in each other, until we know self and others ... and then learn to love self and kind.

CONFIDENCE IN SELF ... There is no nation or government today, on our planet earth, whose people do not have confidence in each other. Their confidence in each other is the reason why they were able to build an independent government. Not only do you not have trust in self, Black Brother, but you put your trust in the enemy (white

man). If a man does not have trust in himself, and will be neutral with self, and not forsake self to take on other than self ... being neutral with self, makes the stand that you are making a more intelligent stand. But, when you do not trust self, and want to trust that which is against self, this makes you look very bad in the eyes of the civilized world.

MOCKERS OF SELF ... Of all of the ignorance that we can do against self, the most ignorance is to start mocking Black self, and mocking what Black self is trying to do for Black self, in the way of self - independence. If I, or others, try doing good to you, you take it for mockery and you seek to take advantage of the person that is trying to do good to you, you call him a fool for even doing good to you, because you are so sold to being other than self, and you are so sold against self and kind. You call a man a fool who wants to be good to you as a Brother. You call him a fool, for you think that you see a chance to rob him and you get behind his back and laugh over that. The most foolish people on earth seek to take advantage of self and kind, if

you try to do good to them. They take it as a chance to rob that person and then they get behind his back and laugh. I happen to be the wrong one for you to continue to laugh at, for I know from Allah (God) that which you do not know. Allah (God) Has Given you to me and He Will Back me up, for, or against, you. The time is not far off, and it will not be many more days, before we the Muslims, can laugh at you, but we do not want to laugh at you in the way that you are laughing at us. It would be ignorant of us to laugh at you, for we are civilized and we know that we are dealing with people who are ignorant. We do not take advantage of the opportunity to laugh and make fun of you, for that would put us in the same category that you are in. **WE** love you because we love our Black self, and you are our Brother. Hatred of Black self was put in our very blood by the white slave - master.

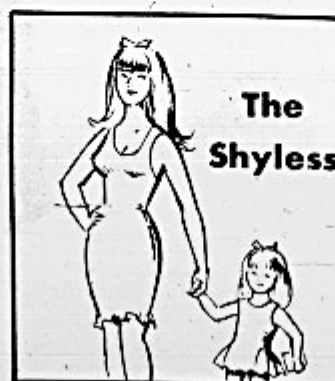

THE PRESENCE OF ALLAH (GOD) ... As the Bible and the Holy Quran teaches us that on the Coming of Allah (God) ... He Comes to Unite us, His People who have gone astray from self. He Comes to Restore the Lost Love and respect of Black self, by bringing us into the knowledge of Black self and into the knowledge of our enemy, who is the root - cause of all of our evils, filth, ignorance and hatred of self. The white slave - master is responsible for all of this. There is no evil or filth that we do that we cannot put it in the lap of the white slave - master and his children.

MY WORK in your midst, that Allah (God) Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever, Is Directing me to do, and which I am doing by His Guidance, should be sufficient to convert every one of my

Black people here and there, to Islam. If the Love, the Power and the Guidance of Almighty God Allah Is Making me and those who believe and follow me, successful in your midst, without your help, then be aware that there must be a God With me. **MY GREATEST DESIRE** is that you do not suffer from that which I know is coming upon this world of the white man. For you Black Man, have no right to be guilty of what the white slave master is guilty of ... Only by your yielding to follow the white slave - master, to follow and obey him in his evil doing.

THE CONSEQUENCES OF REJECTION ... THE destruction of the people of Noah, and the people of Lot, is an example of you Black Man, who reject the truth, today. However, the Presence of Allah (God) Will Force you to admit to His Power and His Right to rule. His Presence and Power Demands obedience to His Rule. The Holy Quran, which is a message and a guide for the Messenger of God, in this day and time, repeatedly draws our attention to the Power that Allah (God) Exercises over the universe. The Holy Quran goes so far as to tell you that the God of today, Whose Time it is to Rule, Makes Manifest whatsoever is in

you. The Power of Allah, today, makes manifest the whole entire world. Allah (God) Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever, Taught us that the white race is a race of devils. He makes them manifest to you, and to me, that they are nothing but devils. They are wicked to the very core for their very core was made wicked in order to produce wickedness. Black Brother, you laugh at, and scorn, your Black self and you hope that you have refuge in the white man. The white

The Filth That Produces The Filth.

Holy Quran (7:27) O children of Adam, let not the arch deceiver seduce you, as he expelled your parents from the garden, pulling off from them their clothing that he might show them their shame. He surely sees you, he as well as his hosts, from whence you see them not. Surely We have made the devils to be the friends of those who believe not.

This happened to the Black People who followed Yakub from Arabia. He pulled off, from their original Self, the clothes of Righteousness and the clothes to cover their shame; and then made them to go nude in the hills and cave-sides of Europe, until the birth of Moses. You are warned. You believe you are safe in following the invitation to evil and filth of the white race. Wait and see.

DOCKERS OF SELF!

man has no refuge for himself. How then can we seek refuge in them when they cannot find refuge for themselves?

Black Brother, you will be forced to bow and to submit to Allah (God) and His True Religion Islam ... not with laughter and mockery ... you will be forced to bow to submit to Allah (God) under great grief and regret for the evil done against Black self and kind, and for the mockery of the Messenger and his Followers.

THE Bible and the Holy Quran prophecies that all nations will, and must, bow to Allah (God), in the Name of the Son of Man. Then Black Man how do you think that you will escape? It is impossible for you to escape. For you to escape, would not be a Just Work on the part of the God, for you are a clear object of the rejection of the truth of the Bible and the Holy Quran.

We, Black People, cannot expect the enemy to accept the truth, for the white man was not made of truth. We, the Black People, were made of truth, but we were captured by the enemy, white man and he mislead us away from truth to the false that cannot be proven truth and the false that you really love. Now you love the false and hate the truth. You not only feel that you are too proud to bow to that which you will be forced to bow to, (Allah (God) and His True Religion, Islam) but you make mock of the truth, which is your salvation.

THE BLACK Man in America, the once Black - slave ... and now he is more proud than his white slave - master. You cannot depend on the white man for any kind of salvation today, for the Black Man. Your rate of unemployment is bound to grow until you will be forced to do something for self. The white man foresees these troublesome days. He even

warns you all that he is not able to prevent you from being unemployed. He tells you that he is living in a world of inflation that he has no hope of winning against, for he has nothing with which to boost his monetary system, and the trade, which would raise the value of his monetary system, is going down.

BLACK Man, you pray that the white man comes out of Asia and comes back home, but how long can the white man have peace, back here, in America if they lose the war? And they have already lost the war. The fact about it, they lost this war before they ever left Europe and made it across the Atlantic Ocean.

THE only thing that would help America, is to submit to Allah (God) as Ninevah did, in the time of Jonah. Ninevah did not get time - eternal, but she did get an extension of time.

Nebuchadnezzar, the king of Ancient Babylon (Bible) had to be punished by God to make him treat the slaves right. He was cast down into a position worse than that of the slave.

RE - EDUCATION and reform is what we the Black People really need. And this re - education and reform is what I offer to you, with all of my heart. I want to see you re - educated and reformed into the knowledge of self.

I CRY TO YOU, to help me to build a hospital, or to buy a hospital for our poor sick and wounded Black people. Not one of you, other than my Followers, offered one dollar (\$1.00) for this purpose. You laugh yourself to scorn and yet you lie on the ground bleeding and dying for lack of attention. This proves beyond a shadow of a doubt that you do not care for self.

HOW easy it is for you to unite with me to get started with First Aid Stations and hospitals in the cities and on the highways. It does not cost very much. We have plenty of Black trained nurses. Put them to work nursing the sick and wounded of our kind who are lying at the door - step of First Aid Stations and hospitals.

YOU try to fight the white man, and then if he wounds you, you ask him to nurse your wounds, until you are able to go back and try to fight again. As civilized Black people we know that it takes a fool to do these things, but this is what you have already made of yourself. You want nothing of yourself, you only want what the white man offers to you.

The Honorable Elijah Muhammad
Messenger of Allah

We, the Muslims are going to be successful, by the Will of Allah (God). We will have a hospital for our wounded and sick Black People right here before your eyes and you will feel pretty cheap, tomorrow, over what you say today, if you are against ever doing anything for self.

THE white man is destroying his own educational system, or way of life, and you are helping him to do that. Then where is your educational system and way of life coming from? You Black Brother, should be making preparation to replace his educational system and way of life, after the white man's educational system and way of life has been destroyed.

I and MY FOLLOWERS will do these things, but we will most certainly not forget you for sitting idly by and not helping us. We can get doctors and we can get nurses out of the Islamic world. And we can get doctors and nurses out of the non - Islamic world, without disgracing ourselves for ever asking you to help us to do something for self.

TAKE THIS STATEMENT out of the MUHAMMAD SPEAKS NEWSPAPER and take it home and read it, for what I have said is bound to come to pass, as it has already begun to come to pass.

I thank you for reading this statement and I pray Allah (God) that you will open your eyes and love and unite toward Black self instead of toward a foreign self ... YOUR BROTHER,

ELIJAH MUHAMMAD
THE LAST MESSENGER OF ALLAH,
(God), to you

The Disgrace
