

THE GREAT DAY OF GOD

WE are living in a GREAT DAY OF GOD AND MAN. Allah (God) now Desires to take for Himself to Reign over the nations of the earth.

THERE are two Gods. One god is the god of evil and the Other is the God of Righteousness and Justice. The nature of the two Gods is so much different from one another that it makes it impossible for one God to yield to the other God, because of their nature.

UNRIGHTEOUSNESS and injustice has triumphed over the people for the past six thousand (6,000) years. The unjust god was not one to give up his place for the God of Justice. Well, we cannot blame him since by nature he was made a god — a ruler. But his time is out and his rule is up. He is now in the time of the other God — the God of Righteousness and Justice, Who Will Rule the people in Righteousness, Freedom, Justice and Equality.

SO this is a GREAT DAY — the passing away of one world and the coming in of another world. We have suffered under the evil that the devil was made for. Up until this very minute he wants to do all the evil that he can do regardless to the Bible and the Holy Quran teaching that Allah (God) Will Reward him and me for every good act or good work.

EVERYTHING is being changed from the old to a new thing.

WE MUST QUALIFY FOR THE NEW.

The Benefit Party

WE HAD A BENEFIT PARTY, on Sunday, August 16, 1970, from 6:00 P.M. to 9:00 P.M., at the SALAAM RESTAURANT, located at 8300 South Cottage Grove Avenue, Chicago, Illinois.

WE had a great time and there were great people in attendance. I want to say to all of you who attended and who gave \$10.00 per plate on that day to help us to purchase an EDUCATIONAL CENTER and HOSPITAL for our sick and wounded Black People — that this work of building an EDUCATIONAL CENTER and HOSPITAL will also add to the employment among us. This was not over - looked by those who visited us last Sunday, August 16, 1970 and gave their \$10.00.

AFTER LISTENING to the tape - recording of the testimonial speeches made by these great Black Men of our Black society and of the Black Leaders in the political world — it was outstanding.

WE had a great number of these outstanding Black men at this BENEFIT PARTY. Among these great Black men were Alderman Metcalfe, Judge Alvin Turner, Warden Winston Moore, of Cook County Jail, Mr. Leonard Weir of New York City, President of the NATIONAL ASSOCIATION OF AFRO - AMERICAN POLICE and many others which space will not allow us to mention.

I sit and listen again and again to such wonderful words of credit and commendation of myself, and my followers, in what we are trying to do for the betterment of our Black People, by the Guidance of Allah (God), Master Fard Muhammad, to Whom Praises are due forever. It was so wonderful of the speakers, to speak so well and to give the Muslims and myself such great credit for what Allah (God) Is Guiding us to do. And they wish to help us even more.

OF all of the political speakers Alderman

Metcalfe was the most outstanding speaker, although everyone spoke well, I do believe. I can say this in truth all of the guest speakers spoke well except, Rev. Jesse L. Jackson. Rev. Jesse Jackson, according to the tape - recording that I am listening to, seems to have been very careful that he did not give the Muslims a full credit for what we are doing in the Name of Allah and for our Black People. And Rev. Jesse Jackson is supposed to be a spiritual preacher and according to the tape recording he is a graduate from a Christian Seminary college for Preachers.

I WAS SURPRISED at so many things that he got around to without giving my followers and myself any credit. His subject was based upon what we should get together in doing, while in truth I am already doing that, by the Help of Allah (God).

THERE is nothing that the Black Man can say against the start toward self that I am making. Each step that I am taking, in the Name of Allah is most essential and he would admit this if he wanted to give the truth and the credit to the person.

I AM a spiritual teacher and I am also a commercial man for my followers. I am doing that which is predicted of me and my work in the Bible, by the prophets of the Bible. If you will take a minute or two to turn the pages of the Bible you will find that the Bible refers to me in two - thirds (2/3) or more of its teachings.

I DO NOT want you to pat me on the shoulder unless the honor to me is from your heart. I will let my work do that and the God Who Sent Me.

REV. JESSE JACKSON destroyed everything that went with scripture, the theological teachings of the Bible and of the Seminary College. I have met with quite a few preachers who went to such schools to learn more about the meaning of the scripture. Of course their teacher who taught them is the enemy of righteousness and the enemy of the God of Righteousness. Therefore they were careful not to make you wise to the truth for they know that by nature the Black Man was made of truth.

REV. JESSE JACKSON goes on to say to us that Moses was a liar. I have never even heard an infidel call the Bible's greatest prophet, Moses, a liar. If Rev. Jesse Jackson had studied the theology side of the scripture he would not have dared to call a prophet a liar.

REV. JESSE JACKSON said that Moses was lying when he said to God that he was not eloquent of tongue, to speak to Pharaoh. There is no book

on the history of Moses, by any writer of his history or teaching that claims that Moses was able to speak well, or eloquently. All of the writers agree that Moses could not speak an eloquent language.

REV. JESSE JACKSON claimed that when Moses said he could not speak well, that this was a deliberate lie and that Moses had been a general in the Egyptian Army of the Egyptian government. I have never found a history that said that Moses was in the position of an officer before being called to prophethood and the mission of Moses.

MOSES was the Messenger of God to ask Pharaoh to let Israel go free from the Egyptian Bondage of them. Moses's history, Moses' tongue and language was prototypal of the speech of the Last Messenger of God, and that is myself.

MOSES did not tell God a lie. God knew Moses' mouth. He did not answer Moses and say "Moses you are lying". God did not say this to Moses. He knew that Moses spoke out of fear. God knew that Moses did not speak eloquently. Actually Moses was using his inability to speak well as an excuse to keep from going before Pharaoh. Moses was afraid of Pharaoh.

MOSES had grown up under Pharaoh as the other Hebrews had. He felt insignificant to face the king of the country and he wanted to assure

himself of the Power and the Protection of Jehovah, Behind him to do the job. He shows this in the words, "Who shall I say Sent me? What will Pharaoh Ask me? He may say, Who are you to come and ask me about letting Israel go free. Where will you take them? Where is your country?" As the Holy Quran teaches us that Pharaoh said to Israel, "What does this man have? Where does he have a country to take you to?" He exalted himself that Egypt was his. That the rivers running at his feet was his. He also tells Israel, "I have a place, a country for you. This man has no place for you to go to, so why do you want to leave me?"

TO CALL a Divine Prophet a liar is to put yourself in the same position as the devil himself is in, for he is against God. Throughout the past this is what the devil has wanted to do — to make the people to think that the prophets raised up among the people were liars.

— THINK OVER, a Reverend, a preacher of the Bible and the Christian religion, calling Moses a liar. The Christian religion recognizes Moses as

The Shyless

The Filth That Produces The Filth.

Holy Quran (7:27) O children of Adam, let not the arch deceiver seduce you, as he expelled your parents from the garden, pulling off from them their clothing that he might show them their shame. He surely sees you, he as well as his hosts, from whence you see them not. Surely We have made the devils to be the friends of those who believe not.

This happened to the Black People who followed Yakub from Arabia. He pulled off, from their original Self, the clothes of Righteousness and the clothes to cover their shame; and then made them to go nude in the hills and cave-sides of Europe, until the birth of Moses. You are warned. You believe you are safe in following the invitation to evil and filth of the white race. Wait and see.

The Disgrace

NO MAN!

the greatest prophet of the Bible.

FOR REV. JESSE JACKSON to call Moses a liar, then in his way of thinking, all prophets are liars. A prophet cannot stand in the presence — in the Face of God and lie.

NO, EVEN in the history of Jonah — Jonah tried to escape going to Ninevah for he feared the Ninevites. He yet did not lie to God. But he did try to hide away on a ship — as we call it, as a stowaway. He admitted that he was trying to flee from accepting going to Ninevah because of his fear of the people. The same things was in Moses. He feared to go before Pharoah, as the Holy Quran has the history of Moses that he feared to come before Pharoah before he had gotten the proper Authority and Power behind that mission from Jehovah. But there was never a fault in Moses. It is the worse thing that we could do — to think that Allah (God) would Choose a liar for His Prophet or Messenger. To call the Prophet of God a liar is to call God Himself a liar.

THIS is why the Holy Quran teaches and warns us that disbelief in the prophets is Disbelief in the God Who Sent him. And to call the prophet a liar is to call God a liar, and to do so, you are in for the chastisement from the God.

HOW can a Rev. Jesse Jackson, who calls himself a preacher of scripture and an educated man from the science school of scripture, called a seminary college, tell the people that so great a prophet, Moses, was a liar.

MOSES was outstanding among prophets. Moses was an example or a prototype of the Last Messenger of Allah (God). Moses prophesied that the Last Messenger would be like himself. And Jesus affirmed this. Jesus said the same thing that Moses said. Theologians who write on the history of Moses and the prophecy made in Deu. 18:18 agree that they look forward for such a man as Moses.

LET ME ask Rev. Jesse Jackson, are not we under a similar or worse Pharoah than the Pharoah who lived in the time of Moses? The modern Pharoah in Washington, D.C. is worse for he is wiser than the Pharoah who lived in the time of Moses. He has more knowledge of how to make a more permanent slave .. Therefore it takes a wiser Messenger to deal with such a wise slave master.

NO WONDER Rev. Jesse Jackson did not give me and my followers any credit for he does not believe in God's prophets. According to him, they are liars. And no one has heard of a seminary college student bearing me witness that I fulfill that which is written of me.

REV. JESSE JACKSON, you do not have to make mistakes. My name Elijah, is there in the Bible. It is written that I must come first before the great and terrible Day of God. I am here. I think that you are way off from understanding the time and the work and I would tremble if I would make a mistake and say what you say.

MAYBE there are scientists of the scripture who think that I should just dismiss you as not knowing the scriptures. But I cannot leave Rev. Jesse Jackson like that.

NO. Rev. Jesse Jackson was very shrewd in trying to keep honor of the work that I am doing among the Black Man here on the Southside and throughout America and the world, from coming from his mouth. It is because he longs for this honor himself, as the Bible teaches you, that 'the scribes desired to sit in Moses' seat.' This means that all the non - divinely authorized teachers wanted to have the honor that Moses had. This goes for all the preachers here in America. That is why they do not follow me. But I wait until such is flung on his face in disgrace and shame.

AGAIN AND AGAIN my followers and myself thank you for meeting with us at the party in such way. And the great guest speakers of our city government can rely on myself and my followers as doing the best for them when they run for public office as we desire to see on the South side of Chicago, every capable political Black man in office over his Black Brother. Every Black Policeman should be over his Black Brother here on the South Side. We should even have a chance to run as Mayor of the City of Chicago.

A BLACK MAYOR in office in Chicago, Illinois, would bring an end to the war between citizen and citizen which is now going on and there would be more peace and enjoyment of peace. An army of authorized city officials are backed by their superiors to keep the shooting war going on between citizen and citizen. With a great Black Man as Mayor we would have a better future for the Black Man on the South Side of Chicago, Illinois. There would be more contentment between Black Brother and Black Brother.

I THANK you for visiting us and voicing your opinion of our work which we are doing in the Name of Allah (God) for the betterment of our Black Brothers and Sisters and their Black children. AS-SALAAM-ALAIKUM (Peace to you all).

ELIJAH MUHAMMAD,
Messenger of Allah,
to you all.
