

Holy Quran

By ELIJAH MUHAMMAD
Messenger of Allah

Holy Quran Ch. 2:212 "The life of this world is made to seem fair to those who disbelieve, and they mock those who believe. And those who keep their duty will be above them on the Day of Resurrection. And Allah gives to whom He pleases without measure."

IT is true today, that our Black People are all but drunk on the life of this world (devil's world). Our Black People are called to return to their own and to heed the warning of the warner that these are the Days of Judgment of this world (white man's world). They are nearly insane and their brains can hardly receive the warning when you try to tell them that this world's life (devil's world) is short-lived. They think that that which the devil offers to them is better than that which Allah (God) offers to them. Therefore, they seek a place in the devil's world. They already have a place in his world.

THEY make a mockery of the Muslim, the bearer of truth. The Muslim disbelieves in the devil and in untruth.

THIS PARTY, (the Muslims) are gradually raised to honor and eminence in the very eyes of the mockers and disbelievers.

THE hearts and minds of the disbelievers are so absorbed in the evil and indecency of the world of the white man that their ears cannot be reached with truth.

THE civilization of the white man will bring them to the most filthy, unclean and disgraceful practices that man and woman ever practiced since they have been on the face of the earth.

THE leading Black educated class is walking around in civilization like a jungle savage, half nude. They are using drugs and other means to keep them from recognizing and respecting the knowledge of a refined society of civilization.

IT causes Anger to the God of Righteousness for anyone to make mock of His Righteous Servants. In the days of old, He Punished all who mocked His Servants. The mockers of this modern day will not escape the same punishment.

THE Black Man and Woman who disbelieve in decency and righteous practices do so because of advantages.

I WARN you that the Holy Quran bears witness that this world's life of sport and play and gaiety among you is short-lived. It will soon turn into weeping and moaning to those who live such lives.

THROUGHOUT the earth, and especially in North America . . . the earth and its inhabitants are hourly being destroyed.

THERE is no hope for a future in the enemy of righteousness for the Black Man and Woman. You cannot run today and get strength from the devil against Allah (God) and His Truth. NO!

TODAY, the devil cannot get help for himself, so how can he help you against the God of Power? The devil is your open enemy and he would not help you if he could.

TURN to Allah (God) and Come follow me, ELIJAH MUHAMMAD.
