

INDIANS IN AMERICA

What is the future?

ALLAH (GOD) Who Came in the Person of Master Fard Muhammad, To Whom Praises are due forever, taught me, that the Indians, who are so called American Indians, are descendants from an old Ancient People, the Black Man of Asia, in that part of the country that is known as India. They are by no means a modern people.

THE INDIANS, who are here in the Western Hemisphere are non-American, therefore I use the word, so-called American Indians. They were captured and subdued by the Americans, but this does not mean that they are Americanized.

THE SO-CALLED AMERICAN INDIANS, so Allah (God) Who Came in the Person of Master Fard Muhammad, To Whom Praises are Due forever, taught me, were exiled from their native land (India) and people, 16,000 years ago. They migrated, by walking from the country that is now known as India and entered this country, by way of the Bering Straits.

THEY WERE DRIVEN OUT OF INDIA because of their unbelief in Allah and their failure to worship in His True Religion, Islam. They had to walk all that way because their fathers rebelled against Allah and His Religion, Islam.

THEY SUFFERED for a long time trying to get into this part of the earth. Imagine, if you would start out to walk to America through the Bering Straits to India, you would probably never reach there alive. To even walk across the continent of America would probably get a man for life. So imagine these people walking

IN THE NAME OF ALLAH, (God) MASTER FARD MUHAMMAD TO WHOM PRAISES ARE DUE FOREVER for His Divine MESSENGER MUHAMMAD and His Divine Message!

WE are rerunning some of the old articles of MESSENGER MUHAMMAD. MESSENGER MUHAMMAD has worked himself until now he is TIRED and he needs a rest. WE have been persuading him to rest.

OVER the years, we have had a tremendous number of requests for MESSENGER MUHAMMAD'S article on "THE INDIANS IN AMERICA" because it contains wisdom and knowledge that we had never been able to obtain from studies of scholars all over the world or in our pursuit of education in the educational system of white America.

UPON reading this Masterful Article by MESSENGER MUHAMMAD, we learn why

the scholars and white America did not teach us, for even their most learned scholars did not know the answer, for MESSENGER MUHAMMAD teaches us that the INDIANS have been here in America, Exiled by Allah (God) for 16,000 years...and since the devil was made only 6,000 short years ago, the INDIAN'S Exile occurred 10,000 years before the devil (white race) was even MADE!

WHAT a Divine Educator, we have in our Black Brother MESSENGER MUHAMMAD. MESSENGER MUHAMMAD makes us proud and happy to RECLAIM OUR OWN and JOIN onto our Own Holy Nation of Islam and follow our Wise MESSENGER MUHAMMAD!!! COME UNITE! COME UNITE! COME UNITE! WE MUST UNITE...WITH MUHAMMAD!

MESSENGER MUHAMMAD TEACHES US that:

thousands and tens of thousands of miles to get into this part of the earth. It takes a long time.

THEY HAD TO TAKE SUCH terrible chastisement due to the spirit of Allah (God) against these people, because of their disobedience to Allah (God) and His Religion, Islam.

THE SO-CALLED AMERICAN INDIANS were completely guideless. Allah allowed this to happen to them because of their disobedience. They built many kinds of gods with their own hands and bowed down and worshipped the work of their own hands as they are still doing in India, today. They are not successful in India, except those who turn to Islam.

AND SINCE the Western Hemisphere became a prison exile for the American Indians, Allah (God) sent another exiled enemy (white man) to chase this (Indian) exile and to bring him into subjection to the late white exile and give the Indians another whipping.

HERE IN AMERICA, the white man has almost annihilated the Indian from the face of the earth. I want you to see into the work of God upon a people who refuse Him, as the so-called Negro in America desires to do, today. They ignore Allah (God) and follow an exiled enemy of God.

THE AMERICAN WHITE MAN is an exile from Arabia. They were exiled into Europe 6,000 years ago because of their disobedience and causing dissatisfaction, fighting and blood-shed among the righteous due to their spreading lies between the Muslims. That is what they were made for.

THE SO-CALLED NEGRO in America came into America in a much different way than that of the Indians and the white man. We were not exiled from our native country and people. We were kidnapped by the white man and brought here by force, against our will, for the purpose of evil slavery and mistreatment.

THE SO-CALLED NEGRO has

THE FUTURE of the INDIANS IN AMERICA is one of the greatest futures—so great that the average person would not believe it if they were told!

THE INDIAN IN AMERICA was robbed of his country...but, still the INDIAN was not doing anything like trying to make a civilized place with thriving industries here, as the white man has done.

THE white man took the INDIAN'S home and made it a tempting country for all of the civilized people of the earth, as the white man did Europe.

EUROPE was a wilderness, but, the white man turned the wilderness of Europe into a Garden of Eden. So did the white man turn the wilderness, the Western Hemisphere...the INDIAN'S home...into a Garden of Eden. And people migrated from afar to see the glorious wealth that the American white man has

produced. The white man tempted the world with his wealth, and God blessed them!

BUT, after the white man being Blessed...the white man gave not the God of that Blessing...credit!

BUT, the worst thing that the white man did was to take God's Black People from their native land and bring them here and mistreat them (us) with the worst kind of mistreatment that a man could imagine. Such terrible evil has the white man poured upon us, his poor Black slave, until, no one could equal his evil treatment of us.

AND the poor old INDIAN—the white man all but annihilated the INDIAN in his own home! But, as the Book, (the Bible) has declared... "AS THOU HAST DONE, SO SHALL IT BE DONE UNTO THEE."

in the Western Hemisphere. They are mixed with the blood of this people and that people, but if you notice there is a trace of the blood of the Black Man in most of them.

WE WANT TO UNITE the scattered tribes of the Black Man into one Nation and build for ourselves a strong Nation.
