

OPPOSITION TO TRUTH IS PUNISHED

IT is manifestly clear to the average person and he can plainly see that the Lost-Found Black People in America actually oppose the truth of their own salvation. They love the made-enemy of the truth (white race) as the Holy Quran Chapter 43: 36-43 teaches us:

36 "And whoever turns himself away from the remembrance of the Beneficent, We appoint for him a devil, so he is his associate.

37 And surely they hinder them from the (right) path, and they think that they are guided aright.

38 Until when he comes to Us, (Allah), he says: O would that between me and thee there were the distance of the East and the West! so evil is the associate!

39 And as you did wrong, it will profit you naught this day that you are sharers in the chastisement.

40 Canst thou then make the deaf to hear or guide the blind and him who is in clear error?

41 So if We take thee away, still We shall exact retribution from them.

42 Or We shall show thee that which We promise them—surely We are Possessors of power over them.

43 So hold fast to that which has been revealed to thee; surely thou art on the right path.

THE BENEFICENT God wants to sit you in heaven at once, but you are not in love with Him, therefore He Appoints the devil people as an associate, for those among you, who refuse to accept the truth and salvation of Allah (God). They love the enemy (white race) and have taken him for a guide, so Allah (God) Gives you this associate (white race) so that he may help you to go to his doom with him. So

the truth is made manifest that the enemy is the loser and those who follow the enemy are the losers. Then the 38th verse prophesies that you will say: "O would that between me and thee (devil) there were the distance of the East and the West!" You do not want his association then, because you are chastised and punished for refusing to accept the truth. This chastisement is the hell of the Black Man. The Black Man must be chastised; not actually killed, so that he may submit to the truth. We as parents chastise our children to force them to obey us in that which is good for them since we know that they do not recognize the good that we are trying to rear them in. They do not recognize the good because of their undeveloped knowledge of their future.

Verse 39 then puts the blame where it belongs; it is on you. After hearing the truth and seeing the manifestation of the truth and then opposing the truth, then the Divine Law is that you SHOULD suffer the consequences and Divine Chastisement is sure to overtake you, but not a total death; however in chastisement you will wish that you were dead under such chastisement.

DISBELIEVERS WARNED

AS you find in Chapter 64:2

2 He it is Who created you, but one of you is a disbeliever and one of you is a believer. And Allah is Seer of what you do.

THIS is true and it is manifested today in the spreading and manifestation of Divine Truth that there arises differences between even the near of kin—mother and daughter—father and

son—sisters and brothers and friends. There were those whom we thought were our friends until the truth came. Today the House of Islam causes separation and this is what it is prophesied that the truth will do for us in the Day of the Judgment.

JESUS also prophesied of a great separation and that the members of families would be divided up one against the other—one a believer and the other a disbeliever and the disbeliever becomes the open enemy to the believer although it may be his son or daughter, husband or wife. So Jesus prophesied, "One will be taken and the other will be left," and again he makes the clear reference to the work of the Day by Allah (God). In referring to Allah (God) Jesus uses himself and in these words says, "Think not that I am come to send peace on earth: I came not to send peace, but a sword," and "to set every man at variance against each other." This is the separation. Allah (God) Came to point out the evil and the good to us, so that we make no mistake in what we do in our acceptance of either truth or falsehood. We see on His Coming that the whole world is divided, one against the other.

I WARN you to come follow me so that you may live in peace of mind and contentment.
