

# THANK YOU TO MUSLIMS FOR SAVIOUR'S DAY GIFTS

I, thank the Muslims, both nationally and internationally for the great Saviour's Day Gifts to me and to my followers.

I received some of the nicest gifts that I have ever received in my life from my followers, on Saviour's Day. They were the nicest gifts that I have ever received from anyone, in my life.

I received many expensive gifts. At this writing, I have on a shirt that is so expensive—it is the most expensive shirt that I have ever had on my back, in my life! And my back feels odd with such fine shirt on!

I would not have bought such fine shirt, if I had received the money from you. I would not have put the money in that fine a shirt, as the price of the shirt could have bought a suit of clothes, for one, (smile).

I was not born under wealth. I was born a poor man and for God's Sake do not give me such fine things as you gave to me this time...but THANK YOU and THANK YOU and THANK YOU!

THE BEAUTIFUL JEWELS...of which I never did care too much for jewels, but I love the fine and the great jewels which you gave to me, in the way of a Saviour's Day Gift.

AND the suits of clothes that you gave to me. I do not know who slipped and measured me while I was asleep, but whoever measured me, they were expert. O, Brother, I do not know how to thank you...even to socks and ties...it is wonderful!

ALL the way down from dress clothes, to pajamas, to automobiles. What love...I could never forget you as long as I live, for such Saviour's Day Blessing.

WHEN it came to cash...you were so great! I could not imagine you having so much cash to give to me and the Nation's Temples and followers.

But, you did it!

PLEASE do not forget, that I will never forget, that you did one of the most wonderful things that you ever have done, last Saviour's Day!

AND Allah Blessed us with Peace and Security, that the world can say with truth, that Allah Has Visited us to Bring Peace and Salvation to us, from what we experienced of our God, on Feb. 26, 1973.

OUR GOD, Allah, MASTER FARD MUHAMMAD, to Whom Praises are due forever, Showed Forth His Love and Security, for we, a down trodden people, who are hated by the world. We forever Thank Him.

THANK YOU, again and again. We thank you also for helping us with our farms, because the farms are so needed, by us. We need to grow our own food, for we see FAMINE peering over the land.

LET US, do like Josphe (Bible) and save all of the food that we can. And let us pray to Allah (God) to Bless us, to Save us through the many crises of the world!

WE cannot interfere with God's Plan, because as one scripture tells us, 'we cannot make one hair of our head black nor white.' And let us remember again that we cannot make mockery of that which God made with a Purpose, Himself.

My Black Brothers and Black Sisters, our greatest work today is to do something ourselves and stop looking and thinking over what other nations have, and do something in the way of a nation, ourselves.

I THANK you to help to build a Black Nation in the United States of America... one that is industrious enough to do something for ourselves.

GET OUT of laziness! Let us Black People

WORK together as one Black Brother!

MAY Allah's (God's) Peace and Blessings be upon you forever!

## THANK YOU TO THE PRISONERS

ONE of the greatest donations that I have received in the way of a Saviour's Day Gift...it is a donation from the prisoners of our kind, who are bound.

I NEVER in my life, thought that prisoners would come up with such help to free Black Brothers and Black Sisters! But, we were given presents out of the prison houses...presents from those who are bound!

NEVERTHELESS, behind the prison walls, the prisoners love Allah (God) and they know that they are Black People who have been lost from their/our own and now they are coming to their own, through the Power of Truth, Freedom, Justice and Equality, from Allah (God) Who Came in the Person of MASTER FARD MUHAMMAD, to Whom Praises are due forever.

MAY WE SERVE and OBEY MASTER FARD MUHAMMAD, to Whom Praises are due forever, so that His Guidance and Power be with us, forever. And never forget to Thank Allah.

I THANK THE F.O.I. and the M.G.T. & G.C.C., for the blessings that they bestowed on me, in gifts.

MAY ALLAH's (God's) Peace and Blessing be upon you forever!

Your Brother  
ELIJAH MUHAMMAD  
MESSENGER OF ALLAH TO YOU ALL!
