

Unalike Attracts and Alike Repels

By Elijah Muhammad

Messenger of Allah

Mr. Yakub was the father and maker of the Caucasian race (devils). In order that they would be successful in deceiving and ruling us (Black Nation), he had to make his people unalike with some attractions, to attract us. We had never seen a people who were white (pale) with blue eyes before the making of this race (Caucasian devil).

HE TAUGHT them tricks — superior tricks — to play on our people, referred to as "tricknology". Being unalike and capable of attracting us, this attraction (unalikeness) put nine tenths of our Nation under him, as taught from Allah, in the Person of Master W. F. Muhammad.

Even after having knowledge of this evil non-kin, some of us still love them and want to continue to mix with them. It is very dangerous for us to try and play with his tricknology, lest we

find ourselves trapped in his net and from the net, dragged into the lake of fire.

Our people are so deceived today, and it is so hard to get them to pull away from this unalike person, due to their great attraction of being unalike. But, after knowledge, we should exercise that knowledge and keep away from this people by means of repelling unalike from alike. We are alike, and let us remain that way.

IN THE beginning, we were one people. Now today, from the work of Mr. Yakub's grafting and setting up of birth control law, we are many different races and people.

The birth control law destroys one race to make room for another and reduces the increase of the Nation.

We, the Original Black Nation, have all but been destroyed from our original likings, beauty, strength, power, wisdom, knowledge, and perfect understanding,

through the past six thousand years, by this cruel and evil enemy race, that was made to try at ruling and destroying the Original people (black people).

We have been robbed almost completely by our enemies who were given power to rule us and who did not stop at ruling us, but killed and destroyed the beauty and appearance of the Black people.

TODAY, THEY PLAY the same trick that their fathers played and taught them six thousand years ago. He taught them "deceive the Black man, destroy him if you can, and take over the earth with the rule of unalike people" (white race).

Let alike unite and repel unalike. Accept your own!

She (America) deprived them (black people) of the knowledge of self, the white race, their own people and their religion.
