

WHAT IS ISLAM? AND

ISLAM is something new to our Black People in America and these two questions are often asked — WHAT IS ISLAM and WHAT IS A MUSLIM?

THE Arab name, ISLAM, which means Entire Submission to the Will of God in His Religion, is what confuses the question. The Arabs call it Islam, which means 'to submit to the Will of God'.

OUR Black People were brought up by the enemy, white man, who did not want us to ever know anything about Islam because once the Black slave learned Islam, he would never be a slave anymore.

YOU can probably enslave a weak Muslim — one who likes the life of the wicked world of the devil. One who likes the life of the devil will not care for Islam, although you try to teach Islam to him. He is all but drunk and suffocated with the cares of this world of the wicked white race. It is hard to teach such a person righteousness.

ISLAM has many significances to it. ISLAM IS WISDOM. ISLAM IS GUIDANCE OF GOD FOR MAN. ISLAM IS THE ONLY WAY OF GOD. Islam is called a religion, although Islam is not a religion. Islam is referred to as a religion due to the many hundreds of various kinds of religions practiced today. These various religions have captured the minds and hearts of the people, to believe in these religions, because they allow the people to practice the evils of this world's life.

ONE who continues to practice the evils of this world's life is called a weak Muslim, or a weak believer.

ISLAM, as one of the scientists put it — is the sun of Law and Truth to outshine everything that goes for religion. Islam does not confuse the seeker, nor does Islam confound the believer. Islam is simple. This is why the sign of Islam is representing the sun, the moon and the stars.

ISLAM, the Divine Duty of Man ... he has it in the universal order of things. The Black Man has the right religion as there is no other religion that you can believe in, or read of, or know of, that has the truth of that religion backed by the universal order of things. Only Islam is backed by the universal order of things.

THIS IS WHY it takes much tricking and tempting of you, by the devil to pull you away from Islam, once you begin to believe in Islam. Once you begin to believe in Islam, it is very hard to change you.

MANY times the weak Muslim will

try to practice the evil of the devil, but he will not make a good actor as long as he knows Islam and is one of the believers of Islam.

THE white man — the evil race of people, knows Islam, but by nature they were not made to believe and to teach Islam. There are a few white people who believe Islam as sincerely as real Muslims do. These white people will see the Here - After or they will be around for a long, long time. But the white people and the Black People who oppose Islam will be cut off, and they will be cut off, soon.

ISLAM IS RIGHTEOUSNESS, ISLAM IS JUSTICE. ISLAM IS EQUALITY, ISLAM IS FREEDOM. Islam is everything that the created man needs.

THE BLACK PEOPLE in America are by nature, born Muslim. The enemy, slave - making devil, deprived the Black Man in America of the knowledge of himself. Accordingly, they have deprived the Black Man in countries other than America, of the knowledge of self.

AN eye of luxury is the first thing the Black Man looks at the white man with. This is why the white man's luxury must be brought to a naught. This is done to relieve the Black People who are in love with the white man because of his wealth and luxury.

THE white man got his wealth and luxury from the labor of the Black Man. The white man enslaves all who believe

in him. The white man makes the Black Man work for him for little or nothing.

THE Black Man of Africa ... the white man has robbed them of their good land which holds wealth in it. In Africa, the white man became the master over the wealth and he put the poor Black African to slave for little or nothing, to dig the wealth out of the earth and give it to the white man. Some of the poor Black African workers cannot change clothes. They do not have enough money to buy a change of clothing. They have to wash and dry their clothes so that they can wear them the next day, until the garments are worn out. Think about it — working for 16 cents and 20 cents a day. When could he ever buy a suit of clothes with that salary? The Black Man in Africa is pitiful, as the Black slave in America was, once upon a time.

NOW, THE ENEMY will make the Black slave in America look dignified like himself, in order to fool the Black African and other natives of the world of Black Man. They do this to make these other

Black Men fall for the white man's tricknology.

IN America, on the streets and in traffic, you cannot tell the master from the slave. The white master sells the Black slave his fine automobiles, if he is able to pay for them. They both look alike with fine clothes. This is to trick other Black People, to follow the white man.

WE MUST REMEMBER that the Jesus foretold the rich and wealthy man and the poor man under the parable of Lazarus and Divers, the rich man. But the end came to both. The end came to the wealth of the rich man and an end came to the poor man's lying down and wishing and grieving for the wealth of his master.

THEN like a modern Samson, he got angry and he wanted to pull the building down, even if he had to go down with it. He is well angry with the white slave - master when he wakes up and learns that he has been robbed so thoroughly that he does not even know himself.

THE Black Man in America has a wonderful chance to be set in heaven at once; and not in hell — if he will accept the opportunity, by accepting Islam. ISLAM IS THE NATURAL RELIGION OF THE BLACK MAN .. ISLAM IS THE NATURE IN WHICH THE BLACK MAN WAS CREATED. The Black Man was created in the nature of righteousness and not in the nature of evil.

I do not care what you say about the Black Man he is not an evil man, by nature. The Black Man is good, by nature, and all you have to do is strip off that which is not himself. The Black Man, being born under and nursed by the enemy — the enemy will make you to be like he would like you to be. This is what has happened to us, The Black Man in America.

JUST think of how much love the Black Man and the Black woman of America has for the white people. You can hardly get the Black Man on the road to self. The road to self is an unlimited road, but the white man has fascinated the Black Man with wealth and luxury and the Black Man is not looking to do anything for self. He wants his self in the white man, just for the sake of temporary luxury.

THEY are satisfied just to work for the smile and the look of friendship of white people. The snake smiles at his prey until he gets him within his reach,

WHAT IS A MUSLIM?

and then he swallows the prey. And in the Bible, there is a place where it teaches us that God Will Bring Out of the dragon's belly that which he has swallowed.

NO where in the Bible is the white man referred to by a good name. The Book begins with the white man symbolized as a snake in Genesis, and it ends with him as a snake, in Revelations.

WHY style the white man as a snake? He has the characteristics of a snake. By nature, the snake will let you know that he does not like you. When the snake looks at you he begins to stick his tongue out. This is a warning that he does not like you. And the snake has a forked tongue and not a straight tongue. This warns you that he is something that is compared with a human being that also has a forked tongue, who tells lies on one side and the truth on the other side. But he keeps the lie going stronger than the truth. So the forked tongued person is something, which by nature it is not good to take him for a friend.

IN THE NATURE of the white man, he has a forked tongue. He will talk truth with you and he will talk evil with you. This is what is called tricknology. He lies to you in one word and tells the truth in another word to keep you thinking that he is a friend of yours, by admitting the truth in one word and following it with a hundred more words that are other than the truth.

THE white man knows that by nature you are one of the righteous and if he can get you to believe him then he laughs at God and says, "If they follow me, you do not own them." Today, he would like to take all the so-called Negroes to hell with him by fooling them into thinking that he is a 'good adviser' to them, as the Holy Quran teaches you and me, in the 7th Surah. But when the show-down comes he denies that he is guilty of misleading you. He says that you misguided yourselves, "Had not, from among yourselves come a warner, a Messenger, warning you of these — Your Days?"

REMEMBER these words "Your Days." Black Man, these are *Your Days*. The white man's days are gone. As I have often said, I do not blame the white man for using the very nature in which he was made. It is the god of these white people who is to blame for making such a people. And the white man obeys his god. Everything you see him do he is made to do it. If you, Black Man, follow the white

man you are to blame for the consequences of your following an open enemy. The white man is not a secret enemy; he is an open enemy.

ISLAM is the only thing that can take our Black People into self again, after six thousand (6,000) years away from self. We had four hundred (400) years here in America, as a regular experiment - people, to be experimented on by the devil.

BLACK WOMEN SHOULD be made to stay away from the devil. And when enough Black Men believe in Islam they will keep our Black women out of the presence of the white man. The white man feels so sure of the power he has of tricking the Black Man, that day and night you see Black women on the television programs dancing around and doing his bidding in the public. These Black performers do not care anything about what you are trying to do to unite our Black People together. They do not care what you are trying to do to make the Black World love them. They do not care, and for the sake of a dollar they will destroy their own self for they do not know self. If the Black woman knew herself she would not dare allow herself to be destroyed by the devil.

WE have to teach the Black Woman herself. We are responsible for her knowing herself. Will you help me to make known the self of the Black Man and woman?

WHAT IS A MUSLIM? As I have foresaid, Allah (God) in the Person of Master Fard Muhammad, to Whom Praises are due forever, has taught me that all Black Men, Black women and Black children are Muslim, by nature. They are from the righteous. This is why the Bible teaches you under the name of Israel, that they will all be saved. Naturally the white man would not teach you that this is referring to the Black slave, the Black Man in America.

Also, in the Bible, you have the parable of the bones waking up and uniting together and assembling a frame of bones. Then the lessons teaches you that they all did live.

THE HOLY QURAN, a later Book than the Bible verifies the Bible parable by teaching you and me that Allah (God) Gave Life to all. He called them once and they all stood up. The Bible has it symbolically that when the loud trumpet sounded, they all will wake up.

BLACK BROTHER AND, Black sister, you are by nature one of the righteous but you have been robbed of your righteousness and made to live unrighteousness until now you will be whipped into submission, by Divine Will and Power. You will be made to accept yourself.

THERE is no limit to the Nation of the Black Man. The Black Man will endure forever. God Himself Is With us. Let us submit to Allah (God) and live forever.

WHAT

THERE ARE hundreds of writers of both the orthodox world and the occidental world on WHAT IS ISLAM? All of these writers theorize on WHAT IS ISLAM?

THE TRUE meaning of WHAT IS ISLAM? has been revealed but it has not been preached to the clear understanding of the reading - public, by the scholars and scientists of Islam.

I QUOTE, the Holy Quran Ch. 30:30, as translated by two different writers, Maulana Muhammad Ali and Allama Abdullah Yusuf Ali (better - known as Yusuf Ali). Both of these writers have done very good jobs of translating the Holy Quran into the English language. However, they both agree that they do not always have a word in the English language to give to the reading - public for the explanation of the Arabic word, given in the Holy Quran. But as I foresaid they did a good job but they did not do a complete job, of making us to understand this Ch. 30:30 of the Holy Quran.

MAULANA MUHAMMAD ALI'S translation into the English language comes nearer to the real truth of the meaning of this verse than does the Yusuf Ali translation.

THE YUSUF ALI translation of Ch. 30:30 of the Holy Quran goes like this,

"So set thou thy face Steadily and truly to the Faith: (Establish) God's handiwork according

To the pattern on which He has made mankind: No change (let there be) In the work (wrought) By God: that is The standard Religion: But most among mankind Understand not."

YUSUF ALI makes it clear in those last words that understanding is only by a few persons, when he says, "Most among mankind Understand not."

YUSUF ALI in his translation makes this verse to be directed to man - kind. Man - kind is the white race. Therefore this is incorrectly directed by him, for Islam was not made for a standard religion for the white race to obey. But if members of the white race have faith in this true religion, Islam, then they must obey the Law of this religion, Islam. This, as a whole, the white race cannot do. Only a few of them can obey the Law of Islam. The white race knows right, but by their nature in which they were made, their nature is opposed to right, for they are not made in the nature of righteousness. Man - kind, the white race, was made in the nature of evil, and Islam was not designed for them.

MR. YAKUB, his god, who made the white race, did not make the white race in the nature of righteousness. Therefore, Islam, being a right way of man (original Black Man) that man (original man) cannot be referred to as the white man, for his translation of the verse clearly

distinguishes the white man, in these words, "man - kind".

THE religion is misrepresented in the translation of Prof. Yusuf Ali. If Islam is a right religion, and it is, and if we must 'lift up our faces' as the physical side mentioned here in the Holy Quran, Ch. 30:30, that we are quoting, then our nature must be that nature which is inclined to give attention to the attraction of righteousness, which is Islam. But if it is the 'standard' .. standard is used to describe something temporary, and something temporary has an end to it. We could use a word to make it 'unlimited' so as not to confuse the public - reader in the use of the word, 'standard', for Islam is unlimited and not a temporary thing.

THE READER should be made to understand that Islam is the nature of you, (Black Man). Islam is not something that is set up and that we should adhere to as a standard of the time.

BUT since Islam is referred to here as a religion, then it is an unlimited thing. So we cannot use the word 'standard' and other short - ranged words that are used by the English language for the teaching and explanation of Islam. For English is a limited language and Islam is unlimited.

BEING under the rule and guidance of man - kind (white race) — he has mislead the original man (Black Man) in the very language and words of his (white man's) language, if we take them for our guide when it comes to Arabic and especially the Islamic religion. We have to be awfully careful that we do not make a mockery of something due to our trying to get the attention of man - kind.

FOR hundreds of years it has been the work of scholars of Islam to try to attract man - kind (white race) to try to convert the white race into Islam. There are thousands, millions of white people who believe Islam is the truth, and they know that Islam is the truth, and the true religion.

IN the last article of MUHAMMAD SPEAKS newspaper, I explained to you that Islam is not a religion. It is the nature of a people (original Black Man)

THIS IS ISLAM?

— therefore it is not a religion.

IN the Holy Quran Ch. 5:3 in Allah's teachings to his messenger and those who will follow him "This day have I chosen for you Islam as a religion." He uses the word 'religion' for we are used to having a religion and it is familiar to us. However Islam is not a religion but 'religion' is common to us. If someone gives you something to replace something that you are used to, what one gives you as a substitute is not really that which you are used to, it is something to *replace* that which you are already accustomed to calling something else.

THE Christian world of the white race has made so many religions out of one religion until everybody refers to the preaching and teaching of righteousness as some kind of religion.

ONE preacher may pull out from the main body and name his preachings "Hard Shell Baptist". When people start following that religion they call their church the "Hard Shell Baptist Church".

THE Christian religion is carved up into so many different beliefs that they call denominations, until the seeker who wants to join a church in Christianity would not know which one of the denominations he should choose in order to be on the right path. And even the denominations oppose each other although they are both in the same religion.

TODAY, in Ireland and England they are fighting and going to war, protestant against catholic although they are both in the same faith, christianity. Christianity is now fighting christianity all over the country of America, in which we now live. One preacher is jealous of the other.

THAT IS why they have it that the head of the church is a 'father', who is placed in Rome, Italy (The Pope). He is the father of the church which is opposed to Islam and the Mosque of Islam and the believers of Islam. Each faith is opposed to the other.

TODAY, is the showdown between the truth of each religion, Islam and Christianity. Islam, being the truth and the nature of God Himself, makes it

absolutely hard for any religion other than Islam to stand before God.

The Holy Quran Ch. 3:84 (Maulana Muhammad Ali) teaches us that on the Day of Resurrection if we come before Allah (God) with another religion other than Islam it will not be accepted. Then what are we saying in these words? We are saying that the God of the Resurrection Is the God of Islam and He Defends Islam and He Does Not Defend any other religion. And there is not another God with the Wisdom and Power to contend with Him about Islam. Nor is there one who would be able to overcome Him and set up another religion, other than Islam.

But Allah (God) Makes it clear that Islam will dominate the world of man (aboriginal Black Man). You say, Muhammad, are you challenging the scholarship of Yusuf Ali? I am challenging his translation if he means what he says in his translation — then he is wrong if he says Islam is for man - kind and that man - kind's very nature is for this religion, Islam. The truth of it is man - kind was not made for Islam. Man - kind was made the enemy of Islam and he was made to oppose Islam.

But MAN (original Black Man) by nature was created, Islam. The Black Man is Islam, himself. The father of the Black Man, is the Creator of that Islam.

WHAT IS ISLAM? The Creator of Heaven and earth — His Nature was Islam, so by His Nature He Commands the creatures to bow to that in which He Himself, Created Himself, in.

THIS is why in the Bible and in the Holy Quran it teaches us that God Is always the Same and He Tells us that 'He Changes Not.' Therefore Islam cannot be changed when it comes from God the Creator for He Is the One to Demand us to follow and obey Him. This is what Islam really is, obedience to the Divine Creator's Law (entire submission to His Will).

BUT we have to be careful today so as not to confuse the two people, the white race and the Black Nation. The reason why the Orthodox world

That Produces The Filth.

(7:27) O children of Adam, let not the ever seduce you, as he expelled your parents garden, pulling off from them their clothing might show them their shame. He surely sees well as his hosts, from whence you see them. We have made the devils to be the friends who believe not.

happened to the Black People who followed from Arabia. He pulled off, from their original clothes of Righteousness and the clothes to cover them; and then made them to go nude in the cave-sides of Europe, until the birth of Moses. are warned. You believe you are safe in following invitation to evil and filth of the white race.

The Disgrace

confuses the issue of the two people (Black and white) is because since the white man (the opposer of Islam, the truth) has been in power for the last six thousand (6,000) years and Allah (God) Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever, taught me, the white race has ruled (up to this day) ninety per cent (90 per cent) of the population of the planet earth. This is a mighty great power over a small minority of 10 per cent. And the white man has been at the head of Imams, Kings and Prophets. Many times these Imams, Kings and Prophets have been directly under the power of the white race with only a little of the true word and teachings of Allah coming from them.

BUT the writer of the translations of the Holy Quran, regardless of his color, means good, but he just lacks the knowledge in how to put it before the two people (Black and white) today.

DO NOT get the understanding that I am trying to discredit the great Master Scholar Allama Abdullah Yusuf Ali, (C.B.F., M.A. LL.M.) in his translation of the Holy Quran (Publisher and Bookseller Sh. Muhammad Ashraf, Kashmiri Bazar - Lahore Pakistan).

THE publisher calls his translation the "Textless Edition of the English Translation of the Holy Quran."

SINCE we have lived under the power of the white man for six thousand (6,000) years, naturally the Black Man did not rule in those six thousand (6,000) years. That is why the white man got almost the whole of the original Black Nation, following the white race, who is opposed to Islam and the God of Islam.

THEREFORE, we cannot blame the writers and authors of this phase (teachings) and that phase (teachings) of Islam too much, for most of them (90 per cent) were of the blood of the white race, man-kind.

FOR INSTANCE, a white scholar of Islam has never come to us, the Black slave of white America, trying to teach us Islam. Not in the whole of the four hundred (400) years that we have been here. The white scholars of Islam have shunned trying to teach us because they considered us something that was worthless and there was no power in them to make us of worth.

SO we, the Original Black people were by-passed and their (white scholars of Islam) brother, the American white people, were opposed to them and the white American would send them back where they came from to prevent them from trying to teach his Black slave, Islam. The scholars of Islam knew that once Islam came to the Black slave the white man could not rule his Black slave any longer. Islam would give the Black slave the power to oppose the white slave-master and Allah Would be the Master of the Black slave and not the

white slavemaster, master of the Black slave.

THEREFORE if the Black slave had the knowledge of Islam, and was a believer in Islam, the white slave-master could no longer keep the Black slave obeying the law of the white slave-master. But the truth, Islam, was kept back from the Black slave so that Islam would come in due time, in the time of the

rule of the Black Man. If Islam had been permitted to come earlier, it would have come in the time of the six-thousand (6,000) years in which Allah (God) permitted the opposer (white race) to rule.

IF Islam had come to the Black slave before the time of rule of the white slave-master was up, then the slave-master could have successfully opposed Islam, for God Had Given the opposer (white race) a time for him to rule. Therefore God would have interfered with one who interfered with the white man's time to rule, for one interfering would have been interfering with the time that the God had given the white man to rule.

NOW, it is time that the truth, Islam, can and should be preached to every original Black Man in America and then to the world of the Original Black Man.

WHAT

(Continued from last issue)

PART III

ACCORDING to MAULANA MUHAMMAD ALI'S translation of the Holy Quran Chapter 30 verse 30 is as follows:

"So set thy face for religion, being upright, the nature made by Allah in which He has created men. There is no altering Allah's creation. That is the right religion — but most people know not —"

THE aim of the 30th verse — the very words used, "Set thy face for religion, being upright, the nature made by Allah in which He created men." — Note the writer says, "...the nature made by Allah in which He has created men." If we are the creation of Allah, then we are from Allah and the very Nature of the Creator is in His Off - spring or in His creature. However, we do not use the term that we are the 'off - spring' of Allah.

Allah, Being the First of the Creation — Self - Created or Self - made and we being of Him, — that makes us Self - Created. Then, if we have the Nature of the Creator, in which He was Created or Self - Made — then this Nature cannot be denied or altered (as the writer uses the word, 'altered'. — although there have been many attempts made by the made man (white race) to alter the very nature of the Created Man (Black Man).

THE WHITE race has tried to change the Black Man's very nature, which means changing his very religion, in which the Black Man was created. This is all that is necessary to give to you, in the most short and the most direct way, the meaning of Islam.

FOR, if we, the Black People, have been ordered by the Created One, our Father, to Submit to Him and to Obey Him — for He is the Best Guide and He Is Worthy to be Obeyed, because He Is The First.

WE cannot be successful in going contrary and attempting to alter, and to make men to bow to that which it is not the very nature of men, to bow to. It is against the very nature of the Black Man, to be accepting the worship of white people.

THE BLACK MAN must be made to know himself, to know that he is one of the righteous — one of the most upright human beings on earth, for the Black Man is upright by the very nature in which he

was created, according to the Holy Quran 30:30.

THOUGH, whether or not the writer and translator of the Holy Quran will bear me witness of that which Allah (God) in the Person of Master Fard Muhammad to Whom Praises are due forever, taught me, of the creation of Man. — I cannot help it if the translator does not bear me witness, I am only bringing you that of the truth that has been revealed to me and taught to me by Allah (God) in the Person of Master Fard Muhammad, to Whom Praises are due forever.

EVERYTHING that Allah (God) Taught me, He Went to the very root of it. In this way of teaching a man (going to the very root) the student goes out from his teacher, qualified to master what he has been taught.

BEING UPRIGHT, the Black Man is already one of the righteous. But the Lost -

Found Black Man must be taught the knowledge of the Black Man since he is the brother of one of them. Although the Black Man is our brother, but being Lost among non - brothers, strangers, aliens, we now must be taught again, the knowledge of self. As the beautiful parable of Jesus, teaches us of the Prodigal Son (Bible). He had lost himself among strangers — following after their evil ways. It took the Father of the Prodigal Son, to go out and find him and to escort him back home and to acquaint the family with their Brother that was Lost and he is found dead (mentally) and now he is alive forever.

THE MESSENGER (Bible) Rev. Chapter 1, is made to repeat these words, "I am he that was dead (mentally) and now I am alive and have the key" — Having the key of Divine Power and Divine Guidance not only looses himself out of hell, but it also looses his brother out of hell.

THE MESSENGER is to remove hell. There is no more hell after the

IS ISLA

knowledge of Truth, Justice and Righteousness has been again put into the heart of those who have been deprived of such knowledge, and who could not carry the knowledge of Truth, Justice and Righteousness into practice. They did not know that they should follow and be associated with Truth, Justice and Righteousness.

THEN, Islam, in the first sense of the word, is to 'Bow and to Submit to the Will of Allah (God) — Obey Him and Do His Will. Obey His Prophets and Messengers. For to obey those Worthy Messengers of Allah (God) means that the obedient ones will be successful in living a life of peace and happiness, for the obedient ones will be given the necessities of life — all of the necessary things to bring happiness and peace of mind and contentment.

ISLAM is the natural religion of the Black Man — the first Man in the universe. It is the very nature of the Black Man to show mercy and love and to bow to the truth — to bow to the spirit of the truth.

REGARDLESS to how wicked the Black Man has been made by the wicked one (white race) — try the Black Man and you will find him yielding to Righteousness and Justice, with joy, and with tears of joy in his eyes, for Righteousness and Justice is the very nature in which he was created. That is himself.

I HAVE made tests and examination of our Black People and I have learned for my ownself that this is the truth.

WE, The Black People are by nature the righteous people of the creation. Attempting to alter our religion, and our nature has been the work of Yakub's made man (white race) for the past six thousand (6,000) years.

WE do not come with volumes of books to teach you WHAT IS ISLAM? The word, in the English language means, "Submit to do the Will of Allah (God)."

IN the church, we were taught to

submit to the Will of God. In the Bible we have something else that we have been listening to all the while. Jesus made the parable, in the Sermon on the Mount, "Blessed are the pure in heart." The words 'pure in heart' means that one that is created of God, born of God (Black Man) cannot be denied his place on the Day of Resurrection, for The Black Man is born of God. By nature he is of God, therefore Allah (God) accepts that which is His Own.

THE words that the translator uses here, "being upright" — do not make a mistake here to think that the principles of your action or work of evil means that you are a righteous doer of righteousness. NO. It means this, that 'you are the person that can be admitted to God because you are already by nature one of his people, or Part of Himself.'

THIS is the right state for you to be in. You are already one of the righteous, but you have been misled and you have been following a stranger, the white race, and his religion.

SO the right religion, for the Black Man, as the translator refers to here, is Islam, — that which is by nature of Allah (God). So we the Black People are that by nature and we have a Lesson English C-1, from Master Fard Muhammad, to Whom Praises are due forever. In this Lesson C-1 He 'Declares us to be righteous Muslims, but we did not know it because the enemy caused us to eat the wrong food.'

"THE WRONG FOOD," referred to here, is "following and practicing evil." And we can take it literally. The white race did teach us to eat the wrong food. The physical food that he taught us to eat is the food that Allah (God) cursed (the pig, snakes, scavengers of the sea and wild birds and wild animals).

CAN such people as the white race, prepare you a diet when they will eat anything and spiritually they will do anything other than spiritual

He surely sees you, he as well as his hosts, from whence you see them not. Surely We have made the devils to be the friends of those who believe not.

This happened to the Black People who followed Yakub from Arabia. He pulled off, from their original Self, the clothes of Righteousness and the clothes to cover their shame; and then made them to go nude in the hills and cave-sides of Europe, until the birth of Moses. You are warned. You believe you are safe in following the invitation to evil and filth of the white race. Wait and see.

righteousness? Can they be the leaders and preachers for us to follow, to see God, that we may meet with Him and satisfy Him by our work, that we may see the Here - After? NO. Allah (God) Will Burn such characters in a Lake of Fire.

IT is written in the translation by the same translator, of the Holy Quran, Ch. 3:84 That if you come with another religion other than Islam, it will not be accepted." This verse sounds a death - knell on your preachings of religions other than Islam. NO. I do not know of any religion, that you could get by Allah (God) with other than Islam.

NOW, CAN YOU SEE and understand why the white race never would teach you Islam? They did not teach you Islam because you are by nature of Allah (God) and the white race was not made to teach you of your state with Allah (God) for that would have deprived the white race of the nature in which the white race was made — and the nature in which the white race was made was to rule the Black Man and to rule the Black Man under falsehood.

BE HAPPY, Black Brother and Black Sister, that you are by nature the children of God, as the Bible teaches you, "Ye are gods, children of the Most High."

WE, the Black Man, have been made so wicked by the made man (white race) until we now even hate Righteousness and Truth. We are ashamed to even bear witness to righteousness, in the presence of the wicked world. Actually some of us are ashamed.

O, My Black Brother, how can we ever expect the Favor of the Creator, when we are even ashamed of him in the presence of the made man?

IF we go home and sit down and think about it, we will see how ignorant it is for us the Created Man to be ashamed of Allah (God) in the presence of the made man and we are in the World of God — how ignorant to try to deny Him. We are double crazy.

I MUST give Yakub's made man credit. I repeatedly say that he has not disobeyed his god for one minute. He was made to deceive and to mislead us (Black Man) and he has done this.

IT IS we, the Black People who have disobeyed our God Allah. 'So, let us set our face for a religion that is the right state,' Islam — a religion that we will be rewarded for worshipping the God of that religion, Allah. We have actually lived in hell and caught hell, daily, for living in

the white man's religion, which is called Christianity. The white man is the only one who has benefitted from his religion, Christianity.

I JUST get almost sick listening to hundreds of the Black Reverends, in the white man's religion of Christianity, for they become so proud to receive any kind of respect or honor from their lord, the white man.

THE BLACK REVERENDS are a blind, deaf and dumb guide as the Jesus prophesied of them — he and his followers, the blind leading the blind and both falling in the ditch together, as anyone can see. They mislead our poor Black People off the spiritual path for them to walk on that leads to Almighty God Allah, just for the sake of any leadership. For what they can get out of it, in Christianity, the Black Preacher leads his Black People to hell, for there is no part of what the white man calls his religion, Christianity, that will be accepted, by Allah (God).

THE nature and the religion of the white race, Christianity, is being powerfully and openly rejected. The church is no more a shelter from the storm of Divine Destruction.

COME, BLACK MAN, "Set your face for Islam, for the truth of that which you are by nature, Created."

ELIJAH MUHAMMAD,
MESSENGER OF ALLAH,
to you all.
