

We Must Have More Than A Job!

The condition and history of my people, the so-called Negro in America, is pitiful and a disgrace before civilized peoples of the earth. We have nothing of our own. We can only say we have what the slavemaster and his children have given us. It is a foolish idea to depend on the white man to care for us and our ever-increasing population. The leader of the Nation of the black man in America must get his foolish idea out of their heads and quick!

white paymaster. We keep five dollars to sit in a show or a game of sport and play. The bible states we are a foolish people. You must get out of such foolish acts! You must unite and help me! Regardless of your fear of the slavemaster and his children, you must unite with me. We have before us, a job that must be done! We must care for and deliver our people. Our people are crying for freedom, moaning for justice and calling for equality to be free to intermarry or mix the blood, as this is already going on. It is a disgrace before the nations of the earth.

Almighty God, Allah, is in our midst today to bring the so-called American Negro out of the hands of the slavemaster just as He delivered Moses and his people out of the hands of Pharaoh from a four-hundred-year period of bondage.

I think the American white man has done a good job, in a manner of speaking, in caring for us one hundred years after he has said to our fathers that we were free. We have not exercised that freedom nor have we asked the rulers of the land to let us go for ourselves. We have not said to the slavemaster, "Take that which belongs to you and let us have that which you have taken from us." Instead, we have acted as a lazy man. My people have constantly asked the white man to give, give, give. Their cry has been of pleading and begging. To the slavemaster have been said, "I want the love and friendship of you who have enslaved my fathers, not the love of my own kind." This is the prevailing idea of the leadership of the so-called American Negro. Their craving is to be made like their slavemaster and his children. "Let me be like them. Let me be the brother or sister of white America." They ask this before they even love their own kind. We have been craving for the love of other than our own kind. It is an act of which we should be ashamed. It is an act of craving that is disgracing you and your children. It is an act that keeps you a slave and causes criticism by the civilized nations of the earth.

I desire that you think along the terms of Elijah Muhammad. The so-called Negro must be separated from his slavemaster and his children; He must be given the chance to build a nation for himself. He must be given the chance to go for self. The so-called Negro is four hundred years behind with a history in the Western Hemisphere written in hard labor, injustice and blood. We have always been ready to jump to our feet and defend the slavemaster against his enemies. For those lost lives and efforts, we have nothing today. My people have become a nation of beggars. We only beg the master for a job. We want sport and play on an equal basis with the rich white man of America. The country belongs to the white man who took it from the red Indian. All we have asked for is a job. Then we give the paycheck back to the

SEPARATION OR DEATH

By ELIJAH MUHAMMAD

Let us take a look at some of the disgrace that White America has committed against you, my people, and then let us look at the things they are doing now.

We know that during the Civil War, Negroes went into battle with their slavemasters—fighting to keep their southland enslaved. They felt as though they were justified. Their slavemaster taught them that he (the slavemaster) was fighting for what was right. He still thinks the same today.

Though uneducated, they (slaves) were like machines—controlled by the white man. Now, even though the south lost that war, they continue to control the Negroes. It was through the Negro Congressman, who were elected during the Reconstruction period following the Civil War, who helped pass many of the so-called "Jim Crow" laws. Today, the south still use these laws against our people. Don't get angry with them, for they thought that by passing those "Jim Crow" laws, they were protecting their people from the white man. But, time is a funny thing, for those laws reversed when the white man began to gain political office—by using fear and force on the potential Negro political office seeker. He formed the three "K's" and with that, brought death to our people. You know, that through fear, you can gain control over people and that control can be used to a person's advantage.

As the white man gained political control, he constantly passed state laws to make the Negro (even though they were freed by the Federal Government) feel as though they must still depend on the white man. He set up separate schools (but only

MR. MUHAMMAD
Messenger of Allah

taught his history). He set up his religious churches (Methodist and Baptist) but they too were still separated. They taught the Negro their religion (Christianity) so you could look to him for dependence. Now, he is still trying to make you dependent on him by saying, "I will give you Civil Rights," but he is still trying to make you dependent on him by saying, "I will give you Civil Rights," but he thinks you don't realize that he promised you those rights when the 13, 14, and 15th Amendments, for Civil Rights, were passed in 1866. Well, it has been approximately 100 years now and he still says, "We will give you rights, but don't be in such a hurry!" Brothers and sisters, how much longer do we have to wait—another hundred years? I say, White America doesn't want to give us complete freedom, justice and equality. They don't want

to give us a piece of this country where we can have what so many of us died on the battle fields of this country (Civil War) and Europe for; a part of this country where our future kind can enjoy freedom, justice and equality and have an economy of our own; a country where we can worship in the true religion of our forefathers, which is Islam.

Islam is the only true religion of God (Allah). It is the religion of all His prophets, from Adam to Muhammad. Teach this (Islam) to your brothers and friends, your children and their children's children.

Build your future on freedom, justice and equality. Build it on a part of this good earth that we can call our own! Be "Freedom Riders" on your own soil! Seek to mix with your own black kind. Keep your identity from being destroyed by the devils (white man). All they want to do is destroy your identity by offering you token integration.

Ask these dumb leaders, who is it that deprives them of freedom, justice and equality? They will say, the white man. Ask them who was it that enslaved you, lynched, burned, beat and killed you out of the law of justice all over America? They will say the white man. Ask them who killed God's Prophets and crucified Jesus? They will say, the white man. Ask them who was it that started the war in Europe and in the 30's, and on Ethiopia? Was it the black nation (Islam) or the white race (Christianity)? They will say the white man. Then ask them, does not your Bible teach "who-so-ever therefore will be a friend of the world (the white race is the ruler of the world) is the enemy of God? (James 4:4) They will say yes. Then ask them, have you not heard that Allah has revealed to His Servant (Elijah Muhammad) that this is a rare of devils and that by nature they cannot love justice and righteousness? They will say yes. Then say, O foolish, of all the people, why not believe and seek your God and people like yourselves? Did not they (the white race) stretch forth their hands and tongue against Martin Luther King and his followers in the south, when he tried to force the white brothers against each other to enforce the law of integration — a law which would mongrelize the white and black people? THE DOOM

By ELIJAH MUHAMMAD

It is forbidden for the righteous to have friendly relations with the wicked, who are the enemies of God, His prophets, His scriptures, and His religion of peace, ISLAM. "O you who believe, take not my enemy and your enemy for friends. Would you offer them love, while they deny the TRUTH that has come to you? Driving out The Messenger and yourselves because you believe in Allah, your Lord! If you have come forth to strive in My Way and to seek My Pleasure, would you love them in secret? And I know what you conceal and what you manifest. And who ever of you that does this, he indeed strays from the straight path. If they overcome you, they will be your enemies, and will stretch forth their hand and their tongues towards you with evil; and they desire that you may disbelieve. (Holy Quran 60:1, 2)

My people, the TRUTH (Islam) has come to you, why not believe? Is it because you

MR. MUHAMMAD
Messenger of Allah

are guilty of loving your enemies, and the enemies of Allah (God), His Prophets, and His True religion of peace, Islam? Is it for the love of your enemies that you seek to give the lie to Allah, (God), His Messengers, Prophets and His religion? Allah has made manifest to you, His enemies, the white race. They are His enemies, your enemies, the enemies of our fathers, and our nation; the black, brown, yellow and red man.

The poor NAACP black leaders, who are yet blind, deaf and dumb, are in love with these open enemies of Allah (God) and their own people, the so-called Negroes. The so-called black leaders are against separation from these universally known enemies of the black nation due to their open and secret love of membership in the white race and a position as a permanent servant in their house and country. These are the same enemies who forced our forefathers into servitude slavery for 300 years, and still own them as their property under free slavery. The (NAACP leaders) boast that they have equal rights with the master in the U.S.A. Whatever is the master's it is also the slave's. They believe the master should beat and kill his brothers to enforce equal rights between the slave and the master — what a foolish people! They think that they, not the white race, can live without each other and therefore should not be separated. It is an open and universal fool who loves his enemies and the enemies of his God and people.

Separation Is a Must

By ELIJAH MUHAMMAD

MR. ELIJAH MUHAMMAD

The poor so-called Negroes (the lost found people of the black nation from the Tribe of Shabazz) in America, brought here by the white man in 1555; said Allah (God in person) the best knower that our fathers and mothers were brought in chains at a great loss of life. According to history, we have served them (our slave masters) well for the past four hundred years. According to the bible's history made by Abraham on receiving the prophecy of our enslavement in a strange land and people to serve for four hundred years.

America was not known to the white Europeans before Columbus discovery of the Western Hemisphere in 1492, four hundred and seventy years ago. Beyond a shadow of doubt, this is the strange land, and the white race, a strange people to the original Indians and our father, who were brought here in 1555, four hundred and seven years ago, did not know either the people (white and Indian) nor the country. All were strangers.

If this not the answer to Abraham's prophecy, then you may tell me. Today our unrest and longing for unity and love of self and kind, and the desire for freedom, justice, and equality, a home on this earth that we can call our own, and the presence of God among us, the giving and calling us after Divine names, is a true sign that we are the people that Abraham saw and prophesied that would be lost and must be found. The prophecy is mentioned in many places throughout the bible. It ends with the struggle between the symbolic lamb and beast over the delivering of the same people (the

so-called Negroes in America) from a wicked merciless murderer like a savage beast over a prey.

It is a must that we be separated from our Slave Masters' children, who like their fathers, hate and despise us with murder and slavery in their hearts for us day and night. It is foolish and ignorant to hear any black man or woman praising the offer of integration with a four-hundred-year old enemy of ours, which is inviting death and destruction of both races. Not one offer to give the once slave land to build a government and nation of their own, where they can live without fear of being beaten and killed without justice. Our enemies go in gangs to kill you. They rejoice to do you harm, this you know.

They are not like you and me. Their father was a devil, who created them to be enemies of the black people (the righteous) by the spirit of their father (which was false and murderous) so are they, and today they are deceiving you under false pretenses that they will do good by you just to keep you here with them to share hell fire with them. My Allah will give us heaven if you will only believe and come follow me. We need a country to ourselves like all other nations, and we will get it soon.

"Separate, whereof ye can come out from among them and be ye separate, saith the Lord, and touch not the unclean (the wicked white race) and I will receive you and will be a father unto you, and you shall be my sons and daughters, saith the Lord, Almighty (2 Chor 6:17-18)" And I heard another voice from heaven saying. Come out of her, my people that you be not partakers of her sins and that you receive not of her plagues. Rev. 18-4"

Doom of America

By ELIJAH MUHAMMAD

America has been looked upon by the great scientists and scholars of the world as the greatest, the abundantly rich and prosperous nation. At the same time, they are the most wicked of all nations upon earth. America is a country that has been studied from both its industrial and scientific development and also from its moral and spiritual standards. America has been styled as a great factory; manufacturing products in great bulks and quantity to feed and satisfy its already wealthy who want to stay that way while the layman is a prey to America's ideas of monopoly and competition in the business of the political and social world. In reality, this is a "dog eat dog" country.

MR. MUHAMMAD
Messenger of Allah

America is a gambling den and a refugee camp for criminals of all description: prostitutes, dope addicts and racketeers jam the cities from coast to coast, from North to South. Wherever the white man goes, he invests large financial backings to contaminate and control the societies of countries such as South America, Africa, Asia and the Islands of the Seas, with the same evils and filth. He (white man) controls the engineering of America's power machines — the same enemy who has deprived the so-called Negroes the right to live as free people in this country. The so-called Negro cannot be classified on an equal basis with other minority people of foreign descent. You must remember that the Jews and other European and English immigrants (Italian, Spaniards, etc.) are first classified as being Caucasian, members of the white race; but the so-called Negro is a black man and is identified as a piece of property, belonging to White America to do with as she pleases.

to warn you of the great and dreadful day of the Lord which approaches near each fleeting moment. I have your key to the Judgment and to Paradise.

The so-called Negroes must stop taking lightly the daily abusive treatment of our people. You must work to prepare yourself and your family for a new day. You must stand up and tell the entire world of Asia, Africa, Europe and America that you are nobody's fool or tool any longer. You must begin to bear witness to the truth of Almighty God's religion — Islam, the true religion of the Black people, even though you are not able to live the righteous life of the Muslim nor stand by the unequalled principles of Islam.

The white man of America is well informed through his scientists and scholars, who are paid just for studying the problems of prophecy and especially the future destruction of America which he knows is fast coming. His greatest men-

The so-called Negro had his beginning in this country as a servitude slaves, who in the eyes of his master, was the same as his work-horse and cattle stock. Today, his status has moved up a little—from a servitude slave to a free slave. Now is the time for us to cut all chains of the master's grip and seek self-independence on this earth. Knowing that the white race continue daily to beat and lynch your brothers, rape and abuse your sisters, you yelling to them. Who is it that has power over the beast to grab the beastly murderers, lynchers and assaulters by the neck and bring him to naught? Who is it that can save the poor adult (who is yet a child to the knowledge of his enemies) from the white man's rope, gun, prison houses and other tools and weapons of destruction? No one but Almighty God, Allah, could put in me the undying spirit to try to awaken you to these truths before it is too late. We are fulfilling a period in history, known as the spiritual resurrection. No one but Almighty Allah could guide me

tal burden and physical strain at the present time, is how to prevent the spread of Islam among his "X" servitude slaves in these last days. The white man vividly recalls the story of the flood in Noah's day, the swallowing of Pharaoh's Army by the mighty Red Sea, the destruction of Sodom and Gomorrah, and the destruction of ancient Babylon, due to the conflict between the God of Good and the Devil. The white man is well aware as to which category he fits. Now, they (white race) know that the hour draws near for their destruction and their entire civilization of wickedness. He knows that he represents the modern version of the people of Noah and the flood, the modern army of Pharaoh, the modern people of Sodom and Gomorrah and that modern "Mystery" Babylon referred to in Revelation.

AMERICA PERSECUTES the Muslims,

By ELIJAH MUHAMMAD
America Persecutes
 The Monroe, Louisiana City police made a wanton, lawless, brutal, beastly attack on the peaceful religious meeting of my followers Sunday, March 5, 1961. Then these law-breaking police officers placed false charges on my followers to cover up their law-breaking crimes and complete disregard of protection provisions in the United States Constitution.

My people, the so-called American Negroes, have long been the victims of attacks by their slavemasters. The enemy always go free after doing these unjust things to our people. The history and record is filled with the facts of how the slavemaster fails to bring his own to trial for breaking their own laws in mistreating us and denying us justice.

America tells the Negro he is an equal citizen and must fight for America, but America denies him justice. The so-called Negro has been declared an equal citizen. Where is this equal citizenship? It is only in words! It has not been in deeds! The so-called Negro does not have freedom in liberties of government that the slavemaster enjoys, yet, America refers to him as a citizen on an equal basis with the slavemaster. The U.S. Constitution declares equal justice for all. This equal justice is never practiced on the so-called Negro. Since America cannot follow their own laws of the country, not to mention the laws of nature, why not separate the so-called Negro? By so doing, America would not be charged with injustice to her former slave. The so-called Negro in America has never had the opportunity to go for self.

If the slavemaster said to his slave 100 years ago, "You are free, why didn't the slavemaster send the so-called Negro back to where he came from, on his own land? Then say to his people: "Here is your brother that we kidnapped three hundred and ten years ago." No! The slavemaster kept him caged in. If you take a wild bird and cage him, you are responsible for his well-being, treatment and protection—but no, you killed and burned the bird. If you let the bird out of the cage, giving him the opportunity to return among his own flock, the bird is then free to fly where it pleases.

The so-called Negro is here in your midst as you kidnapped and brought him here, more than 400 years ago. You have now set up an invisible chain and an invisible wall of limitations about him.

Under your religious and political system, you are always promising him that you will do better. You never do! Since you can't follow your own laws of justice and protection towards your servant, the so-called Negro, let him go! You then can represent America as a place of equal justice for all, or separate them here into a place to themselves. Let them live in peace and God will let you live in peace.

It was terrible the way Police Chief Kelly of Monroe broke and forced his way into a peaceful assembly of people gathered to worship Allah, the God of their forefathers, the prophets and of their choosing. He even warned

MR. ELIJAH MUHAMMAD
 Messenger of Allah

some of the followers the night before that he would break up their meeting if they attempted to hold a religious service devoted to the religion of Islam. The Monroe police, armed with weapons, broke down the doors to the Mosque. They broke in on unarmed people with heavy billet clubs, brass knuckles and drawn pistols. Among the people gathered to worship were women and children with the wife of the minister present, who is four months pregnant. The police started beating on them. The police in beating, did not use ordinary police sticks, but the big heavy sticks similar to the kind their ancestors used in the caves and hillsides of Europe to guard themselves at night against attacks by beasts.

This Police Chief Kelly, then in court says (and it is in the record to be examined if they have not tried to cover it up, too!) that he went to Muhammad's Mosque religious service because he had a suspicion that this religion was subversive from what he had read and heard! Yet he did not place this charge of subversion against my followers to bring them to court! If we are subversive and are trying to overthrow the government of America by force, let him or any other who say so, carry us into the Federal courts of justice and prove it!

Are not Police Chief Kelly and Judge W. M. Harper acquainted with the provision of the United States Constitution which states there shall be no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech; or the right of the people peaceably to assemble? Is this provision only meant to apply to white people? Why continue to persecute my followers under Police Chief Kelly's false charges?

If there was ever a time that we should be united regardless of religious beliefs, it is now! Why can't we unite? Is it not due to fear of displeasing the slavemasters? We must build a future for our children. Not the future that the white race has built for us, which is nothing but slavery, begging, suffering, injustice, disgrace, and murder at their hands. The Negro leadership should take examples from our people in Africa and Asia, who also were deceived, robbed, and enslaved by the white race in Europe and America, under the white man's slavery teachings of Christianity. Now, Africa and Asia have awakened to the knowledge of their deceivers, and are throwing them and their damnable teaching out. Africa and Asia are now returning to the true religion of God (Allah), the same as I am teaching here and have been for 30 years, and they are on the road to success.

Why do you feel proud here over what belongs to the white man? You own nothing here but the freedom to be a fool for white America. The college-trained Negro clergy, politician and educator, knows that there is no future for them under white Christianity. They have neither a country, nor a chance to build a civilization for their own people, but yet they refuse to take part with me in the sure program of God for our people, even after watching our success daily. Soon we will strip them of their followers and then we will see if their beloved white friends will be their followers, whom they now are greatly admiring to the destruction of their own people who are now in the mud. Why shouldn't you and I work together for the common good of our people in America?

Americans Persecute the Muslims, What Will Be Her End?

MR. ELIJAH MUHAMMAD
Messenger of Allah

(Continued from last week.)

"And they cried with a loud voice, saying, How long O Lord, Holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?"

The above verse is a prophecy of the lost and found people of the Black Nation of Islam called "Negroes" by their enemies (the American white devils) who have persecuted and killed black people for the past 400 years. Some think this verse might refer to some of the Muslims who came here some years ago and were persecuted by these same devils and are now in jails here in the U.S.A. Some of them have been held here in prison for 40 years (so Allah (God) told). They also were persecuted for trying to teach our people here in America the true religion, called Islam. It can be understood clearly in these words: "How long O Lord, Holy and true, dost Thou not judge and avenge our blood on them that dwell on the earth? We all dwell on the earth, but why the "earth" is really used here (this verse) is to distinguish between the place where this enemy dwells and the place or country of the Muslims, called the Holy Land. Europe and America used to be called the wilderness or home of the exile demons.

The so-called Negroes are the only people whose history shows have been beaten and killed daily by another people, for the past 400 years. The jails of America are now filled with the poor so-called Negroes mixed with the Muslims. The so-called Negro prisoners are fast becoming con-

(400 years) and they yet show the world that they do not want any peace with any black people.

Let us read another prophecy of America's cruel treatment to the so-called Negroes under Allah's deliverance of the enslaved so-called Negroes from her hands in these words: "He who smote the people in wrath with a continual stroke, he that ruled the Nations in anger, is persecuted, and none hindereth." "That made the whole earth as a wilderness and destroyed the cities thereof; that opened not the house of his prisoners." (Isa. 14:6, 17) Another true prophecy made by Jesus of the persecution of the Muslims: "But take heed to yourselves, for they shall deliver you up to councils; and in the synagogues ye shall be beaten, and you shall be brought before rulers and kings for my sake, for a testimony against them." (Mark 13:9). All so-called Negroes who accept the truth (Islam) many expect such persecution, and be hated for accepting the Name of Allah or one of the ninety-nine attributes of Allah. "Muhammad" or "Mohammed" is a Name of Allah (God), which means praise and one who is worthy of praise, and is praised much. These are the names prophesied in the Bible: (Chronicles 7:14; Isa. 43:7; 40:26). America would like to frighten the black people away from their salvation in Islam, by persecuting the Believers.

Allah makes the Muslims fearless and will soon put fear and trembling in the hearts of our enemies. Allah will bring upon America that which He has never brought upon people in the past and never will be the like of such judgment anymore. America must pay for her evils done to us. There is no such thing as forgiving! Allah said to me that He would repay her for all that she has and is doing against us.

verts to Islam. This is Allah's (God's) dolings that the scripture may be fulfilled; wherein it says: "which executeth Judgment for the oppressed; which giveth food to the hungry. The Lord looseth the prisoners." (Ps. 146:7; Acts 12:17; Rev. 2:10).

The Government of America hates her slaves (so-called Negroes) more than any of her outside enemies. She treats the so-called Negroes as if they were enemies of hers, who once made them prisoners, and ruled them under a very wicked hand, whom the Americans finally overcame and now takes revenge on her oppressors for their past evils done to the people of America. The poor so-called Negroes have never been able to get along with their masters (white race) in peace. This proves to the so-called Negroes that Allah's word is true. "Twelve Leaders" from all over the Planet had a conference in the Holy City Mecca, Arabia, over the lost-found Nation (the so-called Negroes) in the wilderness (America) who must return to their own. These leaders agreed that the devils (the American white race) are disagreeable to live with in peace and have decided to remove them from the Planet Earth. I will agree with the scientists, for we have tried to live with them in peace, even up to this very minute

Mr. Muhammad Speaks

By ELIJAH MUHAMMAD

WE MUST HAVE LAND AS OTHER NATIONS

YOU SAY, "BUT I don't want the white man to carry us. Just give us an equal chance?" What kind of equal chance? What do twenty million people look like philling around in a factory of white people all the days of their lives and their children's lives, looking for a job? We need to look for some land. Who will recognize millions and millions of people who will not protest their condition? Yours and my condition here in America is the worst of any people on earth — it is unequalled, and we are without one tiny state in the union. We are still demanding equality. The white man will not accept you as his equal because he knows his slave is not his equal. He does not want you to marry his daughter. He does not want you as his son or his son-in-law even though you greedily desire to be. You are most eager for integration, so you may have a chance of intermixing and intermarrying with them than you are for justice for your people and getting some land — land for you and your children on this earth.

IF I AM YOUR equal as you are a citizen, then prove that I am a citizen of America by giving me some earth like that which you own. The so-called American Negroes can never have a successful future in America as long as they do not own some earth. You are a nation within a nation. You have been carried by another nation all your life, here, in America for more than four hundred years. Today you continue to beg them to carry you and recognize you as their equal without even asking them for something. You are not asking them for anything worthwhile. Why don't you unite as leaders and go down to Washington and tell the Washington leaders, "We don't want to sit in your schools beside you. What we really want from you, if you don't want to let us go, is a place for our people in this country. You have said that we are free. Let us go! If we are not going and you will not help us to go, then give us a chance to live to ourselves here. We don't want to force our presence on you, and upon your children. If you will not let us go and seek earth somewhere else other than America, then set aside some of these states for us."

ELIJAH MUHAMMAD

whiteman, or ourselves. I have told you the truth.

Some of you say and write that, "Elijah is teaching hate." What is there in the teachings of Elijah Muhammad that you can single out as "hate teaching?" What part or the whole of this teaching do you construe as hate? If I say that you should love yourself as a black man, is that hate? I say that black mankind are the people from whom you were taken. Is that hate? I say the white race came after the black and is a grafted race from the black man. Is that hate? I am not telling you to hate white people. I am only telling you who they are. We are very quick to single out one of our own as an enemy, when he speaks up for the good of black mankind. I am for the black man!

SOME OF YOU may not like me because I love my own kind. Any man that is brown, yellow, red or coal black is a member of the black nation. Any man who has not accepted self or speak and love others more than his own kind, cannot be trusted. The time has arrived for the truth. You should know the truth. You should not err in this day and time. You should know exactly where you stand. There are no people more blessed this day than the so-called American Negroes, who have been chosen by Allah, Himself, The God of The Universe. You and I should be happy to know today that we have on our side a God who defends and guides us. You may believe in that which the slavemaster gave to you for a religion. But you must prove to me that it was the religion of

THE SO-CALLED AMERICAN Negroes say they don't want to be separated and that is because of their inferior knowledge of their own kind and the white race. If you had a thorough knowledge of yourself and a thorough knowledge of the white race, you would desire to be separated. What have the slavemasters done in the way of justice that we should want to live with them? What have they done in the way of justice that we should want to eat with them, drink with them, walk with them or marry them? What have they done for us that make the so-called Negroes desire them. It appears to be their greatest desire to make unity and love to the slavemasters' children. You should first make unity and love among yourselves and your own kind. I think white people would be foolish to accept a so-called Negro as a friend or as a neighbor of theirs, when he is not a friend or neighbor to himself. We are divided. There is no unity among us. We have allowed the slavemaster's religion to divide us one hundred percent. We do not have a knowledge of the

the prophets. You may say, "the Negro is not mentioned in the bible or any Holy Book." If you don't see where you are mentioned by the name, "Negro," it is only right that you should discard the name. Then see if you can find yourself under some other name. Almighty God, Allah, has taught me the truth to teach to you. I must deliver it to you whether you accept it or not. It is not my fault if you reject it after I offer the truth to you. It is my fault if I don't offer to you the truth God gave to me.

WHAT DAY ARE we living in? We are living in the day of judgment of the Caucasian World. We are living in the day in which we should separate. You must know this even though your minds are filled with wealth, sport and play. It is the time of judgment of this world as you and I have known it. There are scholars who think this is the time of their judgment. Who is going to tell you, if one of your own kind does not? Are you looking again for a spirit God

to come and peer out of the clouds of heaven and tell you? That does not happen! When you do see someone come, they will not be coming to teach and school, but to execute justice. The religion of Islam is the only salvation for my people.

Allah Offers You a Future By Elijah Muhammad

You and the so-called American Negro are helpless without Allah (God) and Islam, which is the religion of God, His prophets, and our people. We are at the mercy of the Christian World. What has the Christian World done for you and me? Why should we want to remain in it? Have not they continued to segregate you, line you up and burn you, don't they continue to beat your heads and your brains burst out over your ears and eyes? They have done these things to us. They did these things even as you called yourself a Christian. They have shown that they don't want you as a brother. They have shown they don't recognize you as their equal. Why don't you exercise that freedom which they offer you and go back to your own?

If our share of this earth is not in this western hemisphere, than we must look for it in the east. However, 25,000,000 so-called Negroes who have been lost from their own people for 400 years must have a home on this earth that they can call their own. Allah the Great God of the universe, will give us the whole earth if we submit to Him and have patience to wait on Him. Regardless of the cost, we must have some earth of our own. Let not the false show and promises of this world deceive you so that you be the loser.

You make yourself a despised people in the eyes of the civilized world by hating yourself, and loving the enemy devil. The Original man Allah has declared is none other than the black man. He is the first and last maker and owner of the Universe. The brown, yellow, red and white all come from the black man. The black man used a special method of birth control law to produce the white race.

the Sole Master of the Worlds. I ask myself at times, "What can I do to repay Allah (the Great Mahdi, Fard Muhammad) for His coming, wisdom, knowledge and understanding?"

My followers and I have and are still spending much time and money to awaken our people to the knowledge of self. We are suffering much persecution and ridicule to awaken our people to the knowledge of their own salvation. Our present suffering is nothing compared to the joy that awaits us as a people united for one common cause serving Allah, The God of Abraham, Moses, Jesus and our forefathers. Allah has declared that we must know ourselves and unite to our own kind or suffer the consequences. The new government controlled by the Roman Catholics, will stop at nothing in their effort to win to them, but the Negroes must know that this world's end is near.

The true knowledge of black and white mankind should be enough to awaken the so-called Negroes, put them on their feet and on the road to self independence. You, my people, are so afraid of the slavemaster, that you even love them to the point of your own destruction. You wish the bearer of truth would not tell the truth even if he knows it. You hate a leader that tries to unite you to your own kind.

Allah offers you a future, an eternal future. This world has no future. It was doomed when it was created. I speak and write what has been given to me from Allah (God) to whom praise is due. I am not here to excite you for wealth or praise. I don't want your wealth. I don't want your praise. I want for you the thing which will produce unity of self and our kind. I want you safe. The world knows that I want you safe. What I preach is for our own life and the life of our children.

It is Allah's will and purpose that we shall know ourselves. He came Himself to teach us the knowledge of self. How else may you account for the success of my followers and myself? Who is better knowing of who we are than God Himself? All praise is due to the Great Mahdi (Allah in Person), Who was to come and has come. He is

DECEIVED

By ELIJAH MUHAMMAD

How are seeking the
 of the Nations of the
 world. To get this respect of
 the world, we must lay
 aside many old ignorant
 habits practiced from birth.
 Being loud to self or in the
 public is not good manners.
 Too much joking, yelling at
 one another in public using
 ugly, indecent language,
 swearing at each other call-
 ing each other names, singing
 foolish and filthy songs,
 dancing and shaking, twisting
 the body in public, lustling
 and looking with wanting
 eyes at each other, smoking,
 drinking the fire spirits is no
 good. Chewing or using to-
 bacco in any form, formid-
 ling clothes, the wearing of
 shorts by women or men in
 public is indecent. Going
 barelegged in the public,
 gambling, games of chance
 and whistling is forbidden.

MR. MUHAMMAD
 Messenger of Allah

Keep the body and mind
 clean. Take frequent baths. A
 total bath should be taken
 daily. Stop eating swine flesh.
 It is a Divine prohibition
 flesh. Two-thirds of our ill-
 ments can be traced to the
 eating of this poisonous ani-
 mal called the swine. (Hog).
 Go cleanly dressed. If you

have only one suit, keep it
 clean. Keep your house clean.
 The woman should never in-
 vite or allow strange men to
 come into her home in the ab-
 sence of her father, brother
 (the son of her father) or
 husband.

Show respect to self and
 others. Respect and honor
 men in authority, whether
 they respect you or not. Pro-
 voke no one. Do not steal nor
 take advantage of one an-
 other because of the freedom
 to do so. Do not quarrel and
 fight each other, for we are
 brothers — same flesh and
 blood. Would you like to con-
 tinue destroying your own
 flesh and blood? Protect your
 daughters and women from
 doing evil and filth. Protect
 them from the love of strange
 men. Rid yourself of laziness.
 Be smart and industrious.
 Do good and righteousness re-
 gardless to whom or where.
 Be not wasteful, help to build
 a better future for self and
 kind.

Patronize your own people's
 business. Spend your dollars
 among your own kind. Serve
 One God, Allah; One religion
 — Islam. Be not divided, have
 love and unity of brotherhood
 first among yourselves. Help
 to secure a home on this earth
 that we can call our own. Do
 something for self and kind
 in the way of building a bet-
 ter future where we can enjoy
 peace and security, free from
 the shadow of death of our
 enemies.

I am so sorry that illness
 last Sunday, the 25th of June,
 1961 prevented me from keep-
 ing my appointment with you
 in the Nation's Capitol. Allah
 is the Best Knower.

I have made visits and have
 mixed with our people (most
 all of them) and the above
 habits are the things being
 practiced by us that they (Na-
 tions) do not like, along with
 the love of our enemies and
 the hatred of self and kind.
