

## BATTLE IN THE SKY

### BATTLE IN THE SKY IS NEAR

The vision of Ezekiel's wheel in a wheel is true if carefully understood. There is a similar wheel in the sky today which very well answers the description of Ezekiel's vision. This wheel corresponds in a way with the spheres of spheres called the universe. The Maker of the universe is Allah (God) the Father of the Black Nation which includes the Brown, Yellow, and Red people. The Great Wheel which many of us see in the sky today is no so much a wheel as one may think in such terms, but rather a plane made like a wheel. This wheel-like plane, its like was never before seen. You cannot build one like it and get the same results. Your brains are limited. If you would make one to look like it, you could not get it up off the earth into outer space. The similar, Ezekiel's wheel is a masterpiece of mechanics. Maybe I should not say the wheel is similar to Ezekiel's vision of a wheel, but that Ezekiel's vision has become a reality. His vision of the wheel included hints on the Great Wisdom of Almighty God, Allah; that really He is the Maker of the universe, and reveals just where and how the decisive battle would take place (in the sky).

When guns and shells took the place of the sword, man's best defense against such weapons was a trench (ditch). Poison gas and liquid fire brought him out. Today, he has left the surface for the sky to destroy his enemy by dropping and exploding bombs on each other. All this was known in the days of Ezekiel, and God revealed it to him, that through Ezekiel, we might know what to expect at the end of this world.

The Creator and His people are Original Black people and supremely wise. Today we see the white race preparing for the sky battle to determine who shall remain and rule this earth, Black or white. In the battle between God and the disbelievers in the days of Noah, the victor's weapon was water. He used fire in the case of Sodom and Gomorrah. In the battle against Pharaoh, He used ten different weapons, which included fire and water, hailstone, and great armies of the insect world and droughts and finally plagued them with death.

The Holy Qur-an says that: "the chastisement of Pharaoh was like that which God would use against His enemies in the last days."

Throughout the Bible and Holy Qur-an teachings on the Judgement and destruction of the enemies, fire will be used as the last weapon. The earth's greatest arms are fire and water. The whole of its atmosphere is made up of fire and water and gases. It serves as a protected coat of armor against any falling fragments from her neighbors. Ezekiel saw wheels in the middle of a wheel. This is true; (the universe in the universe. It is made up of revolving spheres). There are wheels in the wheel. The present wheel-shaped plane known as the Mother of Planes, is one half mile by

a half mile and is the largest mechanical man-made object in the sky. It is a small human planet made for the purpose to destroy the present world of the enemies of Allah. The cost to build such a plane is staggering. The finest brains were used to build it. She is capable of staying in outer space six to twelve months at a time without coming into the earth's gravity. It carries fifteen hundred bombing planes with most deadliest explosives; the type used in bringing mountains off the earth. The very same method is to be used in the destruction of this world.

The bombs are equipped with motors and the toughest of steel was used in making them. This steel drills and takes the bombs into the earth at a depth of one mile, and is timed not to explode until it reaches one mile into

MR. MUHAMMAD  
Messenger of Allah

the earth. This explosion produces a mountain one mile high; not one bomb will fall into water. They will all fall on cities. As Ezekiel saw and heard in his vision of it (Chapter 10:2) the plane is terrible. It is seen but do not think of trying to attack it. That would be suicide!

The small circular made planes called flying saucers, which are so much talked of being seen, could be from this Mother Plane, of which Mr. Keyhoe claims in his book that he saw. This is only some of the things in store for the white man's evil world. Watch and read this article for it is the truth. Believe it or believe it not! This is to warn you and me to fly to our Own God and people.

They say that they (white race) love the scriptures of the prophets of God and are followers of Jesus; then let that which they claim to believe be their judge. If they claim to be believers of which they are not in the scriptures of Allah's God's Prophets, why they brought the truth and that which they predicted would come to the wicked and the righteous in the last days, the truth of them is made manifest in our time.

America's price that she must pay for her evils done to her slaves (the Lost found members of the original nation of Islam from the Tribe of Sabaaz) who are nicknamed "Negroes" by the slave masters is the same as that price paid by Pharaoh and his people.

**Must Reap What is Sown**  
The only difference is that Xp'ti still exists, while America will not. She must reap what she has sown. She hates her black slaves. She takes pleasure, dally, in robbing, beating and killing them, as though her black slaves once robbed and killed them. Her hatred for her slaves can easily be seen and heard in the evil, filthy, name-calling of the slaves.

She has never attempted to mistreat her aggressive nations, and those who war against her in such evil manners as she does her helpless slaves (so-called Negroes), who know nothing; only what their slave masters have taught them.

They are trying their best to imitate their teachers, the slave master. This is due to the born fear and ignorance of self and their masters.

They will fight to death for the independence of the slave master, but are too afraid to accept independence for self, or even to leave their slave master for a home among their own kind.

Not Learned Love of Self. They have not learned love of self and kind as other nations. They love their open enemy, the slave master, (the real devil). I still say that the history of Pharaoh could not have been made a better picture and warning to America and her slaves.

The very plagues, almost 100 percent, are mentioned and prophesied in the Revelations of John, the last book of the Bible, which brought an end to the symbolic "beast," except the fire does not run side by side with the water and hail, as in the case of Egypt under Pharaoh, according to both books, (Bible and Holy Qur-an).

Allah (God) used Pharaoh as a sign of the chief enemy's (devil's) destruction in the last Judgment of the opponents of God and the righteous.

Read (Bible-Exodus 9:16-17) what Jehovah said to Pharaoh, "and in very deed for this cause have I raised thee up, for to shew in thee my power; and that Name may be declared throughout all the earth."

**Jehovah's Wonderful Story**  
No reader of the Torah and Qur-an can say they overlooked this wonderful story of Jehovah's power, which crushed the power of Pharaoh in such manner as could be called a mockery of the proud king and his boast of power over Egypt and Israel, his slaves. It is the power of the white world that the world boasts they have, that is powerful enough to destroy whoever tries to attack and destroy them.

America, since she hypocritically professes to be a believer in God and the Prophets will not say as Pharaoh said to Moses, for fear of losing the so-called Negroes who believe in the spooky slavery teachings of Christianity.

Today, America has the help of the Father (Pope) of the church, through the present administration in Washington, as we have never seen before. The Catholics are going all out, in America, to convert the so-called Negroes and the black people in Africa.

**Mocked the Idea**  
As Moses stood before Pharaoh representing Allah as

**MR. ELIJAH MUHAMMAD**  
Messenger of Allah  
the Lord of the Worlds, the proud wicked Pharaoh mocked the idea by suggesting that he would build a tower to attack Moses, God, and Pharaoh said: "O Haman, build for me a tower that I may attain the means of access to the heavens, that I may reach the God of Moses, for I surely think him to be a liar." (Holy Qur-an 40:36, 37).

This "Haman" must have been Pharaoh's chief construction engineer of the war department. Note, that Moses made no mention that Jehovah never told Moses where He came from.

**Sign of the Judgment**  
We must remember, that the Judgment of this Pharaoh's rule and his people is a sign of the Judgment of the powerful rulers of today by the unequalled weapons that Allah has prepared to use in destroying them.

These terrible and dreadful weapons are, both, on the earth and in the heavens above the earth. But yet, these rulers mock the idea of Allah being able to destroy them and their advanced wicked science, without hurting one Muslim (the righteous).

The present wicked rulers have learned and now see, through their powerful telescopes, the power of Allah hanging and moving in the sky as well as you and I, who are able to see some of it with the naked eye.

Allah has made the retired ex-general, Keyhoc, take pictures of this power of Allah over our heads, which is almost identical to what Allah showed me in the sky in 1932.

Jesus prophesied of it coming in the clouds of heaven and Ezekiel gives us a faint picture of it in his vision of "a wheel in a wheel" high above the earth.

The foolish disbeliever of today say and do the same as the disbelievers before them. Remember, Jehovah killed the mocking proud Pharaoh and his people for the evil they had done to Israel.

The symbolic, prophetic "beast" of the Revelation was destroyed for his persecution of the symbolic "woman" and seeking to destroy her child at birth. Pharaoh and his people sought to destroy Israel by killing off all the boy babies. Herod sought to destroy Jesus by the same method.

What means and methods are now in the working to destroy the so-called Negroes from becoming a ruling power. Watch for the answers! Remember, Israel was persecuted severely by Pharaoh and his people.

Rome and the Jews persecuted Jesus and his disciples. The Revelation's symbolic "beast" persecuted the symbolic "woman" and her child. The "Beast" and those with him were destroyed in a lake of fire. Pharaoh and his people were destroyed by drowning in the Red Sea. The Jews and Romans lost their independence and the power to rule the world.

What and how will America lose her power and independence to rule the world? Watch for the answers?

## What the So-Called Negro Must Do By Elijah Muhammad

All over the earth today, we see men coming into unity, oneness, or solidarity. The European Nations are in a bond or pact referred to as NATO or the Warsaw Pact. They are attempting to establish a European Common Market. In Africa, there is the Organization of Arab States and much work is going on toward uniting all the people of Africa. In the United Nations, those nations which have something in common or identical people, traits, culture or borders are in groups or blocs. Men everywhere are seeking unity among themselves. Every race of people want unity with their own kind first, except my people, the so-called Negro in America. Our condition and lack of love for ourselves must be attributed to the slavemaster. He has been our teacher until the coming of Almighty God Allah. The slavemaster has robbed my people of their God, religion, name, language and culture. They are now deaf, dumb and blind to the knowledge of self.

The worst kind of crime has been committed against us for we were robbed of our desire to even want to think and do for self. We are often pictured by the slavemaster as a lazy and trifling people who are without thoughts of advancement. I say, this is a condition which the slavemaster very cleverly wanted and created within and among the so-called Negro.

Robert H. Kinzer and Edward Sagarin, in their book, "The Negro in American Business," Page 81, state that the history of America would be different today if the slaves, freed from bondage had been given, in addition to the three amendments to the Constitution, the famous "forty acres and a mule." The slaves instead started not only without land and the money to purchase it, but with few avenues open to earn and save such money. Ownership of producing land is a prime and necessary part of freedom. A

MR. MUHAMMAD  
Messenger of Allah

as other free and independent people. It is a shame! This shows you and me what White America is to us, and just why we have not been able to do anything worth while for self. They want us to be helpless so they can mistreat us as always. We must come together and unite. **IT IS TIME.**

I think it is a disgrace for us to be satisfied with only a servant's part. We should and must, as other people, want for ourselves what other civilized nations have! Let us do for ourselves that which we are begging the slavemaster to do for us. Do not be fooled by the false promises of civil rights and the softening of their language. It is offered to you now to keep you from becoming free of their evil plans of depriving you of the offer made to us by Allah—if we would submit to Him, He will set us heaven at once. It is only justice that we be given land and provisions for a start so we may do for ourselves. This is what the other new emerging nations are given. We want good productive land; not earth that is scorched, but land that would pro-

duce crops and hold foundations for structures. Let us make this clear, I am not begging, for if it pleases Allah, He will give us a home and I am with Him. Today, according to Allah's (God's) word, we are living in a time of THE GREAT SEPARATION of the blacks and the whites. The prophesied 400 years of slavery, which the so-called Negroes would serve white people, ended in 1955. The so-called Negroes must return to their own. Nothing else will solve their problem. The Divine Power is working and will continue to work in favour of the so-called Negroes' return to their own. The separation would be a blessing for both sides. It was the only solution according to the Bible for Israel and the Egyptians; it will prove to be the only solution for America and her slaves.

Again, Mr. Kinzer and Mr. Sagarin give a hint in their book of the great psychological strategy of the slavemaster on his slave — that is the original brainwash. On page 84, the authors state that the land sold to the slave was of poor quality and in an inferior location. They state, the so-called Negro faced pressure against his becoming a farm owner and pressure from the white community that he remain a tenant. We encountered credit difficulties, hardships of repayment of loans, and hardship with white executives from whom the loans must be asked. All of this is part of the clever plan to discourage my people from wanting to own producing land for themselves and to cause a great dislike, within them for having anything to do with tilling, cultivating, extracting and producing for themselves

duce crops and hold foundations for structures.

Let us make this clear, I am not begging, for if it pleases Allah, He will give us a home and I am with Him. Today, according to Allah's (God's) word, we are living in a time of THE GREAT SEPARATION of the blacks and the whites. The prophesied 400 years of slavery, which the so-called Negroes would serve white people, ended in 1955. The so-called Negroes must return to their own. Nothing else will solve their problem. The Divine Power is working and will continue to work in favour of the so-called Negroes' return to their own. The separation would be a blessing for both sides. It was the only solution according to the Bible for Israel and the Egyptians; it will prove to be the only solution for America and her slaves.

# THE TRUTH

By ELIJAH MUHAMMAD

Part V  
 If there ever lived on this Planet Earth a people who deserved a part of it that they could call their own, it is you and me, the lost-found members of the Asiatic Nation from the tribe of Shabazz.

Today, Allah (God) offers you and me a chance to become the owners of some of His earth. If we only submit to Him, I have submitted myself to Him and I am the first of the Lost-Found to submit to Him. Will you also submit to Him? We must have some of this earth for a home we can call our own as other nations.

MR. ELIJAH MUHAMMAD  
 Messenger of Allah

## 20 Million In U.S.

Twenty million of us here in America at the present time depend only on the white man for a job to survive. We are increasing in population daily. Do you ever take time to think for a moment that twenty million non-whites living and increasing in population among more than a hundred and twenty-five million whites, whose parents our parents were slaves to? We have become a Nation in a Nation and one of us MUST live (separate) from the other in order to survive!

The present condition of the white race engulfs them in a universal war that will force them to look out for themselves only.

## Angry At Each Other

All the nations are angry with each other, and Allah is angry with them. What kind of future do we have in such a mad world who have carved it up among themselves, but to submit to Allah (God) for a home? He (Allah) has said to me that He will set us in heaven at once if we would only submit to him.

Do you not hear and read how the white race is killing your own black people in Africa by the tens and hundreds of thousands?

They are killing them for no cause whatsoever, but to rule and rob them of their country's natural resources, and to enslave them with their false Christianity for cheap labor, just as they did our fathers here, and still have you in the status of a "free slave" with no hope but a job or the soup line. Yet, many of you glorify this same universal enemy enough to even integrate with them!

## Paid For Our Home

We have paid well for a home on this soil with 400 years of shame. We have been disgraced, robbed of the

knowledge of self and kind; we have sweated and bled for white America's riches, self-independence, security of property and lives. Will you not wake up and stand up to God and the Nations of the earth like a man of YOUR place and home on a part of this earth that you can call your own?

Do you feel proud representing yourselves under the white slave maker's names, and claiming what is theirs to be yours or partly yours? We need and must have something of our own, a home! Get out and farm! Raise the foods and clothes that you and your people must have! Get the earth, and build your own civilization of freedom, justice and equality.

You are the real "Lazarus" charmed by the riches of the slave masters and are too lazy to go for self! Some of you (so-called leaders) are well educated in the "know how," but would rather give your educational values back to your white teachers in their factories, plants, laboratories and offices; even to the extent of teaching their children. You even refer to the wealth and to this country of America as being "our wealth," "our country," or "we," while at the same time you are begging for Civil Rights (which they will never give you).

# The So-Called Negro Leadership

By ELIJAH MUHAMMAD

The leadership of my people, the so-called American Negro, has absolutely aided the slavemaster in keeping us a subjected people. The leadership continues to make a cry for social equality with white people. What intelligent people would want to fraternize, intermingle, integrate, sweetheart and marry the kidnapers, murderers, enslavers and burners of their people? Only a people such as my people with blind leadership would even desire or strive for such a lowly disgraceful act! The blind cannot lead the blind. The leaders of my people want and show great favor with the slavemaster against the good of their own people.

The so-called Negro editors, preachers, lawyers and other professional leaders of our people continue to lead the fight in begging the white man for civil rights. History shows we have been in this part of the world for more than four hundred years. We served more than three hundred of those years in servitude slavery. We have been so-called free for one hundred years since we were freed, we have been called citizens of America. Why then are we seeking civil rights if we are citizens of America? Why should the leaders of our people continue to beg the government to grant us civil rights? We don't have to beg the government to give us those glorious benefits that are laid down in the Constitution in the 13th and 14th Amendments. If we are citizens, we should be enjoying them without asking for them! Yet, we are still begging for justice! You need a better leadership.

The preacher leadership of my people are in the most ignorant class. They knowingly lead our people to a path of destruction and disaster because of their love for and fear of the enslavers of their people. We have records of several so-called Negro preachers who have made attempts to attack and destroy the Muslims and myself, The Messenger of Allah.

Reverend Borders of Atlanta, Georgia, on April 9, went on the air and stated to

MR. MUHAMMAD  
Messenger of Allah

Yes, the scribes and pharisees as they are referred to in the scriptures, have always opposed the righteous men of Allah. They oppose me today. The religious leaders of our people will soon learn they cannot overcome the purpose of God. In the 61st Sura of the Holy Qur-an, it states that they desire to put out the word of Allah with their mouth.

The so-called Negro leadership does not care to give their own people justice as long as the white man does not. The Negro leadership and the slavemasters are as two murderers and thieves of my people. The white man murders us as the Negro leaders rob us. In fact, both will rob us.

Since our being kidnapped and brought to America, we have received nothing but promises. It is promises which today satisfy the leaders of my people. There is the promise of fair employment and integration or social mixing. The devil is full of tricks and we cannot put any confidence in him.

The leaders of my people must remember that we are all black people of the black nation. The hurt of one member should be the hurt of all of us. Regardless of the type of leader for my people, he should not be afraid to speak for his brother. Regardless to

at radio audience that he would drive the Muslims from the city of Atlanta if he had the people with him. Reverend Borders would have an easier task of trying to dry the oceans up rather than direct his slavemasters slave-keeping attacks at us. Another preacher in Monroe, Louisiana, said the white officers who broke into our religious service March 5, on an unarmed people, should have killed us! This ignorant preacher, eager to show his slavemaster that he is not with us, calls for the defeat of his own people. Reverend Gardner C. Taylor, who is warring with Reverend Jackson for control in the white men's Baptist religion, chose the occasion again to denounce the Muslims who practice Islam, the religion of Almighty God Allah. The preachers claim that they are men of God. Where is their proof? It was the preachers who condemned Jesus to his death! It was the elders who opposed Moses! It has always been the clergy class who opposed the prophets of God.

where he may be, the leader should be for his brother. He should not flinch. My people must wake up and know their present leaders have failed them. Such leadership should and must be discarded!

The religion of Islam has powerful life-giving effects on the believers. Islam makes the believer feel that he should get up and begin doing something for self. Islam makes you and I see each other as brothers. Islam arouses the old love of each other that was put asleep in us by the slavemaster. I represent Islam as a religion to you. I want you to know the power and effect of that religion on us. If you ever accept Islam, you will stand up as one people and a nation. You will not lay as a race of slaves! We have a God with us! He is not to come because He is already here. Many Christians will admit that God must be present among us. Some of us today in this vast, moving world do not even take a moment of time to think or even check to see if this is the day of God's visit to a people or if it is the day of the devil's visit.

I have been sent directly from Almighty God, whose proper Name is Allah. He has given me that which the prophets wrote of, which will give my people life. It will bring light to you and your understanding will return. The leadership of my people would be wise in joining with me in this Divine awakening of our people. Their interference will lead only to their destruction in a lake of fire with the enemy of their people.

## The So-Called Negro Leadership

By ELIJAH MUHAMMAD

Why do you oppose Freedom, Justice and Equality for your people and self? Freedom, indeed has not been given to you in America; no equal justice has come to you, nor equal opportunity. Should not the Leadership seek good for his people, even at the cost of his life? What future do we have in being integrated in the white race who are the children of those who enslaved our fathers and mothers? Daily, we live under the very shadow of death at the hands of their children.

We want for our 20 million people here in America, what White America has for herself. You are a Nation within a Nation, depending on White America for sole existence — without trying, or even seeking a chance to try and do something for self—other than

to beg for that which belongs to White America. You beg as though you are too lazy to work and build a future for self. What future does 20 million no-whites have in their slavemasters? Is not it clear to you that your hopes of existence depend only on whatever type of labor the white man will offer you? Can you hope to continue seeking employment for your 20 million people in the factories and offices of the white man, while he already has unemployment among his own which is increasing daily?

The ever-changing map of the white world is increasing their own problem of existence. You may be unable to see and foresee this, this is why we would like to help you see. Twenty million ex-slaves failing or refusing to see and go for self today, will prove to be fatal for them in the near future. If the blind cannot see his own way and refuses to be led by the hand of the seeing one, who can be sorry for his stumbles and falls?

MR. MUHAMMAD  
Messenger of Allah

Allah (God) is with us to do something for self, but you are opposed to doing something for self and choose to beg for the crumbs, while there are clear signs that soon there will be no crumbs for you. Judge between you and me in what I am seeking for our people and what you are seeking for them. I am seeking a permanent home for my people where they can be free to build a future for themselves. If you were only wise enough to come and confer with us, the picture would be a different one.

Gone forever is the Negro mule and plow. The white man is ever advancing in the science of machinery (mechanical devices) and is rapidly putting our people in the bread lines. Something must be done by us to check the spread of poverty, suffering and want of our people! We do not have to seek the solution. God has given it Himself. Submit to Allah, unite and let us go for self on some of this good earth.

You, as religious leaders of the people, are doing your people more harm than good in seeking to integrate them with the slavemaster for total destruction. We must be separated from those who have enslaved us and are not willing to do Justice, nor grant us equal opportunity. WE MUST UNITE AND SEEK THESE THINGS FOR OURSELVES!

## The Blindness of the Negro Preachers

MR. ELIJAH MUHAMMAD  
Messenger of Allah

Allah (God) has brought to the light of Truth. This light, the devils (white race) would be able to put out the help of the mentally blind, deaf and dumb Negro Preachers. Just as Pharaoh thought he would be able to put out the light of Allah (Jehovah), that he kindled in Israel through his servant Moses, with the help of his spiritually blind magicians (preachers). But they met with Musa, (Moses), Allah's servant, there, the false light of the magicians was put out by the true light of Allah (Jehovah).

This king had no love for Israel, just as the President of America and the American citizens have no love for their so-called Negroes. Pharaoh was afraid of the light that he kindled in Israel by Allah (Jehovah), through His servant Musa (Moses) so that he became angry. He began to plan the death of Musa and the future of Israel by killing off the male babies of Israel. He was afraid, says the Holy Qur'an, that the light of truth preached by Musa (Moses) would change Israel's beliefs in Pharaoh's false religion, which he had made Israel to believe. So it is with this modern Egypt (America) and its rulers and people. They know they have blinded the poor so-called Negroes to the knowledge of truth. They pose as Divine representatives to the black man; while at the same time, being the real devils,

any other righteous original man. It is false and wrong to accuse God of getting a son out of wedlock, and it is false to believe that God is a spirit, while all of God's people are made of flesh and blood.

In secret, this Elder Michaux had agreed at my home that Thursday before the 10th of September, that he believed in what I was teaching and that he believed the white man to be the devil. But when he spoke behind me that Sunday, there were devils sitting in the meeting and he, Michaux, wanted their friendship so he turned to them and shouted, "I love white people." Such double-crossing, hypocritical preachers cannot be trusted with good leadership for their already blind, deaf and dumb people.

According to some newspapers and magazines, Reverend Martin Luther King says that he doesn't like the Black Muslim's basic beliefs,—Black Supremacy. Because, he says, Black Supremacy is as bad as White Supremacy. Reverend King, in such words, makes himself either neutral or a hypocrite on both sides—the black and white nation; due to his fear of the devils. The Negro preachers never speak, actually, the truth of what is in them. He speaks the way he thinks will please the white devils. He cares not for the friendship of God and his people, (the so-called Negroes). He is after the friendship of the enemies of God and his people, (the American Whites). Reverend Martin King is very lucky to have one Negro following him, who openly tells the poor, down-trodden black people in words, that he never wants to see or live under the supreme rulership of the Black Nation—for they would be just as bad as white Supremacy! He has never lived under his own people's rule. He never has seen the black man lynching and burning the black man. He never had the experience of having to go on freedom rides, sit-in strikes under black rule, to force them to serve him. Mr. King and his followers are showing the world that they love white supremacy, and hope it will rule them forever.

leading the Negroes away from the true God and true religion into a false religion. They mislead them under the name of a true prophet of Allah, named Jesus. These devil-made and hand-picked leaders and preachers of our poor people, the devils have made to help crush and put out the real light of truth revealed to me from Allah, in the person of Master Fard Muhammad. He (Allah) is the Negroes' long-awaited Jesus Christ, our Saviour and Deliverer, and the Crusher of our enemies (the devils). It was made manifest how rotten, blind and fearful the devil-made preachers are, on September 10, 1961, at Griffith Stadium, in Washington, D.C., on the subject: "Christianity vs. Islam." There, Elder Light-foot Solomon Michaux made no attempts to challenge the truth that I used in condemning Christianity as a Divinely revealed religion. And no attempts to challenge me that Jesus was not the founder of the religion of Christianity; that he (Jesus) was only a prophet, as Moses and the Prophets that followed in history after Moses, and Jesus was not the Christ. He wasn't the Son of God any more than

Reverend Martin Luther King is not trying to teach and make the lazy, white lovers, who are followers of his to unite and do something for self. But rather, he is aiding them to never have a desire to do for self. But to live by begging the white man to share his wealth with the Negroes and force the white people to share in everything that the white man has and not to worry about doing for self.

This is the worse teaching I have ever heard of in this modern day, of the rise of the Black Nation. The Reverend King would not be able to live where the black man is going after something for self. The scared, rotten, white-poisoned preachers should be driven to the rear of the people until they learn that we, the Black Nation, the First and the Last, under the Guidance of Allah, will rule successfully our ourselves—without the help of these devils. STOP depending on OTHERS and help SELF! Unite and seek a place on this earth that you can call your own as other Nations. Stop seeking the love and recognition of the devils.

## Thousands Turn Back Fail to Hear Muhammad

LOS ANGELES, April 13—Concluding a series of three of the most successful meetings held during the past seven months, Mr. Elijah Muhammad cut short his visit to Los Angeles and headed for Chicago to adjust pressing problems this morning. Each of the three meetings was a turn-away crowd.

The meetings were held at People's Independent Church of Christ, 18th and Paloma, which has a capacity of 1000 seating, turned away more than 3,000 at each meeting.

Muhammad's powers to draw Negroes, even on Monday evenings, remains a mystery to those who are trying to analyze his popularity. Speaking to a standing audience, Mr. Muhammad, who refers to his speaking as teaching, taught on the history of the creation of the white man. He told his audience, that if the Negro knew and understood who the white man really is, that he would not be clamouring for a seat beside him in restaurants. On the same taken, he said, if Africans were killing white people in Africa, the white man in America would kill Negroes here in revenge. Thus, he said, the sit-in-strikes in the South is one of the most disastrous activities Negroes have ever engaged in, in their four-hundred-year history in America. Thus, he continued, their activities re the sit-in-strike marks the Negroes as the most stupid group on earth."

On the question of economics, he said the Negro has the power to acquire the same

(Continued on Page 8)

(Continued from Page 1)

respect and status as other people by uniting and pooling their wealth. He said the Negro's money is put into white banks and savings and loan associations, loaned to white people to build businesses to discriminate against them. This activity marks the Negro as stupid. These same banks will not make a loan to Negroes. Yet, the banks, many located in Negro communities, use the Negroes' money and openly fight them. The bankers, he said, reject Negro loan applications, thus driving the Negro businessman into the hands of shylocks. He urges Negroes to pool their wealth and build banks.

The wealth of the Negro American exceeds 15 billion dollars and 85% of that money is tied up into monstrous churches. This money should be used to build factories. During this period of unemployment, the majority of unemployed workers are Negroes. We cannot expect a white man to discharge white people and give employment to us. We have to make an effort to help ourselves. In this period of unemployment and starvation, the Negro masses throughout the country should make a demand upon the Ministers that they use this wealth to make employment for them. In demanding this, the members of the various churches will find that the deed and titles to these million dollar churches are in the names of the ministers and their wives and their families.

In comparing Islam with Christianity, Mr. Muhammad used both the Bible and the Holy Quran, comparing the scriptures as written by man to the word spoken by Allah. For instance, one passage of scripture stated: "And they said that Jesus went that way," but the Quran stated that "I am Allah Thy God." He pointed out that the Quran stated fully the word of God and not the saying of men as

MR. MUHAMMAD

stated in the Christian Bible.

Muhammad also pointed out that Jesus was a member of the dark race proving this fact by stating that there were no cameras in that day to take the picture of Jesus and asking the question how then do we know that this is the true picture of Jesus as presented to us today? "Jesus," he continued, "was a Muslim and Christianity is a white man's religion created to enslave the black, brown and red people all over the world. The white man never had a God and never will."

Mr. Muhammad thanked his followers and those attending the meeting for the courtesy extended to him during his four-day stay in Los Angeles. He thanked those who made it possible for him to hold the meeting in this beautiful church. And said he hoped to return to Los Angeles again very soon.

Mr. John X., Minister of Muhammad's Temple of Islam in Los Angeles, said that he planned to purchase the People's Independent Church of Christ, and to turn it into a Temple. The church is for sale.

## SEPARATION OR TROUBLE?

By Elijah Muhammad

Separation of the two (Negro and white) is the only solution to the ever growing problem of "What must be done with the Negroes?" Both so-called "Negroes" and white slavemasters do not seem to want to let go of each other. While the separation of the two races would be an act of wisdom and justice, on the other hand, to force integration, which means socializing, inter-mingling of the two races (black and white) and the eventual swallowing up of the so-called "Negroes" race by their white slavemasters, or mongrelizing the two races, this will destroy the respect of the society of both, nationally and internationally. Again, integration is against the wishes of the intelligent thinking group of both races—these want to preserve their race and the respect of their society.

The government is trying to enforce this wicked and contrary law to the Divine Law and place of God, which will lead in revolution and war, and total destruction of the wealth of America. This integration is not the wise and proper way of solving the so-called Negroes' problem in America, but is an outright deceitful and wicked plan to destroy the Divine Plan of Allah for the future of the so-called Negroes. Both are sure to run into trouble with Allah's chastisement—both Negroes and whites, as it is plainly hinted and written in the Bible and Holy Qur-an. (I will gladly point it out to the disputer).

The wise white scientists know it as well as I, and hope to prevent it, but they are outnumbered by their wicked wise. God created two kinds of everything, so it is with man. He didn't intend for them (Negro and white) to mix, and has set a day of reckoning for those who willfully, and knowingly break His natural law in which He has created man. It is their

MR. MUHAMMAD  
Messenger of Allah

and throw them at the mercy of an angry Negro-hating mob, to be beaten and killed for nothing; only to be accepted as whites accept white, in white private-owned places, and finally allow his people to become white, and to mongrelize both races.

What does he think the intelligent white and black people think of his silly plan? What kind of foolish so-called Negro parents will let such foolish preachers use their babies as a test of the mob's fire? What will those children's think of such parents when they grow up and see the light of truth? Mr. Kilpatrick asked Rev. King, "Why do you want to integrate and make your race a coffee color, with complete integration, losing your race identity?" He was telling Martin Luther King, in so many words, that you and your race will not cause the white race to lose their identity, but the Negro will lose his. Such slander and mockery coming to the decent and intelligent so-called Negro by the ignorant love of a so-called religious leader of his people is a disgrace.

purpose to try and make Allah (God a liar, so as to deceive the blind, deaf, and dumb so-called Negroes, as the devil deceived Adam and Eve in the Garden of Paradise. While knowing fully well that they would lose their place with Allah and a peaceful home if they accepted his advice, so it will be with the so-called American Negroes, who after being offered heaven at once by Allah, accepts the wicked advice and the office of a temporary enjoyment with racial inter-marrying and having sexual intercourse with a people with whom Allah is angry.

He will punish both parties as he did Israel and the people whom Jehovah forbid Israel to intermarry with. Israel was punished, and finally lost the goal which Jehovah had set before her and the deceiving enemies of Israel were destroyed. I warn you to let Israel's history, from the days of Moses to this day, be a lesson to you. REMEMBER, both Israel and the Christians are on the brink of a pit of fire. The best and only solution of this problem of the so-called Negroes is SEPARATION and give them a start in a territory to themselves, regardless to the ignorant love of the slave for his master.

Take a look at the foolish plan of Martin Luther King for the poor so-called Negroes and how he and his plan were criticized by Mr. James B. Kilpatrick, Saturday, on the Television program, "Nation's Future." There we saw the man, Rev. King, a college man, a Christian Minister and Pastor, with a plan to take our poor people and himself

Such short-sightedness by Rev. King and the NAACP for the so-called Negroes of America, is making the nations of the earth, both black and white, laugh us to scorn, to see us, a race of lazy beggars, great lovers of our enemies, desire to destroy our race to become ONE in our enemies. Why doesn't Mr. King and his NAACP organization join with me on a decent plan; a plan that makes sense and one that will make a future for our people. Ask for separation and some of this good earth that we can call our own, where we can live in peace together, away from those who do not want us. This is the plan of God and it will bring an end to the ever growing trouble between the two races. If the white man (some of them) wanted to colonize us in Central American back in 1867, why not a free territory today, for we will not accept colonization. It is the time of our FREEDOM, and we will not accept anything less!

The NAACP and Mr. King want the freedom of voting, and in this way they think they will be able to gain equal power in a white man's government and country. A Negro will never be the president under the Stars and Stripes of America. If he did, what could he do but to bow to the wishes of the owners of the Stars and Stripes? Let us seek some stars for our own nation and stop begging the white man for that which he has. We are not in such condition as being at the mercy of the white race, as long as we are members of the Asiatic Nation.

# A UNITED BLACK NATION

By ELIJAH MUHAMMAD

WHY NOT A UNITED TWENTY MILLION BLACK PEOPLE OF AMERICA? There is a United Nations, headed by America and England, which includes nearly all races and colors. There is also a United Arab Republic.

Twenty million black people of America are called after the names of their slavemasters. This means that they are still the property of white America; thus making impossible for them to become a free and independent people of white America. If they (the so-called Negroes) would unite and throw off the white man's names—which have no divine meanings, for they (the devils) are not the people of the God of righteousness (Isa. 63:19; 64:3-5)—and the slavery teachings of the white man's religion (Christianity), they, in the Name of Allah and the religion Islam, could become one of the greatest and mightiest nations on the earth. (Let the disbelievers ask me to prove it).

We must unite and qualify for self-independence, for Allah's earth his vast. America killed off his original owners (the Indians) and took this country for their home. We

MR. MUHAMMAD  
Messenger of Allah

must have some of this earth that we can call OUR OWN. Allah is with us. We must learn trades and professions of all kinds and build our own nation, which consists of twenty million so-called Negroes.

There is no hope of a future for us in the white race, because they have no future for

themselves. **THIS YOU MUST KNOW!** Unity is the result of love and respect of one's own and others. We cannot expect love, unity and respect from others until we have these for ourselves. We should be ashamed of ourselves to ever want to integrate or mix bloods with the very enemies and murderers of our people. They are born haters and despisers of the black nation, they are also the robbers and spoilers of our nation.

Why not a united American black people (the so-called Negroes)? We have a world of people of our kind who would not hesitate to show us that they are our sincere brothers and sisters if we only would throw off the chains and yoke of the white man's slavery. You should drop their names and get out of their religion. Stop worshipping them (white man) and worship Allah (God) and His true religion, Islam. Islam means entire submission to the will of Allah and the entrance into His peace; there you will not fear nor shall you grieve.

Seek for yourself and kind, that which the white race seeks for themselves which is independence, freedom, justice, equality and a free country for their own kind. A dependent and begging people cannot hope for anything but the worse. This world is on her way out and another one is coming in, the new world of Islam (Peace and Righteousness) under the rulership of Allah and the Muslims.

Let us buy farm land where we can grow our food and sell it at a price that our poor people are able to pay. We should produce our own needs, unite as one man, and sacrifice everything to accomplish this unity.

# A UNITED BLACK NATION

By ELIJAH MUHAMMAD

This is a great time of national and international disagreement because of the united black African and Asian nations. The leaders that are presently heading the Asian and African countries are not seeking self-glory and prestige, but are rather seeking freedom, justice, equality and self-government to represent the voice and carry out the will of their people. Great historical strides are being taken to revolutionize the economic, political, social and educational systems of these countries. They are tired of foreign domination and rule by other than their own kind. They want to do business with their own nation. They desire to hold conferences of good will and diplomacy with others like themselves. They have experienced the painful error of doing business with their oppressors (the white man). You see our people of other lands putting forth every united effort to restore love, peace and happiness among their own kind.

When we look at our own darker people in Africa, the picture of love and unity does not exist. We are so disunited in our purpose and aim that it may appear, at first, hopeless to solve our problem. We find a situation in America, worse than it was in Egypt when the Israelites were in bondage to the Egyptians. In those days, God, through His Mercy, raised from among the common people, a leader who was living in poverty, who was illiterate and uneducated.

Therefore, when God (Jehovah) called Moses to unite his people, and lead them forth, out of the land of the Egyptians, many of the Israelites, for whom Moses was raised up, opposed him. Today, you think of Moses as a great leader of his people. You also bestow the same honor upon Jeremiah, David, Solomon, Lot and the others. You read in their histories where they were rejected, hated and despised by their own people more than by the enemy of their people.

MR. MUHAMMAD  
Messenger of Allah

was the magicians, the officials and the various leaders in Moses' day who opposed him most severely, because they loved the honor of Pharaoh more than Jehovah and their own people. They did not want to bow to a man who was uneducated according to their standards of values, which were really the standards and values of the enemy of their people.

Is this not equally true today of the so-called Negro intellectual class, because of their pride, self-conceit and ambition, they cannot submit to Divine Leadership, one not educated according to their standards, which are really the standards of the white man (the enemy of God and themselves)?

Muhammad of 1400 years ago was also a man of no education and was severely opposed by the same kind of intelligencia leadership that exists in the ways of the world. The university trained man is often too proud and boastful of his education, and will not sincerely cater to the welfare of his people. These are the very same reasons why Jesus was not able to win converts and followers from

It is recorded that when Moses inquired of Jehovah what he should say to Pharaoh and to the people, God told him that He would put into the mouth of Moses the proper words, for He, Jehovah, made Moses' mouth and tongue and made Moses His mouth-piece to the people. From the Holy Qu-ran, I here verify the Words of God to me, where He says: "And I have possession of Power over all things!" I say to you none other than what Allah has permitted me to say to you. He alone is my guide and my speech; His Will is my will! I say to you, unite and separate from the people of this modern house of bondage.

To this Modern Pharaoh I say, "Let my people go!" The so-called Negro Leaders who are blind to the time, do not realize that this is the time of our separation, and that God is dealing with America today as He dealt with Egypt and the nations in the past. Therefore, it is fruitless for a man, who has not received his instructions from God to bring about the desired peace and prosperity of our people. He cannot successfully represent this people. No self-made or self-styled leader, whose authority is NOT from God Himself, can do this job.

If we bring Moses' history right down front to modern times, we will gain a better understanding of the time. It

among the highly educated and rich people in His day. They recognized the enemy at their God, as you recognize the white man (enemy) as your God today.

Let us consider that it is in the deep soil deposits of the earth where precious stones and jewels are discovered. It is among the poorer class of people where great artists, writers and leaders are found, not from among the rich and wealthy class of people. Such ones found in the mud of civilization have a better knowledge and understanding of the needs of the majority of their people. What you need, is what God Himself desires for us to have, and that is a united black leadership in North America, with one shepherd over His flock. Whether you accept the religion of Peace (Islam) or not, it is my desire, by the Help of Almighty God, to feed the mouths of the hungry, to shelter the homeless, to clothe the naked, to provide every need that is necessary for the development of an advanced black leadership for my people, anywhere you choose to go on this planet earth.

Be it here in America, Africa or Asia; in the Desert Regions of the Sahara, Arabian Desert or in the desert regions of America's southwest, God has the Power, which is on our side today, to bring forth vegetation and foliage growth, gardens and heaven for you and me, even if it is the desert and swamp lands of the earth!

## What Is Un-American?

MR. ELIJAH MUHAMMAD  
Messenger of Allah

(Continued from last week)  
According to the dictionary's definition of un-American, it means: "one that is not American; not characteristic of or proper to America, foreign or opposed to the American character, usages, standards, etc."

As you know, any or all Negroes that seek freedom, justice and equality, is or are charged or accused of being un-American. They are accused with seeking to overthrow the government of America by force. (We, Muslims, prohibit the carrying of arms, but yet we are accused of planning to overthrow the government by force). No Negro leader has been successful in helping his people to freedom, justice and equality, that was not opposed by both his own people and the merciless, wicked white Americans. Also, by those poison intellectual so-called Negroes who love and worship the devils and hate self and kind. Today, the Americans hope to unite all educated so-called Negroes, along with their already poisoned Negro Chris-

freedom, justice and equality from coming to the poor black man and woman in the Western Hemisphere. She is pleased with the foolish and ignorant worship of the so-called Negroes. She doesn't ever want the Negroes to accept the true religion, which is Islam. WHY? Here (in Islam) the Negroes have a true God and true friends on his side, and that means help to the poor Negroes against his open enemies, the white race. So YOU CAN SEE, or you will see why they do not want a so-called Negro Muslim people in America. It means independence, friendship, Divine guidance and help against the devils. As it is written in the Holy Qur-an, "know that Allah is with the Muslims."

**TRICK THE NEGROES TO STAY IN DEVIL'S NAMES!**  
For the first time, the so-called Negroes are awakening to just why white Americans still like to call their much hated and despised, once Negro slaves, after their names; or make the Negroes think names do not mean anything that they should remain in them. The devils have knowledge of the time. They know you will not be accepted by God, nor your own nation if represented under their names, which are not names of God—and will not see the Hereafter. The intellectual so-called Negroes think it is a disgrace to them; to not be called by the slavemaster's name; and if I wanted to be called "Muhammad," I should go to court and have my name changed legally. I laughed and said, I'm sorry, I have my legal name; there is no law to make me pay to be called by my legal name. I have been called by an illegal name. Now, I have gotten

Unity under the guidance and protection of Allah will bring an end to this horrible situation. What do you see as a future in them for you and your children?—Nothing but hell. Remember, if you are black, or a member of the Black Nation, you are un-American. If you want equal justice and a decent way of life to live, or have love for the black people, you are un-American. The American is the only one that can sing, "The Land of the Free"—it is for the white Americans.

tian Preachers, against we the Muslims that preach freedom, justice and equality for the Black Nation. They are united against my followers, and I. Thanks be to Allah, you are a little late to win. Allah (God) knew the tricks that you would use to try deceiving the Black Man before you were created.

**UN-AMERICAN:** I wish to prove, according to the English language in this article, that every so-called Negro, Indian, and all non-white Europeans, are un-American according to the dictionary's definition of an American. An American, according to the dictionary, "is a citizen of the United States or of the earlier British Colonies; one not belonging to one of the aboriginal races. (We belong to the aboriginal nation of the earth, the white or European race is not aboriginal). 2. Native or inhabitant of the Western Hemisphere. The above explanation makes it clear that we are not members of the white Europeans, nor descendants of that race. We are the aboriginal un-Americans. The above explanation also makes it clear that we (so-called Negroes) are not, and cannot be American citizens, since we are not American by nature, nor by race. A true American is one other than the aboriginal race or races that inhabited the Western Hemisphere, or the whole Planet Earth, before the coming of the white man from Europe. We, the so-called Negroes (members of the aboriginal Earth, and of the tribe of Shabazz) were kidnapped from our native land and people by the white Englishmen and Americans. We were brought here not to be made Americans, nor American citizens; but rather, to be slaves or servants for the true American citizens—whites—who originally came from Europe. We, descendants of the Asiatic Nation from the continent of Africa, after 100 years of so-called freedom, cannot claim by the law of justice, to be Americans or American citizens. We are un-American; and by nature, we are different. Know from this day on, that if you are a so-called Negro, red, black, or an Indian, or any member of the aboriginal Black Nation, you are an un-American. Even though you may have been born in the United States of America; you cannot be an

rid of that illegal slave name for a legal and Holy Name of God. Again, we must remember, the white race never intended anything like good for you. They are not seeking good for you today; death is really their aim for you. Why do they oppose our struggle for justice and freedom if they want to see all people free and ity? They are not referring to you; you are not people in their eyes, it is their people they are referring to. Why do they oppose separation of us into a state or territory of our own, since we cannot live in peace with them? When we read of the evils done to us and to our fathers by this race of devils, we cannot foresee anything in them but evil, hatred and murder for us and to our unborn children.

Read some of their books on what went on against our slave parents by the fathers of these modern murderers of ours. For instance, the book entitled, "Brown Americans," by Edwin R. Embree, printed 1946, page 54, tells the story of laws against education for the so-called Negroes. He quotes a devil, Henry Berry, as saying while speaking in the Virginia House of Delegates, in 1832, describing the situation as existed at that time in many parts of the south: "We have, as far as possible, closed every avenue by which light may enter the slaves' minds. . . (The avenue of the light of Allah you are unable to shut out from coming to us). . . If we could extinguish the capacity to see the

light, our work would be complete; they would then be on a level with the beasts of the field and we should be safe. I am certain that we would not do it, if we could find out the process and that on the plea of necessity." The above words, desires, and works against you, are still in the hearts of their evil, blood-thirsty children against you. Today, they go around in large cities like Chicago, at night, in cars, loaded with baseball bats, guns, iron pipes and knives to pounce upon and kill poor, harmless, so-called Negroes. We are lying under the very shadow of death in such a place as America.

# CORRUPTION

ELIJAH MUHAMMAD

"Corruption has appeared in the land and sea on account of that which men's hands have wrought, that Allah may make them taste a part of that which they have done, so that they may return." — (Holy Qur-an 30:41)

THE WORLD approaches one of its most darkest periods since the creation of the Caucasian race; the intensity of it is increasing hourly. A high temperature of madness is troubling the heads of the nations, regardless to the great advancement of science in every field of wisdom. The great progress that they have made should bring joy and happiness, but instead of joy and happiness, trouble, sorrow, fear and trembling—and the worse is yet to come!

There is a great financial waste on a mad-war race, — arms that are made today, become obsolete tomorrow. Every nation is trying for the best and for the most destructive weapons of war. Billions of dollars are being spent on useless experiments; the currency is all but worthless. The great army of informers — nearly everyone will deceive the other. The above

non-people cannot depend on a job in the factories and on the farms of white people, which benefits the owners, not the so-called Negroes. We must have some of this Earth that we can call our OWN. There we can create our own jobs, and the labor will benefit the Negroes. The slavemasters and their children have never given the slaves (the so-called Negroes) a fair chance to go for self. They have not had an equal opportunity, and probably will never get one, as long as the white man is in power. The white man is against equal justice and equal opportunity for the black man.

LAST WEEK, a Mr. George E. Sokolsky, newswriter, seemed to be angry and upset over the progress that the Truth (Islam) is making among the so-called Negroes. Mr. W. D. Fard, whose proper name is Allah, has brought this truth to awaken the so-called Negroes into the knowledge of self, God and the devil, and Mr. Sokolsky charges the progress of this truth to be from a violator of the narcotics law, who served three years in San Quentin Penitentiary. NOTHING COULD BE WORST THAN THESE CHARGES! We will make Mr. George E. Sokolsky prove this lie, regardless to the cost! Allah (God) has brought the knowledge of the truth to us, and this truth is preventing our people from practicing their evil habits. The devil wants to stop the so-called Negroes from believing the truth.

verse says that is is "On the account of that which men's hands have wrought." Man makes his own happiness or trouble. With his brain, he is able to think, the thought or idea; he forms an image of it and the ears, eyes, and mouth bear witness; then the hands fashion it into shape, the image of the mind.

SO THE WHITE RACE has prepared their own DOOM with their own hands — the great fortification at sea, and land. The prevailing corruption on the islands of the seas. The great mistake made by the white man, was in bringing the so-called Negroes from their native land and people, putting them in chains, to rob them of the knowledge of self and labor; and administering merciless beatings and killings for four hundred years. Now, the God of Justice says; as Thou has done, so shall it be done unto you.

ALLAH (GOD) has chosen the so-called Negroes to be His people and offers them heaven once on their submission to His Will. He invites them into the true religion of God; "Then set thyself, being upright, to the right religion before there comes from Allah, the day which cannot be averted; on that day, they will be separated." (Holy Qur-an 30:43)

The Day mentioned, that cannot be averted, is the day of DOOM for the enemies of Allah. There is no future for the so-called Negroes in the white man's world. For four hundred years, the slavemasters and their children have not offered them anything but a job to work and serve them. Twenty m
