

# ARTIFICIAL B

In the Name of Allah, the Beneficent, the Merciful; Peace and Blessings upon His Servant and His Messenger, Muhamimad, forever. Amen.

As-Salaam -Alaikum

My Dear Brothers and Sisters,

We can never grow into the true Knowledge of Self until we learn and understand the history of ourselves.

Our pitiful condition as a people in the world today is a result of the brutal butchering of our original mind (mentality) by those who ripped us from our native soil.

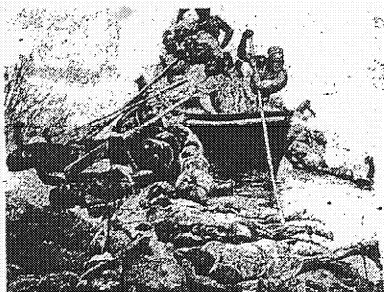

They skillfully severed from our minds those functions of mental and spiritual development which classify a physical body as "man" or "human."

The fantasies and distractions of this world have been artistically manipulated to divert our thinking away from the origin and the growth of our present slave minds which have burdened us with the self-destructive tendencies of "Artificial Blackness."

Our minds have been conditioned to automatically reject any attempt of the mind to reflect on the 400-year history necessary to produce a deformed and abnormal psychology of slave perpetuation. Let us reflect for a few minutes on the history of how we were made slaves.

## WILL A MAN ROB GOD ?

We were taken from our homeland (so-called Africa) and mercilessly crammed into the dark, dank hulls of slave ships like sardines, forced to live with our own filth. No effort at all was made by our captors to treat or respect us as human beings.

This cruel treatment was designed to break up and destroy the true life that was within the bodies of our foreparents. The slave-masters treated us as flesh, but they disregarded the person within the flesh. They planned to kill the person within the flesh and make the flesh become stronger than the person within.

Will a man rob God? Yet ye have robbed him. But ye say, wherein have we

robbed thee? In tithes and offerings."

"Ye are cursed with a curse; for ye have robbed me, even this whole nation."

*MALACHI, Chapter 3: 8,9*

First, the slave-masters broke our spirit and made us accept being handled like an animal. Whenever they would gradually let us have a little freedom, they were slipping ideas into our dulled minds that would do the work (crime) of keeping the inward person dead.

## THE CHURCH MADE US PHYSICAL

The slave-master worked to instill "slave-mentality" in us with the Bible, the Christian religion, and Uncle Tom preachers who preached us into physical things out of the spiritual things.

Most of our poor people prayed, sang, and cried in the Church thinking that it was making them spiritual, but it made them physical. The Church told us that we didn't have any opportunity in this world but that our hope was in a world to come. It told us that we were spiritual and that we had a future life as spiritual beings.

The Church never did tell us that we had an opportunity right then to come into heaven spiritually. It said that we had to wait until we died physically to come into heaven spiritually.

## THE DIABOLICAL SCHEME

What effect did this diabolical scheme have on us? It made us satisfied to give up on any human elevation and live with whatever the slave-master's world put on us. Our pleasures were then reduced to animal pleasures like eating and sleeping.

In fact, our pleasures were reduced lower than the lowest animal because even the lowest of animals have some sense of animal dignity; some sense of animal "spirituality," a social life, and some recreation.

None of these things were in the slave life of our people. We could only hope for enough cheap food for supper to fill our stomachs after we came in from the

scorching, dusty fields; enough water to quench our parched throats; and a place to rest our weary bodies for a few hours of sleep.

In the early days of slavery we prayed and sang spiritual songs asking for the physical things of life. We sang for golden slippers, white robes, golden crowns, harps to play on, and milk and honey. Though we called that heaven a spiritual heaven, we were actually hoping for a physical heaven.

## WE BECAME "PHYSICAL-IZED"

When we neglect the cultivation of the real life within us, the higher form within the physical body suffers and dies. Then the physical body falls under a curse (Bible and Holy Quran).

As slaves, we began to neglect ourselves physically. We ate so much of the wrong foods that we began to grow all out of shape; we neglected the cleanliness of our bodies; we either let our hair grow wild or we burned it straight with chemicals prepared for us by the white man.

We grew completely out of the human life into a life less than an animal. We hoped and prayed for a physical heaven so much until we became "physical-ized." In becoming physical-ized, there was nothing in the physical person to rule over the physical body. Therefore the physical body fell down because it had no strong body in it to care for its upliftment.

## GOD WAS MADE PHYSICAL

After cramping us in miserable physical conditions that served to break down the real human in the body and make it give up hope, the slave-masters put ideas in our warped minds in a very deceitful and psychological way to
