

BLACK AND WHITE

By Elijah Muhammad
Messenger of Allah

The great separation of Black and white is now in workings by Allah, Himself, in the Person of Master Fard Muhammad, to Whom praise is due forever. We have been reading Biblical scriptures all over that: There will come a great separation between two people—the righteous and the wicked.

THIS MUST COME TO PASS. There cannot be judgment made between the two people (Black and white) or individually, until this comes to pass according to the signs of the time, this is the fact that the separation is taking place.

The true evidence that we have of this is that the Messenger of Allah (God), in the Person of Master Fard Muhammad, to Whom praise is due forever, is accomplishing His will by getting into the very hearts of the Black people for the first time since our being in the Western Hemisphere. They desire to accept their own (Black) and go to their own Black people. This is the greatest evidence of Allah that the Judgment between the great separation between Black and white is going on.

This is the Resurrection, as it is prophesied of the spiritually dead Lost and Found members of that original Black Nation that has been called by and assumed names other than their real, Original names.

The white slave masters made merchandise out of our people over 400 years ago and gave them their names because they were the owners of the slaves. No man would want to name his own property after himself. We do not argue with the white man about

names. They captured our fathers and they bound them in chains and forced them into submission to their will and they became property of the white slave masters. Therefore, the slavemaster had a perfect right to call us after his own name. And, since we were servitude slaves, he had a right to teach us whatever he wanted to teach us. There was no one of our own Black Nation to teach us in those days. There was no God of our own to appeal to Who would have helped us 400 years ago, for He Had Not intervened.

The enslavement of us and our history here was divinely Appointed and that which is Divinely Appointed for any person must come to pass.

But, we are thankful today that that time has now passed and that we can freely go back to our own Black Nation, God, and religion. We are no more obliged to do that which is not our own, unless we are deceived by the arch deceiver and follow the Invitor's call to do that which we are not supposed to be.

THE GREAT DANGER in the Black Man returning to his own is being weak and wicked enough to accept the great arch deceiver's deceit. Accepting fancy salaries, fancy promises made to you to become members of his society, false promises of great wealth, false promises that he will do more for you than God, Himself, and the mixing and intermarrying with his sons and daughters are the gravest mistakes that you could make.

God Has Manifested to you and me that they are a race of devils. They cannot dispute that they are not. It is impossible for them to do so. In fact, they know more about themselves than you or I could tell them (that they are as manifested by God, the real devils in person). To take them to be real friends and angels of God is also a grave mistake that you will be making.

Grinning in their faces, weakening under their advice and teachings against the truth of yourself, of your God, your religion, and your people is inviting you to hell fire. Hell fire is not an imaginary thing. It is real. Read your last Book there called Revelation of Saint John in the Bible. It reads: Those who follow him would be cast alive into a lake of fire with him.

REMEMBER THIS HELL FIRE is real and the people are to go into it alive, like the Sodomites went into that fire alive. This is an example for you and me to know what would come upon us in the latter days of this world.

I would advise you from the depths of my heart to keep going to Black. But, you will never have any power until you accept Islam and come follow me to the God of Power. You can unite, but that does not mean you have spiritual power. You still have to come this way (follow me) for spiritual power, so we are not going to quarrel about that. I am happy and rejoicing over seeing you love yourself (Black) and to see that you are moving towards it.

There is no such thing as us ever being able to get along in peace with this people (the white race), since God is the Real Author of peace and He is the Author of punishing those who are not at peace with each other. The white and Black cannot agree today to live with each other in peace, for there is no peace for any such union.

Why should not we be left alone by white people when we want to go to school in our own Black schools, set aside for Black people? He segregated us first, now he wants to integrate with us.

What is his purpose for this? I am only asking for separation and God is giving it to me. There is something other than good in store for you in integrating. You cannot teach your Black child to be

The Honorable Elijah Muhammad

independent of self or teach him in the knowledge of self in the white man's school.

They (white people) teach our Black children what they want them to know and not what we want our children to know.

Their Black African history and their history of us here in slavery will not work for us today for freedom.

If we teach the history of ourselves (the Black people) in our Black schools, we must not rely on the history that the white man has made for you and me. We must get a history of our people that dates beyond the cotton fields of the South, or before we entered into slavery under the white man. And, God has Revealed this history to me. I am teaching it to you.

GET THE history of your people from the beginning of the Black Man. I have it from God. It will dignify you. **COME ON AND BE DIGNIFIED!!**
