

DEATH OF THE COCKATRICE

(Continued from page 21)

growing among the religious people were going to come to a head at a future time among the Gentile people. Jacob would bring the corrupt religion to the Gentile who would develop from the body of Divine knowledge mixed with falsehood.

THE SNAKE

The righteous community of people were being warned that a snake (Satan) was going to come along and that he was going to hatch the egg (scripture) of their rooster.

In the egg of the prophet is the power of a germ to produce more birds.

The false prophets of the cockatrice were hatched from the unprotected egg of the rooster at the death of the prophet. Satan fertilized the egg by taking the scripture out of its original form and putting it into another form having part Divine and part Satan, who is the enemy of righteousness, man and Divine.

THE POISON OF THE COCKATRICE

Christians are more physically attached to God than they are spiritually attached to Him and this is the poison of the cockatrice. The snake's poison is there making the people more material. They can't rise above mother, father, babies and sex.

The people in the Church believe that God had to use some unnatural method of bringing a flesh being (Jesus) to teach the people about righteousness. The grafted world has made you believe that it is because of Jesus' purity that you can be redeemed and of the shedding of his blood that has saved your life.

This is the kind of adolescent mentality under which the whole Christian world has been. Christians have been made sex-minded by the teachings that they have gotten through the cockatrice doctrine of trinitarianism.

CROWING OF THE ROOSTER

"...the weaned child shall put his hand on the cockatrice den.

They shall not hurt nor destroy in all my holy mountain: for the earth shall be full of the knowledge of the Lord, as the waters cover the sea."

Isaiah, Chapter 11, Verses 8 and 9

When we come to the right understanding of scriptural language, we don't have any confusion in religion because we are able to see true pictures. Without true understanding, however, there only is confusion.

The leaders of the grafted world knew that by keeping the people in scriptural darkness, keeping true

knowledge away from the righteous community of people, they could continue to sit on the thrones of material wealth.

Revelations says that the red dragon was seen going down in a lake of fire, which was something of its own beast nature. Red means fiery and refers to that individual or people who are unable to control their physical appetites.

The Book tells us that the cockatrice was killed by the crowing of the rooster who began preaching the truth to the people.

Brothers and Sisters, the day of corrupt and immoral religious leadership is over. Truth is here today unlocking the doors of scriptural wisdom. The Nation of Islam (Body - Christ) is teaching the truth of God and His religion to all people.

We are destroying the cockatrice with the pure religion of Islam.

Thank you for honoring us with your time to read these few words.

Your Brother,
W.D. Muhammad

The Wisdom of W.D. Muhammad:

If we do not worship the True and Living God, we are worshipping idol gods because we have associate gods. The associate god might be carnal love (love of the flesh) for the male or the female; it might be the love of wealth (the dollar); it might be the love of violence, the love of beauty, or the love of many other things.

We have to see ourselves as people that still have the problem of idol gods. We, the Muslims of the Nation of Islam (the Body - Christ), tell you that Islam is our way and we don't want to force our beliefs on you. We have made this choice of our own free will. We call you to Allah and our knowledge is not confused. It is Divine (certain) Knowledge from the Lord of the Worlds.

Jesus told Nicodemus that he had to be born again. He meant that Nicodemus had come through the three stages of development of three growth periods, but he had been born dead (stillborn) because his knowledge was false. To be born again he would have to die in his present mind (give up his world and his mind) and be reborn in the right mind.
