JUSTICE IS COME:

THE DEATH OF WHITE SUPREMACY

"And Jesus said, For judgment I am come into this world, that they which see not, might see, and that they which see might be made blind."

ST. JOHN 9:39

In the Name of Allah, the Beneficent, the Merciful; Peace and Blessings upon His Servant and His Messenger, Muhammad, forever. Amen.

As-Salaam-Alaikum
My Dear Brothers and Sisters,

We are living in a time that was talked about and hoped for, for thousands of years. It is a time when everything would come out in the open.

It is hard for ordinary human beings to understand and to appreciate the day and time in which we live.

I ask you, Dear Brothers and Sisters, to have faith in yourself; have faith in the Divine revelation that comes to you from your own history; have faith in yourselves as a people who have a history that is as serious, as prophetic, and as Divine as the history of any people that you can read about.

I hope that you will begin to see your true self as a people that Almighty God has been preparing to do the great job of correcting the wrong in the world.

If you can grow to see yourself as the people who are chosen to correct the wrongs of the world, you will get the courage and the energy to get on your divinely appointed job and start correcting the wrong.

As long as you look at history and do not see yourself with a major role in it, you can do nothing but follow the history of other people. Once you can come to see yourself as taking a major role in the history making of the world from thousands of years past, you can easily come into your rightful position as the renewer in the world.

RENEW THE WORLD

The position of the Nation of Islam (the Body-Christ) is that of a people who have been divinely blessed with the power, the mind, and the heart to renew the world.

This world, the world of grafted Caucasian, mentality, has grown old. It is no more colorful and energetic like it was 50 to 100 years ago. In the past few years, it has been growing very weak. It has grown so hopeless today until people are just satisfied to go to work, return home,

get some sleep, wake up, and then repeat that cycle over and over again until they die.

There is no bright sun shining for the people in the world today. The sun of hope for human beings over the earth has grown dark and is all but out. They no longer look to the Western Caucasian powers for direction. They no longer feel safe to leave the world to Caucasian power or to trust their lives and their future to Caucasian leadership. This world has been led far away from the laws of Almighty God, the Creator.

GOD MUST DESTROY THE OLD WORLD

The power that generated creation is too big to be contained in the creation that it generated. When the people get out of touch with the Divine Power, they begin to go astray from the natural rules and regulations of the Creator that are established in the natural makeup of His creation. Then, only God Himself can bring them back.

In bringing the people back to Himself, God must destroy the old, wicked world and bring into being a new, righteous world. We have read many things in the Bible and heard many teachings on how the destruction of the wicked world would come about. We want to review some of

this language to get a better understanding of what kind of destruction we are to expect at the end of time.

BIBLE STORIES ARE BABY LANGUAGE

You have been taught to be attracted to Bible fairy tales, such as the stories of Sampson and Delilah, David and Goliath, and Noah and the flood. We can talk about this kind of teaching, but let's not waste time with it. The story itself, once you start thinking, is sufficient enough to open your eyes. It can only blind you when you have no questioning mind and when your mind is not alert.

The language of the Christian religion, for the most part, is a language designed to put your mind asleep. Once your mind opens and begins to work, the wheels of your intelligence begin to turn over and you just cannot tolerate that kind of foolishness. The Bible stories have great wisdom behind them, but they are nothing but baby language for children the way they are given to you.

THE DEVIL'S HIDING PLACE

The great teachings in the Scripture of the destruction that is to come tells us that a wicked power would come into being that would have such deceitful wickedness that it would grow to deceive the very chosen of Almighty God, Himself. The Book says that at the end of time this evil power would manifest itself as chief in the sanctuaries of God.

The prophets tell us that at the end of time we should look for that mighty wicked power in the religious world, not in the world of atheists or heathens. We should look for that evil power in the particular body of the religious world that is the leadership of the religious world.

The Scripture says that the devil was transformed an angel of light:

"And no marvel; for Satan himself is transformed into an angel of light.

"Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works."
