the face of the earth and so, in time, you would have to destroy the physical group of people who would become the new rulers. This would go on and on because you would not have destroyed the devil mind which can enter any physical body of people.

You would still be under the burden of grafted, Caucasian mentality that filters through and fills the atmosphere. You eat it with your eyes; you eat it with your ears; you eat it with your mind when you're not even thinking.

The only thing that can kill this devil mind is another knowledge that has the nature to rise and fill the atmosphere. This superior knowledge is the knowledge we are teaching you and it has the power in its own natural makeup to force you to undo what the old, evil knowledge did to you.

*"And then shall that Wicked be revealed, whom the Lord shall consume with the *spirit of his mouth, and shall destroy the ** brightness of his coming."*

II THESSALONIANS 2:8

(* Spirit-Divine knowledge, —
** brightness- The intensity of Divine knowledge, truth, purity or righteousness.)

JUSTICE AND DIVINE BLESSING

The so-called white man has no supernatural power. They are flesh and blood just as you are flesh and blood. Their only out-of-the-natural power was the false power of white supremacy. Once that doctrine is killed, they have no power advantage over you. Justice is come and everybody is being put on an equal footing.

Brother and Sister, you can now put down the walking cane of "blackness" and stop putting up excuses for being crippled. If you are strong, you will not want a walking cane. Strong men and strong women don't want excuses like skin color. They want to show that they have worth that is superior to physical skin coloring. Once you put down weak excuses, you will begin to grow and flower as a mind and as an intellect.

Everything that was once working to aid the Caucasian mind to come into power over other people of the world is now working to aid you to come into power. Now that the truth is out and people see what has taken place in the world, the balance is going to shift in your favor. You not only have justice, but you have a Divine blessing too.

GOD HAS PREPARED US

The poor Black man and Black woman of America has been left alone. We haven't had the support during our long

history of suffering of any race of people or any person but God, Himself. Only the Divine in us has made us survive. The only thing that has made us come into a new life now is that Divine Knowledge and Truth has come to us.

Nobody outside of us is going to lead us today. Almighty God has prepared us for this day, Brother and Sister. We know where the power is. The power is with the righteous and we are the righteous. Now Almighty God has manifested Himself to us in His great body of Divine Knowledge and He has shown us all the tricks of the unnatural people.

Now we are on our job of undoing their work and bringing health back to the minds of our people. In doing so, justice will be done. That which has been the bottom will become the top. Those that had no sympathy from the nations will be the elect of nations. The body that was cruelly mistreated, afflicted, tormented, crucified, and nailed hand and foot to the cross is now coming down off the cross of crucifixion and rising up in renewed (reborn) glory to judge those that crucified him.

ALL DEVILS WILL DIE

The Nation of Islam is going to rebirth the world. The Book says that Nicodemus asked Jesus how he could be saved. (Nicodemus represents devil or demon.) Jesus told him that he would have to be born again. He meant that there was nothing in Nicodemus' mental makeup that could be saved. Nicodemus would have to be born from the very beginning as a mental being.

That is exactly what we are telling the world of grafted, Caucasian mentality: they have to be destroyed as a mind. We cannot correct it; we cannot build on it; we cannot let any part of it remain. You have to rid your mind of all of it because none of it is good. All of it is devil.

The Prophet Ezekiel told the wicked who had defiled (made filthy, low, unclean, wicked, corrupt) their sanctuaries or holy places that he would bring forth a fire from in their midst in the sight of all that saw them. He said that the fire would devour them and bring them to ashes upon the earth.

This is the punishment to Caucasian, white supremacists and all who hold on to their doctrine whether they be Black or white. Now is the time of the final judgment. When this court closes, all the devils will be dead.

WE WAKE YOU UP

When Almighty God decides to bring about a change, the Book says that His word is only "Be," and it is. No sooner

than He desires for His Will to be carried out than it is established. Even though you may not see His Will moving or manifesting, nothing in creation can stop it. In time it will grow and take over the world.

If every person on earth joined together to stop the establishment of this Truth, they wouldn't do anything but make God angry and His Truth would grow faster. My Mission is to bring health and power to your brain. Don't hold on to weakness. I will not talk a language that will put your brain to sleep. We refuse to rock you to sleep, we are going to wake you up. If you want to continue to sleep, you had better run from this voice.

THE WILL OF DIVINE

The time for the great work of God establishing His Glory has come and it is being done in the Nation of Islam (the Body-Christ). If you still think that there is a Christ coming down out of the sky, you are wrong. You are also wrong if you don't believe that My Mission and the Mission of my congregation is that of the Christ that was to come and manifest His presence to judge the world.

We don't follow our own will; we follow the Will of Divine. We are a vessel for God's Glory. When you follow Divine Will 100 per cent, you lose your own will and your own will becomes Divine Will. When you come against us, it is the same as coming against God.

1. Verily this is no less
Than a Message
To (all) the Worlds:

إِنَّمَا هُوَ نَذِيرٌ لِّلْعَالَمِينَ

2. (With profit) to whoever
Among you will
To go straight:

لِيُنذِرَ مَن يَكْفُرُ وَيَكْفُرُوا لِيَكْفُرُوا

3. But ye shall not will
Except as God wills—
The Cherisher of the Worlds.

لَا تَهْتَكُوا كُتُبَهُمْ لَعَلَّهَا تَكْفُرُ بِهَا

HOLY QURAN Translation By Yusuf Ali;
Sura LXXXI: Verses 27-29

Tell everybody that you meet that this is the judgment day and there is no excuse for Black people to be sad anymore. You prayed to God for justice, now He has blessed you with it. If you have problems, come to the Temple and let us teach you. The answer is here with Me. There was no day in the past better for you than right now. Your life or your death is in your own hands. White supremacy is dead!

I hope you will wake up.

Thank you for honoring us with your time to read these few words.

Your Brother,
W.D. Muhammad
