As-Salaam-Alliakum

In the Most Holy Name of Almighty God Allah the Life Giver and Supreme Being of All the Worlds, Thee alone do I beseech for Mercy and Aid. Most surely Allah is All Wise.

Dear Brothers,

(The Whole of you)

It greives and disgusts Almighty God Allah (In the Person of Master Farid Muhammad to Whom all Praises are Due Forever) and I his last Messenger, in knowing and accounting that which has been told of you, has gone into the orbit of NEGLECT and ERROR.

My beloved Brothers you hurt me so greatly and so shamefully to know in my Eyes and Mind that you have YET to place into effect that which will make you SUCCESSFUL here in the Hells of North America. But greater, than all that I have said. It PAINS and tears my every thought to know that you would attempt to manufacture a plan opposite of my Wisdom.

The Plans you now have will go into naught, You will greive and wonder the benefit of disgust and spiritual heart breaking, for it shall not be in the whole of you brothers favoring. 'Almighty God Allah will not have the opposit working of that which I command and give. I gave the command, and its force of order was neglect. Most surely Allah will not guide you.

I will not re-trace my conversation to you of that which was to be in working effect, "But I will say this to all of you, "That I intend to create a small Economic foundation within the whole of you Brothers, which Allah will (through me) display in manifestation of you Brothers workings. But first one has to be SUCCESSFUL himself or others will not agree to the Truth of that which Allah has (gave) to me in Wisdom.

I am placing the Sister under probation with standings of the Mosque that she now attends. Other Probational methods of consideration I have now placed into effect regarding the other Brothers, until at such time a change in understanding is brought about, I will be aware of this change when and should it occur.

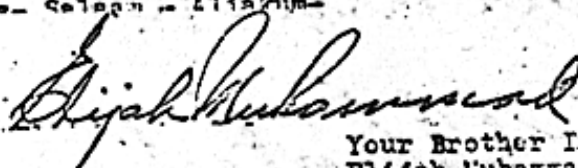

There is nothing you can appeal that I have not before hand considered, I am Just in all that I have told you. We have no discussion concerning the matters of ignorance that you have displayed regarding Laws and Principals given you.

When you have re-constructed your awareness, and have drawn the workings of a Plan, "Then and only" Then will I give you the First step in relation of what Enterprise to undertake. But first the Economics of Self has to be completed, this should be the First Step toward the Plan of Self Economics. You cannot have Enterprise Economics and not have acquired Self Economics. You Brothers have the ability to create and bring into effect Self Economics as a whole, a sound Self supporting System of Self Economics. Which in turn will bring you into the Economics of Enterprise for Kind.

Bring your Kinds into group and waste no time in placing forth that which is sound in Mind for Plan effect - Place aside those inner grievances and misconduct of thought concerning the ability of Brother; "But indeed if any Show Patience and Forgive, "That would truly be An exercise of courageous WILL -
And resolution in the conduct Of Affairs" (Holy Quran. S. XLII.43).

You must have Patience as well as ability, Being able and having the gift to work in a manner of progress stems from the root of Patience. I sincerely pray Almighty God Allah that you Brothers have gotten a form of understanding, and that the effort and application that you put forth will not go un-rewarded, nor shall the Neglect of that which is Truth.

✓ May the Peace and Blessings of Allah be upon you Brothers Forever and may He continue to Guide Us in our ignorance, Brother Yusuf you have permission to Telephone me between the hours of six O'clock in the evening and five O'clock in the Mornings Eastern Standard Time;
As-Salamu - Alaikum-

Your Brother in Islam
Elijah Muhammad
Messenger of Allah

THIS PHOTOGRAPH is portions of a letter being circulated in certain parts of the united States. The letter is created in order to give the impression that it was written by The Honorable Elijah Muhammad, Messenger of Allah. But in fact the letter is a fraud, pieced together with bits of the Messenger's stationery by hypocrites who stand against the Nation of Islam. If anyone receives such a letter or knows who is distributing it, contact The Messenger's representatives. It is a crime to abuse a person's signature in this way, and the evil-doers will be brought to justice.
