

# BLACK MAN DISAGREE

By Elijah Muhammad  
Messenger of Allah

What we disagree on, Black Preachers and Black Politicians . . . it is a shame and a disgrace for me to have to write it, in this day of enlightenment.

I CANNOT agree with you, on what you would like that I agree with you on, and you won't agree with what I desire that we should agree with each other on.

THIS MAKES we, the Black Nation in North America, who were divided and separated from our own Black People, by the white man . . . and after four hundred (400) years of the suffering of our fathers, at the hands of the same enemy that you and I are now suffering under . . . disagree with each other.

I, and my followers, want to be separated from a people who are by nature, disagreeable to live with in peace, so Allah (God) says. It is also written in their Book, the Bible . . .

NOW, Allah (God) Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever, Has Said to me, that they (twelve leaders of the Nation of Islam) have decided the solution to the Problem facing the world. Since the white race is universally known, as trouble-makers . . . Allah (God) Himself has Exposed them as disagreeable to live with in peace . . . what right or excuse do you and I have in not agreeing with each other? Why should we disagree? The white people are the same people whom we both, and our fathers before us, have lived under and who have ruled us all our lives.

WHAT excuse do we have for disagreeing and arguing over the white man's way of civilization? We are well-experienced with the white man's civilization and we have suffered at his hands all the days of our lives, in the valley of the shadow of death (the evil intentions of the white man to enslave and to kill us), as David, in his 23rd Psalms, teaches us.

NOW, you disagree with me. You do not want to be separated from a people whom we cannot live with in peace.

ALLAH (God) Himself, Has Exposed the white race as being a race of people made to break the peace of the nations of earth and to cause bloodshed. The blood of innocent people is shed at the hands of the made-people. They were made, by nature to destroy the peace and to cause blood-shed (Holy Quran Ch. 2:30).

THE NATURE of the white man cannot be changed, except they be remade. Do you think that you can re-make them? Do you think that you can make them live in peace with you and do justice, by you? Do you think that they could be a true friend and brother to you while their history for the past four hundred (400) years gives the lie to such a thought?

THE white man cannot be charged with doing wrong to us, nor doing evil to us, because that is the nature in which they were made.

DO-YOU not read of their doom in the Bible Rev. 19:20. Do you want to unite and follow them after the truth of them and yourself has come to us. In the Bible, it is written that they will deceive you and cause you to go to their doom (Bible Rev. 20:10).

SOME of you are falling in love with them so much so, that you think that getting close to them is heaven enough for you. It is a shame that you are so ignorant and so spiritually blinded, by the white man that you want now, to live with them and to go to their doom with them.

YOUR spiritual eyes are blind and your spiritual ear is deaf and you cannot hear the truth because your blinded spiritual eye, did not transmit the vision of truth to you, so that you could have heard and you could have received the truth. But your heart could not conceive it, for the eye and ear did not bring the truth to your heart.

SO the scientists are right . . . blind, deaf and dumb and they will not bow to the truth. They yield to the white man and bow down and worship them. (Bible Zec. 7:11-12 and Act 7:57).

LOOK at the blind Black Preachers and Black politicians, today. They suffer jail sentences and all kinds of abuse, just so that they can lay at the white man's door and gate . . . begging to be admitted.

THEY foolishly beg the white man for food, while if we are united, we can grow all of the food that we and our people can eat. Allah (God) sends us the seasons. It is a shame that you disagree with me after Allah (God) has Made Manifest to you that my work is accepted. He has Granted me progress, before your very eyes. Still you disagree with me.

MY BLACK Brother, what could you hope for from the white people today. They are the white children of the white fathers, who enslaved, beat and killed our Black fathers, four hundred (400) years ago.

NOW, you Black Preachers and Black politicians, call yourself free and they still beat and kill you. Under these same brutal conditions, you are asking them for integration. You say to the white man, "I want to stay with you."

MANY Black Preachers and Black politicians have said openly to me, that separation will not solve the race problem. Do you want to tell me now, that you can make this people agree with you, after Allah (God) Himself Has Decided upon them? Do you know more about them than Allah (God)? Can you set their time back? Can you declare the resurrection, null and void, when prophets, thousands of years from Moses have regularly preached that their end will come and at their end there will be a great separation. (Bible Mt. 25:32-33).

IN the beginning, the Black Man and the white man were sepa-

rated. They were not born together. You want to say that there is no such thing as a separation coming about, because you are going to stay with them. The Bible even declared that you will have such mind. But will you be happy to stay with them when the show-down comes.

EVERY life in the sun is separated. The fowls of the air, the fish of the sea, the reptiles and the wild beasts, goes to its own. Only you, the Black Man, wants to go around with other than your own. That proves that you are blind and do not know what you are following. You are deaf and cannot hear the voice of truth. You do not know your own and you do not try to seek your own.

ALLAH (God) Has Denounced the white race as being His enemy and your and my enemy, ever since they were made, six thousand (6,000) years ago.

CAN you find a way to agree with me . . . that my preaching, that Allah (God) has revealed to me, is true? Do you want to fulfill that which is written of you (Bible Is. 6:10) that you close your eyes and stop up your ears to the truth lest you see the plain truth and hear, with your ears and be converted? Then you will see that it is the truth and admit that the Truth nevertheless, you do not want it.

I SAY, Black Preachers and Black politicians, come . . . let us unite together . . . unite with me. I am not going to unite with Satan and his followers.

IF, you would like to unite with me and be happy, blessed and protected, by Allah (God), then submit to Allah (God) and come let us agree with each other. THANK YOU FOR READING THIS ARTICLE.

**CORRECTION:** The following is the proper sequence for the verses incorrectly numbered in previous week's issues under the title, "The Teachings of The Holy Qur-an."

## CHAPTER 72

### THE JINN

#### Foreign Believers

4 And the foolish among us used to forge extravagant lies against Allah:

5 And we thought that men and jinn did not utter a lie against Allah:

6 And persons from among men used to seek refuge with persons from among the jinn, so they increased them in evil doing:

7 And they thought, as you think, that Allah would not raise anyone:

8 And we sought to reach heaven, but we found it filled with strong guards and flames:

9 And we used to sit in some of the sitting-places thereof to steal a hearing. But he who tries to listen now finds a flame lying in wait for him:

. . .

11 And some of us are good and others of us are below that—we are sects following different ways:

12 And we know that we cannot escape Allah in the earth, nor can we escape Him by flight:

13 And when we heard the guidance, we believed in it. So whoever believes in his Lord, he fears neither loss nor injustice:

14 And some of us are those who submit, and some of us are deviators. So whoever submits, these aim at the right way.

15 And as to deviators, they are fuel of hell."

"ISN'T THAT CUTE, HE TAKES AFTER
