

A Devil Poisoned the Muslims' Cattle

It is not surprising to see what devils do to peaceful people. How can they ever stay out of wars when they will not let people stay in peace?

May Allah Retaliate against such demonic people as those who poison and shoot the harmless cattle of a peaceful people who are only working to feed themselves.

We have not made a full investigation of these criminal deeds as yet. We hope to have more information about the poisonings around Pell City, Alabama, in our next issue.

MUHAMMAD ANSWERS ATTACK

on Muslim Farm around Pell City, Alabama

The Honorable Elijah Muhammad
Messenger of Allah

We hold the Government of the United States of America responsible for the shooting and poisoning of our harmless cattle on our farm around Pell City, Alabama. We have purchased our farm and we are trying to cultivate it.

IT is against the law of any government on earth for one to start destroying the lives and property of one person or many persons. And then the destroyer has the audacity to challenge us and to threaten to take the life of the owner and the livestock since we do not like the destruction of our property.

WE, the Muslims, hold Washington, D.C. and the government in Washington, D.C. responsible for this bold and outrageous act, which is also against the Animal Humane Society. They act as though Alabama is a complete out-law state and that the state law, not to mention the county law, ignores protecting persons living there.

THEY ignore the law and the protection that this law claims to give to those in and under the Law of the United States of America.

A Mr. Bishop, who claims himself to be a minister and the pastor of a church near us in and around Pell City, Alabama, as you have seen, on the television screen...he indirectly boasts that he killed our cattle and now offers to match us toe to toe and to kill us and take our life. (Of course we do not fear Mr. Bishop doing anything of this kind to us. We are not afraid of White people and Mr. Bishop is included.)

AS the viewing public sees and hears this Mr. Bishop's attack on us, and he is freely allowed to do

so, we therefore believe that he is backed by the government in Washington, D.C. The government knows what he is doing and since the law of the government states that such act is against the law of the government of the United States of America and yet they have remained silent, this makes us believe that the government of the United States of America is condoning the acts of Mr. Bishop. Mr. Bishop has gotten on the television screen and yelled out what he has done and what he will do more of. However, we are not afraid of what he says that he will do.

I WAS born in the South and I know the white people of the South. They love to

boast of what they want to do to the Black People in the South. And they will do so under the cover of darkness and along a lonely road if they can steal up on the Black Man and get away with it.

WE the Muslims are out for Justice for the Black Man in America. We are not alone. We have Allah (God) Present, in the Person of Master Fard Muhammad, that Long Awaited Holy One, Who Was to Come, and Is Come.

THIRTY (30) head or more of fine cattle is a great loss and the government of the United States of America should compensate us for this loss, since she permits the loss. We hold the government responsible for this loss, for

this is a bold, out-right flaunting of the law which the government claims to have for the protection of the citizens and non-citizens of this country.

WE know that we will not win anything by accepting a physical fight with Mr. Bishop and his followers. We do not even anticipate any such thing as a physical fight because my followers are spread out all over the country and all over the world. A physical fight would mean a Holy War and the The End, as Allah (God) Is Sufficient to protect us.

ALLAH'S RETALIATION Came immediately in the way of storms and disaster. It Did Not Take cattle lives; but It Took the lives of people and property and It Will Continue to Come.

ELIJAH MUHAMMAD
Messenger of Allah

The Shyless

The Filth That Produces The Filth.

Holy Quran (7:27) O children of Adam, let not the arch deceiver seduce you, as he expelled your parents from the garden, pulling off from them their clothing that he might show them their shame. He surely sees you, he as well as his hosts, from whence you see them not. Surely We have made the devils to be the friends of those who believe not.

This happened to the Black People who followed Yakub from Arabia. He pulled off, from their original Self, the clothes of Righteousness and the clothes to cover their shame; and then made them to go nude in the hills and cave-sides of Europe, until the birth of Moses. You are warned. You believe you are safe in following the invitation to evil and filth of the white race. Well and see.

The Disgrace

DEVILS AT WORK AGAIN IN ALABAMA!

Not content with poisoning and shooting the Muslim cattle and committing other acts of violence, the white mob element around Pell City, Alabama, recently burned down a farm house of the Nation of Islam.

The farm house was located on a newly purchased 168 acre plot adjoining the farm upon which our cattle were shot.

Made bold by the Federal Government's refusal to guarantee law and order for Black people, those who savagely disregard life and property are multiplying their destructive acts.

Only their knowledge that Muslims defend themselves — and very effectively — against personal attacks has limited the violence to cattle and property.

But even in this regard, the crimes are bestial and will not go unpunished. There is a law higher than that in Washington, D.C., the Law of Allah (God).

He answered their earlier crimes with mighty storms, and He Will Punish the evil doers of this recent crime also.

Zion Baptist Church members donate for Black Farm Purchases

WE THANK them and pray Allah that all the churches will see eye to eye with Rev. Leon H. Sullivan that a uniting of us to go to the farm and grow our own food will give us 75 per cent of our independence.

WE ARE very proud of Rev. Leon H. Sullivan and his congregation.

THIS IS the only way that Black Men can exist and be recognized: it is to work together for our common cause.

Messenger of Allah*
