

# Certainty of The Punishment

By Elijah Muhammad  
(Holy Quran 70:6, 7, 8)

Ch.70:6, "Surely they see it far off,"

7, "And We see it nigh."

8, "The day when the heaven is  
as molten brass."

THE HOLY Quran, is the truest religious Book, that can be found on the planet earth. It gives guidance to the wisest philosopher and to the most ignorant savage, says, Maulani Muhammad Ali, (translator of the Holy Quran, out of the Arabic language into the English language). It is a wonderful Book. It verifies the truth of the Bible. Most of the teachings of the Holy Quran, is directed to the Last Messenger, Muhammad. It is to inform him and teach him the truth of the Resurrection of the mentally dead, whom he is commissioned to Raise.

THE Resurrection of his people is the Judgment of both, the righteous and the wicked. The Holy Quran, is mostly directed to the American so-called Negro, the Lost-Found Members of their Nation. It is to acquaint them with the knowledge of the immediate Judgment and with the enemy of the righteous.

THE BLACK Man must have a thorough knowledge of the enemy (devil) and a thorough knowledge of self, for, by no means can they be directed rightly,

until they have a thorough knowledge of self, and of the devil and a thorough knowledge of Allah (God).

THE LOST-FOUND Black People, being reared by the devil; the devil knows them, while they do not know him. Therefore, the Holy Quran was given and taught to Muhammad, for the express purpose of saving his people from the fire of hell.

IT IS, so strange now today, to see that the Black Man of America, desires not to be separated from his enemy, but desires that the enemy and themselves live together in love of each other, as brothers, while the enemy is wise. The enemy knows that it cannot be done, but he can use their ignorant love and belief in him, to take them to hell with him.

THEREFORE, Allah (God) has to Strike both parties, the white man (devil) and the Black, blind, deaf and dumb lovers of their enemy, with a severe chastisement, in order to open their blind eyes, as he did in the parable of Jesus, of the rich man and the poor man, Lazarus (Bible Luke 16:19-25) Lazarus refused to give up begging his master for survival until Allah (God) sent a famine on the rich man. The worse famine that man has ever seen is prophesied to come upon America.
