

BEFORE HIM SHALL ALL NATIONS Every Nation Kneel

THE above title is taken from the Bible Mt. 25:32 and also the Maulana Muhammad Ali translation of the Holy Quran Chapter 45, Section 4, Verse 28. Maulana Muhammad Ali's footnote to this Chapter and verse is very good for you to read.

His explanation in the footnote is very near to that which Allah (God) Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever, taught me of it.

THIS 45th Chapter of the Holy Quran was given to me from Allah (God) for me to study. It refers to the Doom of this world of the white race and of the disbelieving Black People and the consequences to them, of their disbelief. The consequences of disbelief are given in the 34th verse of this 45th Chapter. The fact about it, the disbelieving Black Man is warned throughout this whole Chapter of the consequences of his disbelief, his

proud attitude, and his hypocrisy of his own salvation. As Chapter 45:31 teaches you, "And as to those who disbelieved — were not My messages recited to you? But you were proud and you were a guilty people." This is the trouble that we have with some of our Black People. They are proud of what they have learned through the devil's education... especially those who are living in a little ease. They do not believe that they will be removed from such life of ease. They think to make mock of the Message of God and Given through His Messenger, and that they will get away with their mockery.

BUT, this being the Day of Judgment of this world of the white race, this Chapter of the Holy Quran shows that not only the Black Man will be forced into Submission to the Will of Allah (God) Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever — but all nations, white and Black will be forced to submit to the Will of Allah (God). Verse 28 of this same Chapter of the Holy Quran teaches us in these words, "And thou wilt see every nation kneeling down..." This means that every nation will be submitting to

Allah (God). It is given in these words in the Bible, Is. 45:23, "I have sworn by myself, the word is gone out of my mouth in righteousness and shall not return, That unto me every knee shall bow, every tongue shall swear." And again in the Bible Rom. 14:11, "For it is written, as I live, saith the Lord every knee shall bow to me, and every tongue shall confess to God."

PROUD Black Brother and Black Sister, can you escape with your proud attitude? NO.

The Holy Quran Chap. 45:32 refers to what the Messenger says to you, "And when it was said, Surely the promise of Allah is true and the Hour (Doom) — there is no doubt about it, you said: We know not what the Hour is. We think (it) only a conjecture and we are not at all sure." This is the same kind of language that was used by the People of Noah and the People of Lot. But Jesus warned you and me that such day would exist in these times and that the people would say the same things that the people of Noah and Lot said. The histories of these peoples are used for an example and a warning to us.

Verse 28 continues, "...EVERY NATION, (not just every one of us, the Black Nation, but every nation, regardless to what nation they may be), will be called to its record." Every nation has a record of their nation. Every court-house keeps a record of their court and the judging of the criminal and the accused by the judge and the jury.

Verse 29 of Chapter 45 of the Holy Quran says, "This is Our record (God's Record Keeping) that speaks against you with truth. Surely We wrote what you did." When someone keeps a record of what you do, and then you have a record of what you do yourself, then you cannot deny your doings.

THIS is the doom of this nation (white America) that the Bible and the Holy Quran are referring to. And of you and me that will go along with them, in submitting to continue to do the evil and filthy things that they are doing, will also go along with them to hell fire.

AS Daniel prophesied of his vision of the four (4) kings, (4 governments); one of the beasts was killed and the lives of the other three (3) beasts were prolonged for a while.

The Bible, Rev. 13, also bears witness to Daniel's prophecy that this most vicious beast was destroyed first and the lives of the other beasts were prolonged.

AMERICA is the most vicious, wicked and unjust people of the four great governments of the white race, namely, America, England, Germany, and Italy.

America is worse for she has worked her poor Black slave to death, and has and does, kill them. America has done worse by her Black slave than Ancient Babylon did by the Jews and worse than Egypt did by the Jews. No where in the past histories of Ancient Babylon and Egypt is it mentioned that these people lynched and killed their slave for nothing. America actually gets enjoyment out of killing her defenseless Black slave. She deprives them of Freedom, Justice and Equality, although she claims she gave them these things, over one hundred (100) years ago.

THEREFORE, America is referred to symbolically under the name of Babylon as being a people whose country is filled with devils. Rev. 18:2 "...and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird." This is why the Bible prophesies that America will be destroyed for she had become the habitation of nothing but devils. This is America of today.

LOOK AT ALABAMA

We went to Alabama to buy some land from the very white slave - master's children. They charged us two (2) or three (3) times more than the land was worth even after we had worked four hundred years to help the white man and enable him to have a farm himself and to help the white man to be independent in all of the states of America. They rose up against us. This is what we get.

BE GATHERED ONS: eling Down

The Honorable Elijah Muhammad

Messenger of Allah

THE white man hates to see the Black Man turning to righteousness or for the Black man to have the opportunity to do something for himself. Our cattle are being killed by the enemy lurking under the cover of darkness. This is just because he does not want to see his Black slave do something to keep himself from being a beggar. Should not God punish a people for doing so much evil to the innocent? They sell us the land and then killed twelve of our cows by poisoning them, so the farmers tell us. They even threaten our lives for trying to make a living for ourselves. Should not God do something with these people? He Is. Allah (God) is taking Reprisal on them. Look how Allah (God) is curtailing the land with all kinds of plagues. America has exploited oil from the ocean bottom and now you see oil is contaminating her waters and her entire shore - line of the south, west and northwest is unfit for sea-life. The lives of the people who live near me. The lives of the people who live near the shore are endangered. A fire could start on the oily surface and spread out across the land.

I Say, America, is being surrounded with trouble, but still she wants to mistreat her Black slave. America hates her Black slave so much so, that regardless to the fire of hell on her heels she still wants to carry out the practice of killing her Black slave and depriving them of Freedom, Justice and Equality. So therefore God has warned America, through His Prophets, that he will repay America. He Will kill her for the evil done to the Black slave.

As Pharoah and his people were killed for the evil done to Israel. The history of Pharoah and his people is an example for the people of this day. You could not imagine a people being so hateful as to murder their own willing Black slave. But America does so. Our Black people have been willing Black slaves for one hundred (100) years. And still you want to go along with them.

BUT the worse one that white America can attack is to try to attack

Allah, (God), Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever, and Who is in our midst to See that we get justice. They are not attacking Elijah and His Followers, they are attacking the God of Elijah and His followers. I do not have to seek reprisal against you; the God is Sitting Watching you and He Loves to punish you for attacking His Black People. This is what He Came to Do, to Punish you as the Bible teaches you.

Is. 65:15 "...for the Lord GOD shall slay thee, and call his servants by another name:"

YOU cannot fight the God of Elijah, for He Is So Powerful that He Has Warned Elijah not to arm himself or seek to arm his Followers. Allah (God) is Arm enough for us against our enemies.

ALLAH (God) Takes that which you have to depend on for your own existence and then He Turns it against you and and then He Turns it against you and makes it to become your enemy, such as wind, rain, snow, ice and cold. All of these are vital for your own existence, but He Turns them into your enemy.

I SAY, white folks, be aware of these things, God is After you. He said to me, If they kill one of My Least Ones He will kill ten (10) of their best ones. So I warn you white people not to let this fall on you just because of the ignorant white people, such as those in Pell City, Alabama and there - about. Do not let them cost you a hastening - doom.

BLACK MAN and white man, if you want to survive, Submit to Allah (God) before you are forced to do so...entire submission in treating your Black once - slave with justice. Stop teaching them to be stool - pigeons as you have done. Almost every Black man around there in Pell City is a stool - pigeon for white folk. The white man teaches them to be stool pigeons. We are in Alabama to teach them to do something for self, and to be respected and recognized as a member of the Nation of intelligence and decency. The white man cannot save these stool - pigeons from the chastisement of Allah

(God) against either you or the white man. We have truly learned that most of the Black People who grin in our face are nothing in the world but stool - pigeons for the white man while we are down there seeking good for you, Black people of Alabama. We want you to have better homes and we will see that you get better pay for your work. Some of you work for ten (\$10) dollars a week. That is just enough to buy a common pair of shoes. We will teach you how to think rightly and how to eat better food.

Do not be ignorant in this modern time.

ALLAH (God) Will Sit you in heaven at once with MONEY, GOOD HOMES, FRIENDSHIP IN ALL WALK OF LIFE. Come follow me and Submit to the Will of Allah (God), bend those stiff knees, bow those stiff necks and remove that hard heart and these good things are assured you.
