

ROBBED OF SELF!

THE BLACK SLAVE — the so-called Negro — but in reality he is the aboriginal Black Man of the heavens and the earth — has been robbed so thoroughly by his white slave - master for the past four centuries, that when the knowledge of self is offered to the Black slave — the knowledge that will dignify him — he does not believe that is his self. He does not believe that he is worthy of being dignified or honored, due to his long stay with his masters, his robbers.

TODAY, Allah (God) in the Person of Master Fard Muhammad, to Whom Praises are due forever, Wants to Restore all things to where they originally belonged. As it is written in the Bible the Resurrection of the mentally dead, so-called Negro will cause all people to return to their own people and country.

WHITE AMERICA is completely out of her sphere. Europe is the original home of the white man but he was given the wisdom of tricknology to do a scientific tricking of the Black people, who actually own the earth, and then take over and rule them and tell them where to live and where not to live.

ACTUALLY, the white man has no earth — not even one square foot. The earth belongs to the Aboriginal Black Man. The Black Man, being robbed of self, is the victim of any robber. As all foreigners who visit America rob the Black Man, for they see that he is dead to the knowledge of self. Foreigners follow the same robbery that the white slave - master follows. The Black Man is a prey, who has no spiritual eyes, no spiritual hearing and no spiritual understanding. Therefore he stands alone in the world as a prey to be victimized by the entire world. This is the American Black Man, the so-called Negro.

ALLAH (God) Who Came in the Person of Master Fard Muhammad to Whom Praises are due forever, Has Revealed the knowledge of self to me and He Guides me in the path of self. My Brother and Sister, I want to see that you follow these same steps so that you may live, in peace and happiness, on this earth which belongs to you and to me.

TODAY, a new die is set to fashion you into a new fashion for self. It is a Divine Die, and the Fashion is a Divine Fashion. All of our beautiful appearance has been destroyed by our following the

white slave - master. Allah (God) Wants to Make you and me the most beautiful people on earth — out of the nations of the earth.

ALLAH (God) Will Cause you to grow into that new growth in the twinkling of an eye and you will live and enjoy what you call teenage youth as long as you live, even if you live to be a thousand years old. There is no decay in that life.

AFTER knowledge of self — it makes you want to be self — knowledge of self makes you want to do for self. Knowledge of self dignifies you in such manner that you do not want to be looked upon, or referred to, as an inferior member in the human family of the earth.

WE could do great things for self, although robbed of the knowledge of self, if we could only get away from the ignorance of self - pride when we have nothing — only a list of begging. Any people who go out for begging can fall victim to anyone or nation, if the plea of begging is granted.

I SIT and look, day after day at how the white man uses tricks to destroy you. One of his tricks is that he puts your Black women to work to show the Black woman that he is in favor of her having something whether her husband gets anything or not. The White man destroys the women of any nation, and when the woman is destroyed, the whole nation is destroyed.

BUT, you, Black Man, being robbed of this intelligent knowledge and care for your own Black woman, she is taken away from you by the enemy and she is trampled in the mud and filth of their race and then the white man looks at you and laughs. Actually, some of our Black Men need to suffer for allowing their Black women to practice the filth and evil of the white people, right in his face.

THIS is a crazy man — one who will let another man, a stranger, strip his Black woman and make her walk out, up and down the street with her dress cut half way up her thigh. She is shameless in public, like an animal — worse than a dog. Nature gives a dog a tail with hair on it and he can tuck his tail between his legs and cover his shame. Of course everyone is made by nature like that, the unsightly parts are put in a place where they can be covered.

YOU are dissatisfied — one hundred per cent (100 per cent) dissatisfied with the way the white slave - master's children are treating you. Nevertheless you never say to them, "Let me go to my own." Instead, after all of the white man's disgrace of us, and after all of his robbing us of the knowledge of self, you still ask the white man to let you have a place with him, instead of a place with your Black kind.

YOU must have the knowledge of self so that you can be yourself. And since you want to try to be your own Black kind without the knowledge of yourself, you come out looking worse than your Black kind. You allow your hair to grow out like a wild man. You wear garments that do not dignify you. You make yourself to look like a savage in the jungle of Africa, when the Right Direction has been offered to you from Almighty God Allah. Since you reject the right way, then Allah (God) Allows you to go into the worse way of life, so that you will know that you were offered the right way and you chose the wrong way.

THE HOLY QURAN, second Surah, teaches you that if a man comes up and accepts Allah (God) and His True Religion, Entire Submission to His Will (Islam) — Allah Warns us that if he turn back He Will Appoint for that backslider (hypocrite) a devil for a companion and he will conduct you to the burning fire (hell).

IN this day and time we do not get away with rejecting Allah (God) because He Has Power Over all things and He Wants to Prove to you and to me that He Is Able to Force us to submit. We bring down upon ourselves the consequences of that which we chose other than Allah (God) and the Good Guidance of Allah (God) and His Messenger. The Black Man who has chosen the wrong way is spiritually blind. Being spiritually blind to the knowledge of self is worse than the man walking the street with a stick in his hand because he is physically blind. A man whose physical eyes are open and having his spiritual eyes blind is in worse condition than the man who is physically blind.

HERE we are face to face with the Divine Judgment of America. Allah (God) Said to me that of all of the white

people on the face of the earth He Has America number one on His List. He Will Destroy and kill America first because of her almost unimaginable evil done to you and me, America's Black slave. Look at the evil she does to you, now, while she is in trouble. She will never come out of it without being destroyed and yet she has time to turn upon you night and day. Today, America shoots you down and beats you to death as though she will live forever.

HOW SOON — America will be destroyed from the face of the earth and forgotten. One calamity after another will invade America. One of the most grievous calamities — a drought — is now approaching America. Behind all of this rain there is a gasping, parching drought waiting for her. The drought will be worse than the rain and the rain storms will be worse than the snow and ice.

SEVERE earthquakes are in store for America. Recently we heard of an earthquake in Peru, killing around fifty thousand people. Do you think that America is immune? There is an earthquake coming to her that will probably kill more than fifty thousand people. It will level every city of the land.

THE Holy Quran teaches us that when you hear the disaster, the judgment, coming from a distant place with its vehemence raging and roaring, then know that it is coming here. This is now going on, but you are like the wicked children of the day of Noah. They kept eating and drinking, dancing and marrying and giving in marriage as though they were going to live forever.

BUT their day came to them when they least expected — taking them away. So it was with Sodom and Gomorrah. So it was with the people of Lot. So it is in the Day of the Son of Man.

THESE are the Days of Judgment of the Son of Man. I hope that you will take this warning home with you and keep it, for the HOUR OF AMERICA HAS ARRIVED.

Your Brother,
Elijah Muhammad
MESSENGER OF ALLAH.
TO YOU ALL.
