

THE SALVATION OF THE BLACK MAN

THE SALVATION OF THE BLACK MAN has come to him, but as it is written, the arch-deceiver (devil) can and is deceiving the Black Man. Because of the great love of the Black Man for his white slave master, he loves being deceived. Due to the Black Man's love for his evil white-slave master, he does not see the Good Master nor does he see the salvation that the Good Master is offering to the Black Man.

THE Black People who have been and are continuing to be deprived of Freedom, Justice and Equality, after one hundred (100) years up from slavery, are being warned and taught of the consequences that the white slave-master and himself, now face. The consequences is a Divine Consequence that neither one of us can hinder or stop from taking its course of exaction on us, as you remember, the headline of last week's issue of MUHAMMAD SPEAKS was, "AS THOU HAST DONE" (in other words you reap what you sow). This is so true.

I DO think that you will agree with me that your refusal to accept your salvation, THE SALVATION OF THE BLACK MAN, is one of the most ignorant and foolish things for you to do, especially when Allah (God) Is Guiding me to guide you in the way to make progress and success.

ACTUALLY, the white people, especially the learned white people, have more knowledge and respect of what I am doing for you than you, the Black People.

ONE Black Woman reporter came to my home to get a write-up for a series of articles which appeared last week, in the CHICAGO AMERICA TODAY, and you see what mockery of a write-up she gave to me, for she did not get such a write-up from my mouth.

YOU like to make light of each other. A Black Brother whom you think the white man does not like, you like to make mock of him in

order to get the white man to like you. This is foolish and shows your ignorance of the white man, for he likes one Black Man just about as much as he likes another—which is not at all.

THE white man does not like us even though we have been slaves to him for four hundred (400) years—not to think that he loves any one of us. He does not love himself. Look at the continual wars that he has waged with his own kind and is recorded down through the pages of history. Nature did not even put love for himself in the white man.

WHEN it comes to love and mercy, the white man is heartless. They cannot do that which nature did not put in them and I do not blame them for the way that they do, because I know the very nature of them.

THE nature of the Black Man and the white man is different and neither of us have any say-so in that, I have honor and respect for them as the rulers of the land regardless to our difference in nature.

BUT after knowledge now comes to you and the example of that knowledge is in the work with you and in our midst today, then you are foolish enough to disgrace and make mock of your Black self and THE SALVATION OF THE BLACK MAN and the Black preacher of that salvation of yourself.

YOU even go so far as to go and call me a self-styled Messenger. What is self-styled about me when I

prove to you in my work and in Words that I am Divinely Guided by the Divine Supreme Being, Allah (God) Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever.

FIND some of your college and university professors, Black Man and Woman and see if they can do the essential things for our Black People that they are so much in need of...that of doing something for self...running our own businesses...see if you can find them doing one half of what I am doing for THE SALVATION OF THE BLACK MAN, our people.

I WILL never let a Black Man nor a Black Woman interview me any more for a white man, for they love to say something evil and false against me for the sake of the smile of the white enemy of all of us Black People.

THE white man likes to make fun of you and likes for you to make fun of yourself and reject your own Black self. If he had so much love for you maybe by this time you would have rule over one half of the country of America. But you do not have rule over even one state out of the fifty states that you have helped them to become the independent rulers of.

THE BLACK Man has not only helped the white man to become the independent rulers over America, but they have him independent ruler of the land of other peoples, although the white man was Divinely Forbidden to take over the rule of the land of other peoples.

THE white man was not given Divine Permission to expand into other people's land for the white man has not over-populated America. But the white man can rule the whole world and let you stay on your own land. He has done this to 90 per cent of the world, as Allah (God) Who Came in the Person of Master Fard Muhammad, taught me, and today He is with me in Person to Guide Me and He Gives me Guidance for you also so that you will be successful, if you follow me.

NO ONE will compell you to accept Islam (Entire submission to the Will of God). Allah (God) is Independent. He Has no need for us but it is incumbent upon him to Teach us the knowledge of our Black self before Executing the enemy of Righteousness, which is the white race. Allah (God) Will Execute the white race for their evil done to us. Today, we are not able to pay the white race back. Allah (God) Himself Said to me that there is no punishment that could be given to the white slave master to equal the punishment and evil that he has already done to us, the Black Man in America. The white man is still doing evil to us.

THE white man teaching you against accepting Islam is like when one man is drowning and another man is trying to pull him out of the water and a third man is sitting on the drowning man and pushing him back down and keeping him from coming up out of the water to be saved from drowning.

THIS drowning condition is the condition that I am trying to pull you out of, Black Brother. I am trying to pull you out of hell-fire and the suffering that you are bound to taste for going the way that you are going.

BLACK MAN you are members of the Righteous people but you have been made members of the unrighteous people. To accept your Own means to accept your right

The Honorable Elijah Muhammad
Messenger of Allah

place among the righteous nation for the unrighteous people's time is up and Allah (God) Wants to Remove them from the planet earth.

MAKE FUN of me all you want to but that will not stop the Divine Progress that is Coming to me from Allah (God). Perhaps I could laugh at you, if I was ignorant enough to do so. But, I do not laugh at you, I pity you for you are ignorant to what you are laughing at. You are laughing at your own ignorance and you do not know it. You would never hurt me. There is no way that you could attempt to hurt me, for no one can hurt me but God Himself, and He Will Not hurt me, for Allah (God) Loves me and I love God. I Do His Will and He Grants to Me the Good Things I Desire for myself and those who follow me.

SEE how prosperous and how peaceful my followers are. They have a peace of mind and they are contented. They are successful and have money and they will have good homes. They are having good homes, now to live in. They have good clothes to wear and good food to eat. This is for the righteous, for the earth belongs to the righteous. THANK YOU FOR READING THIS.

ELIJAH MUHAMMAD
MESSENGER OF ALLAH

The Shyless

The Filth That Produces The Filth.

Holy Quran (7:27) O children of Adam, let not the arch deceiver seduce you, as he expelled your parents from the garden, pulling off from them their clothing that he might show them their shame. He surely sees you, he as well as his hosts, from whence you see them not. Surely We have made the devils to be the friends of those who believe not.

This happened to the Black People who followed Yakub from Arabia. He pulled off, from their original Self, the clothes of Righteousness and the clothes to cover their shame; and then made them to go nude in the hills and cave-sides of Europe, until the birth of Moses. You are warned. You believe you are safe in following the invitation to evil and filth of the white race. Wait and see.

The Disgrace
