## HOUSEHOLD HINTS

When a window pane is cracked, give it a coat of clear shellac; this will keep it from leaking until a new pane is installed.

Threads off Wool Bugs: After a busy day of sewing, rinse a mop in clean water, wring and

brush lightly over your rugs. This will remove threads which have collected on wool rugs.

• • • • •

Oilcloth quilt patterns do not wear or tear like paper patterns.

• • • • •

Crisscross the wires of your pictures before you hang them, and they will never shift or slip out of place.

• • • • •

Oilcloth makes good curtain shades. Tack or paste to rollers.
