

# The Woman in Islam

By Margary Hassain

IN THE NAME OF ALLAH (GOD) MASTER FARD MUHAMMAD, to Whom Praises are due forever. The Woman in Islam Gives All Holy Praises to Allah and Thanks Him for Giving us MESSENGER MUHAMMAD, Our Divine Leader, Teacher and Guide Who CARES for us. We Thank Him for His Divine Message of CARE.

WEBSTER'S DICTIONARY gives as one definition of love: "love is feeling of strong personal attachment induced by that which delights or commands admiration; also love is induced by sympathetic understanding or by ties of kinship." One who loves you cares for and about you. Love is more than words, it is shown in action. Action gives life to anything. If there is no action, there is no proof of life. If you do not show forth love, then there is no proof of a living, existing love.

IN Christianity many of us had mates who did not care. With their hypocritical mouth they may say, "I love my husband" or "I love my wife" but how did they treat their husband or wife? How were their actions toward husband or wife?

IN ISLAM MESSENGER MUHAMMAD makes us responsible people. He is building us into a people who are something, when once, as a people, we were nothing, as the scriptures teach us, and we can all bear witness to this truth.

MESSENGER MUHAMMAD teaches us that it is the duty of the husband to work and provide for his wife. To buy her the things that she can use to make a lovely and a happy home for her family. He teaches us to put all things to good use. Be economical. Do not be wasteful and extravagant. He has demonstrated in what he is achieving for our Black Nation that a little, with creative mind, can accomplish much. He teaches us that we are from the Creator and that Creativity is handed down (born) in us, who are the direct descendants of the Creator of the heavens and the earth.

In the MGT & GCC Class The Woman in Islam is taught all the areas of being a woman and performing her duties of how, as well as the why, of home making, managing, decorating sewing, cooking etc. for home and family. When we learn to create what we need, then our homes are not 'in want'. This creating our needs goes for a home or a nation. We must practice the teachings of MESSENGER MUHAMMAD, in our homes, our businesses and our Nation. We must do something for self.

HE teaches us much on the hypocrite now, for we were deceived when we were blind, deaf and dumb, and did not know how to choose a mate. He teaches us that we cannot make progress in home, business or Nation, when we harbor the hypocrite. Allah (God) does not let the hypocrite overcome the true-believer, but neither does Allah (God) Bless us with the full progress and success that we would have if we are strong and unite and push the snake (hypocrite) out of our homes, businesses and Black Nation. When one holds onto a hypocritical husband or a Hypocritical wife, Allah (God Will Not Bless them to receive a good husband or a good wife, for that one is submitting to the enemy of righteousness and not to the God of Righteousness, Allah (God). Allah (God) in his scriptures teach us, to "Be Strong and of good courage." The hypocrite spoils the spirit everywhere his or her daily walk takes the hypocrite.

MESSENGER MUHAMMAD teaches us that Allah (God) and the righteous hate the hypocrite and the hypocrite hates the righteous. He teaches us that Allah (God) is Separating the Righteous from the unrighteous so that allkes are together. ALL PRAISES ARE DUE TO ALLAH (God) The Strong God, for His Strong MESSENGER MUHAMMAD and His Strong Message. We are the righteous, the strong. Only the strong will survive, to bear witness that ALLAH IS THE GREATEST!
