

By Sister Anna Karriem  
Mosque No. 5

Praises are forever due to almighty God Allah for the greatest gift ever given to a people by their God, His Messenger, the Honorable Elijah Muhammad. "Behold I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord." Mal. 4:5 What justifies the appearance of a Messenger from God? The Honorable Elijah Muhammad teaches us that a Messenger knows his God, for God made His Messenger next to himself, like two arrows shot from the same bow. The bow and arrow are symbolic of war equipment which will be used to put down corruption.

**THE CORRUPTION** that the Messenger of Allah (God) must contend with exists in the form of the white race. They have succeeded in robbing the Black nation of the knowledge of their God, Allah, the religion of their God, Islam, and their original language, Arabic, so teaches the Honorable Elijah Muhammad. Therefore, a Messenger like unto Moses must be sent to lead his people out of their House of Bondage and into the light of truth (knowledge of self).

The grave task that faces any leader of the Black nation today is that of freeing a people from oppression, freeing a people from the mental and physical slavery that has reduced them in dignity and self-pride as well as acquainting them with their enemy and their God in order that they may have a choice as to whom they will continue to serve. There is no other Black man in America appointed to perform this task other than the Most Honorable Elijah Muhammad. It is agreed upon among educators that ninety per cent of comprehension and learning occur by sight and sound. The Honorable Elijah Muhammad has shown you, the Black man and woman of North America, the rewards which come about as a result of doing something for self. Under his wise and sagacious leadership, the Nation of Islam has produced jobs for Black people in its various businesses and farms are producing food to meet the demands of the Black people who patronize the super markets and restaurants of the Nation of Islam.

**MESSENGER MUHAMMAD**

has aired the life-giving teachings of Almighty God Allah on national radio broadcast, seeking to put into your ears the vibrations of truth. He wisely guides the printing and distribution of the national newspaper of the Nation of Islam "Muhammad Speaks" in order that you may still be further shown the truth as revealed to him by almighty God Allah, Who came in the person of Master Fard Muhammad, to Whom praises are due forever. Most certainly Allah (God) has blessed us abundantly!

The Honorable Elijah Muhammad teaches us that the white race was given six thousand years to rule the Black nation of the planet earth. Since leaving the caves of Europe four thousand years ago, the white race has desecrated the very foundation of the original Black nation and robbed us of the knowledge of self. Messenger Muhammad teaches us that their time of ruling has ended and that this is the time of their demise.

**ALLAH HAS** come in person to teach us of our enemy and of himself in order that we might separate from them, for God will judge them severely for the crimes they have committed against us.

Nevertheless, you my beloved brothers and sisters who have not chosen to submit to Allah are so drunk off of the love of white people that you prolong your agony and oppression. The white man has set himself up as your God and has taught you a false religion (Christianity) which was not the religion of the prophets of God nor was it the religion of Allah (God) upon whom all things depend. He has taught you to worship him and to do as he commands. You have not known your God and therefore have failed to recognize His Messenger despite his diligent plea for you to come and follow him. You would rather go to a Christian church and let the emotional screams of a Christian minister pull you out of your seat and onto the floor in a manner unbecoming a member of the most powerful nation on earth, the original Black Asiatic nation. You fail to question the reason you are asked to believe in a spirit as your God. The Honorable Elijah Muhammad teaches us that what is referred to as "Spirit" is the energy of man.

**CHRISTIANS** have defined the

concept of spirit as something independent of man. Something which floats about in space to be exact. The Messenger of Allah teaches us that we produce the spirit from within which is the spirit of our lives. When something aggravates us or when something springs up in fascination the eye reacts to the sight of it and our lives react to it. If we are not attracted by hearing

or sight there is no spirit produced which would be man's energy being revived.

You may be debating in your mind whether or not Islam is the true religion of the one and only living God, Allah. Christianity has a beginning (551 years ago). Messenger Muhammad teaches us that the planet earth, 7,926 miles in diameter, having a circumference of 24,896 miles with

a weight of six sextillion tons and occupying the eighth place in the universe (relative to the sun), came with the original Black nation 60 trillion years ago. The Honorable Elijah Muhammad asks: Would God wait trillions of years to let the black nation know His religion if it were Christianity? Surely we

(Continued from page 16)

were not without divine guidance for trillions of years. He teaches that Islam is God. This is why Islam has no beginning or birth record, for God has no beginning or birth record. Messenger Muhammad further teaches us that God has no equal despite Christian attempts to create images or an equal of God (the Catholic pope). "To Whom will ye liken me, and make me equal, and compare me, that we may be like? Isa. 46:5

We are the original people of the planet earth; our original religion was Islam; and the Honorable Elijah Muhammad is God's last and greatest apostle. Accept it or reject it.

It is written in the Bible: "I am the Lord, and there is none else, there is no God beside me: I girded thee, though thou has not known me, that they may know from the rising of the sun, and from the west, that there is none beside me. I am the Lord, and there is none else." Isa. 45:5-6. Since we have never known the identity of the God of the Black nation prior to the advent of His Messenger, we would naturally ask who is our Lord? It is written in the Holy Qur-an which contains solely the words of almighty God Allah: "Surely your Lord is Allah, Who created the heavens and the earth in six periods, and He is established on the Throne of Power. He makes the night cover the day, which it

pursues incessantly. And (He created) the sun and the moon and the stars, and made subservient by His command. Blessed is Allah, the Lord of the worlds! 7:54.

**THE PRECEDING** statements are the essence of a conversation which occurred between me and four other students interested in hearing the teachings of Islam. When I had finished, one brother thanked me and asked if he could talk with me again as he shook my hand. Perhaps you will heed the call of Allah's Messenger and may wish to shake hands with him and indicate your willingness to submit to the will of almighty God Allah; for, I have not taught of myself but of "him who sent me" to teach here at Tuskegee Institute, the Honorable Elijah Muhammad. May the peace and blessings of Allah forever be upon you Dear Holy Apostle. All praises are due to Allah.

## Ford In Ho

WASHINGTON—The Ford Motor company, who recalled a large percentage of its cars last year for serious defects, admitted to the Federal Trade Commission that repair service of automobiles is "a serious problem in the automobile industry." The admission came during an FTC investigation of consumer
