The Honorable Elijah Muhammad, Messenger of Allah (God) Who came in the person of Master Fard Muhammad, to Whom praises are due forever, has been sent to the beloved Black man of America in order that he may be taught the knowledge of himself, his God (Allah), and his original religion, Islam.

The justification for the timely coming of a "Good Shepherd" to lead the lost sheep (the so-called American Negro) is made even more clear by the belligerent plea for integration voiced by so-called conservative Negro leaders.

IN A RECENT meeting with students, wherein the teachings of the Honorable Elijah Muhammad were discussed, there was demonstrable interest and enthusiasm in that they continue to want to learn more about Allah (God), the originator of the religion of Islam and the relationship between the teachings of His Messenger and their lives. The question which drew a great deal of group sentiment was "Why should white people be excluded from the Nation of Islam? . . . God made all of us in order that we may live together." To give you further insight on the temperament of the group, one of the last questions asked of me was "Why do the Muslims preach hatred?" If you will recall in a previous article, I alluded to the increased effort on the part of white instructors to use the "Autobiography of Malcolm X" as a means of dis-

torting students' image of the Nation of Islam and its Leader, The Most Honorable Elijah Muhammad.

The three dimensional effect white people have on the minds of Black students on this campus always comes out when you seek to open their eyes to the truth of themselves and white people. However, as I answered their questions, the possibility of these identical questions being entertained in the minds of other black people is highly plausible because they have been interacting with a people who desire to keep the truth of themselves hidden as well as the identity of the only Black man Allah has sent to make manifest the truth as never before told to the beloved Black man and woman of America.

LET IT BE known that the Honorable Elijah Muhammad does not exclude white people from the Nation of Islam of his own accord. He is the Messenger of Allah (God) and is most graciously doing the will of his God who sent him just as Allah had told Jesus 2,000 years ago: "Jesus answered them, and said, My doctrine is not mine, but his that sent me." John 7:16. It is Allah's will that these practitioners of evil and murder be SEPARATED from the Original Black people of America.

The Honorable Elijah Muhammad teaches us that Allah (God) did not make the white race, as my brother in the audience seems to have thought. Their father Yakub (a black scientist from the original nation) created them with iniquity as their spinal cord. They have moved throughout the planet earth breeding destruction, disease, and deceit. It stands to reason that when a people are shaped in righteousness (the original black nation) by a righteous God (Allah) it is a defiance of the laws of nature when a people grafted on a blueprint of deceit are required to live together as the white race has forced the Black man of America to do by imposing his will upon him.

THE MESSENGER of Allah further states that "if the father of the two peoples, black and white were the same, the two would love each other because they are of the same flesh and blood." He tells those of us who praise the white race to read the eighth chapter of John in order that you may make yourselves acquainted with the fact that white people have never shown love for a Black man, for Jesus was a Muslim and taught the religion of Islam. The Jews (white race) were proclaimed as devils by Jesus because he too knew their evil origin: "If God were your Father, ye would love me." "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie,

he speaketh of his own: for he is a liar, and the father of it." John 8:42-44. All praises are due to Allah for my Beloved Leader and Teacher, The Most Honorable Elijah Muhammad.

MY BROTHER wanted to know why do Muslims preach hatred? If teaching Black people the knowledge of self and the enemy makes him hate white people, this is no fault of Mr. Muhammad. White people have never been forced to commit the acts of murder and desecration against Black people as has been done in the past and is still going on today. They do these things because, as The Honorable Elijah Muhammad teaches, it is the nature in which they were made.

Since the beginning of school in September, Black students on this campus have written in the campus newspaper and have cried aloud that all white people should be dismissed from this institution. For those who believe that Muslims have a monopoly on acts of exclusion, try to explain the reasons for this dissatisfaction. "Then the eyes of the blind shall be opened, and the ears of the deaf shall be unstopped." Isaiah 35:5.

May the Blessings of Allah forever be upon you Dear Holy Apostle.
