Mosque No. 5

As an example of what the devil will do for a people who have served him faithfully, he sought the knowledge of the Indian in crop production then, drove him on to a reservation and put his head on a nickel to show his gratitude to the Indian. So it is today with the Black man, he has faithfully served the white nation of America, but was subjected to slavery and captivity as a reward.

WHY ARE WE still trying to love and protect the people who have robbed and mistreated us? The scriptures, in accord with the teachings of the Honorable Elijah Muhammad, gives us the answer: "Therefore my people are gone into captivity, because they have no knowledge." Isa. 5:13. Messenger Muhammad teaches us that it is fear and ignorance of self that hinders the progress of Black people in America.

My beloved people, the Honorable Elijah Muhammad, Messenger of Allah desires that we live under a new government; a government, based on freedom, Justice, and Equality, for the Black man and woman of America. The present day government of

America was nurtured in a bed of violence, corruption and confusion as its history will show you. If you believe Allah (God) to be a God of righteousness and peace, then surely you must of realized by now that America has never had the blessings of God.

AS IT IS written in the scriptures: "For God is not the author of confusion, but of Peace." 1 Corinthians 14:33. Almighty God has never created anything out of confusion; the universe and all that is in it bears witness to the greatness and order with which Allah has perfected that which he made. The government of America is the seed of confusion and hatred in the west because it is controlled by the world's most wicked and vile people, the white race. The document upon which this government operates was originally drawn up labeling the Black man as three-fifths of a human being! So long as we continue to love and promote the corruption of the devil (the white man) we are still suffering from a three-fifths complex.

LET US UNITE for a government of peace wherein we will all be made to lift our voices and sing praises to our Lord.
