IN our May 28, 1971 edition of MUHAMMAD SPEAKS Newspaper, I diligently read the editorial article by Editor John Woodford and I was so surprised to see how the people look at Malcolm, today.

THE glorifiers of Malcolm want to blow him or his work up as an equal, or superior, to the work and stature of his teacher, ELIJAH MUHAMMAD.

I WOULD like to say, in a few words to the glorifiers of Malcolm, "You do not know why you are glorifying Malcolm, yourself, as Malcolm had no work on time, for the time we now live in. Malcolm had no work in introducing, or doing what MR. MUHAMMAD is doing for us, the Black People in America.

Malcolm COULD NOT do this kind of work of setting up a future for the Nation of Islam, in the Wilderness of North America. I do not have to say here what MUHAMMAD is doing in the way of a future for us. You know this yourself, for you are watching MR. MUHAMMAD every day and every night.

IF Malcolm had lived to this present day, or for another hundred (100) years to come, do you think that Malcolm would have built in the City of Chicago, Illinois, what MUHAMMAD has built?

DO you think that Malcolm, according to what he said before death overtook him — do you think that Malcolm would have been able to set in motion the minds of us, who have had nothing, and who never thought of trying to lay an industrious foundation for us, Black People?

YOU must remember that Malcolm's greatest desire was to get people to think about fighting. We never have learned how much fight Malcolm had in himself.

BUT, this is the greatest thing that Malcolm was trying to show - off in — in saying that he would like to have an army to be taken and killed, while going to war to kill the white people in the South for their mistreatment of us.

THAT is insane thinking! That is not the thinking of the scholars and the scientists of our Black Nation of Islam. How far would Malcolm have gotten with an armed army going to Mississippi, to beat up some white people down there or kill them for beating and killing our people? The white man would not have let him or his army get across the border!

THE CIVIL RIGHTS MOVEMENT with their passive teaching was not able to go down there with that; not to even think of a warrior going down there. I want you to know how you are deceived by the arch - deceiver.

The Devil Uses M

IN worshipping Malcolm, you are hated before God and before His Angels, for grabbing a disbeliever in Him and His Messenger, who is now universally approved by the world to be the Messenger of God, in the person of the Honorable Elijah Muhammad.

I only want to acquaint you with the basic meaning of what you are actually trying to carry into practice, and that is a worship of a dead Malcolm. As MUHAMMAD teaches us, this is the work of your arch - deceiver.

THE devil does not want you to follow a Servant of God. Instead of following a Servant of God, the devil wants you to follow a hypocrite and a disbeliever of God. By following a hypocrite and a disbeliever, you would be the friend of the arch - deceiver, the devil.

Malcolm, goes to MECCA. He makes a pilgrimage, and for the first time Malcolm gets a chance to eat out of the same dish with the devil. This excited Malcolm, lover of the devil.

Malcolm, came back from MECCA, worshipping the devil because this was the closest that he had ever gotten to be in the society of the devil. Malcolm all but wanted to swear at your God and my God, and Mr. Muhammad, for not teaching him to love white folks.

Malcolm, saw white people in MECCA and he dined with them and ate out of the same dish with them. Judas Iscariot ate out of the dish with Jesus, but Judas was not a Jesus. Judas was a betrayer.

MR. MUHAMMAD teaches us, and we bear witness that the white man has lived on this earth to deceive. He has deceived everyone who believed and who followed him, by making them believe that the white man was something other than what he is (the devil).

I HAVE been reading and watching you and the white people who are now bestowing this false honor upon a dead Malcolm. When Malcolm was following MR. MUHAMMAD and when Malcolm was telling the devil who he is, as you remember, and saying that he wished that he could destroy white people, there were no white people speaking anything in the favor of Malcolm. It was only after Malcolm became a hypocrite that he got a deceitful and hypocritical honor from the devil.

YOU glorifiers of Malcolm, in honoring Malcolm, you fell in love with the devil. You know that Malcolm would never have gotten to the

place where MUHAMMAD was putting him. You know that now.

YOU know that you did not ever read in the Bible or in the writing of the scholars or prophets that Malcolm would come as a Servant of God.

HERE, in the pages of the scriptures, MUHAMMAD is written out boldly, for you and me to read of and his work is most surely made manifest to you and to me, today, that MUHAMMAD is the answer, to that which is written of him.

ELIJAH MUHAMMAD is the man in the Bible which teaches you that ELIJAH would come and guide you in the right path and bring us again into the love of your and our Black People. Malcolm did not even start any such path.

ELIJAH MUHAMMAD has now joined the Black Man in America with our Black Brothers of Africa. Mail is pouring into MR. MUHAMMAD'S house almost daily, from Africa, giving MR. MUHAMMAD honor and credit for the great work that MUHAMMAD is doing for the Black Nation.

IF I would test your conscience, it would tell me that you are only lying when you are trying to follow a dead Malcolm rather than a LIVE MUHAMMAD.

MUHAMMAD wants for us that which other nations want for themselves, and that which they have achieved for the independence of a nation and not that of a beggar.

MUHAMMAD is accomplishing and he is laying down to you and me the right way to go about independence of self, with the essential ideals of going to the earth for our bread and meat, first — this is the wisest step that all people take to become independent — they have to first feed, house and clothe themselves. These things MUHAMMAD is doing for us.

MUHAMMAD is in the South seeking farms and a warmer climate. We are southern - born, so MESSENGER MUHAMMAD is taking steps to the South.

WE own thousands of acres of land from MUHAMMAD going South. These lands are producing food for us. MUHAMMAD is going South to build better houses and to show them how to grow crops that they can market and make money for themselves.

MR. MUHAMMAD is not only doing this for us, but he is also seeking trade from Mexico and all the way down to the cape of Argentina —

Malcolm!

wherever he can find something good for us.

MUHAMMAD will soon be reaching across the Atlantic and the Pacific Oceans, for something for the once slaves whose master did not give them anything with which to go from the master and to start a good life for themselves.

WHEN the slave is freed by the master, he is free to go for self and to become independent like his master — not a free slave, but a free and independent man. If he does not go for self then we call him a freed - slave. He is free for anyone to use him as a slave for himself.

BUT, MR. MUHAMMAD frees the mind and gives us a new thought and a new idea that we fashion into being a fruit bearing people, of good.

MUHAMMAD also unites the Black Man into the love of Black People. Look at how the Black People in America now go under what MUHAMMAD taught them years ago ... Black .. You do not find Black People now, who want to be called negro. Where did they get it from? MUHAMMAD!

WE did not know how to respect Black. We hated Black because the white man hated and scorned Black. We wished to be white so that the white man would accept us.

MR. MUHAMMAD has turned the tables. It is the opposite, now; we love Black and we hate white, for white is a made color. White is temporary from Black. I say temporary because MUHAMMAD teaches us that white will not rule Black any longer.

Malcolm had a very large mouth. And out of his mouth came very large words which he could not back up. MUHAMMAD has a small mouth.

MUHAMMAD talks little, but he does plenty of work.

Malcolm was seeking credit from people for that which he had not done for the people — he could not do it. Malcolm could not be a Divine man. He made mockery of Divine, although all prophecy teaches us that there will be no way out for us, except by Divine Way.

NOW, all of you who read this article, if you think that your little devil schooling, devil association and attraction of the devil will get you any further than a free - slave and hell - fire in the end — try and see.

MUHAMMAD is a world - wide man, now. MUHAMMAD is not confined to Chicago, Detroit, New York, Los Angeles, or San Francisco — MUHAMMAD is world wide in honor by nations. WHY? Because MUHAMMAD is backed by Divine. A man doing the work MUHAMMAD is doing cannot be said to be other than a Divine Man.

YOU who seek dead hypocrites or live hypocrites of MUHAMMAD, — you will never get any place among the nations of earth except the place of a fool.

AGAIN, I wish for you to look at MUHAMMAD as being an unlearned man as the history teaches us that MUHAMMAD was unlettered. MUHAMMAD is doing more for the good of the people than any lettered man of the nations.

SOME of you would like to make fun by saying that MUHAMMAD never went to school. You have college and university degrees, for nearly one hundred (100) years. But what has been the good of it? You are still here under the foot of the white man.

MUHAMMAD has no degrees from the devil and he does not seek any. Allah (God) Who Came in the Person of Master Fard Muhammad, to Whom Praises are due, Taught and Guides MUHAMMAD. MUHAMMAD is the Student of

God and he makes us the same.

IT is a senseless and a fatal opposition that you are undertaking against MUHAMMAD. MUHAMMAD is actually among us, a God over the devil's professional people, because MUHAMMAD is Guided by the Wisest and Best - Knower.

GOD Is Very Careful of MUHAMMAD. MUHAMMAD is the one that the Bible prophesies 'will be seen sitting on the right hand of the power,' in the day of Judgment of the wicked. I can show him to you in the Bible, now.

ALLAH (God) Is Teaching MUHAMMAD and He Bids us to BOW and FOLLOW MUHAMMAD, or suffer the punishment of hell, for in this day and time there will be one preacher and teaching. Read your book (Bible) if you are not aware of it.

I BID YOU MALCOLMITES AND WORSHIPPERS ... GOOD BYE.
