

The Woman in Islam

By Margary Hassain

IN THE NAME OF ALLAH, Master Fard Muhammad, to Whom Praises are due forever. THE WOMAN IN ISLAM gives all Holy Praises to Allah and Thanks Him for His Messenger Muhammad, Who sets her free in all areas of her life.

Messenger Muhammad teaches us that the white man enslaved the Black woman in Christianity, in mind as well as in body. She was made ignorant to her duties to her husband and what is worse her mind was poisoned by the teachings of the white slave-master who taught her truth was falsehood and falsehood was truth. He taught the Black woman to serve the white man but not to serve herself, her husband and her Black kind. Therefore, no matter how good a husband she was blessed with and no matter how much worldly goods she was given, she was unthankful and unappreciative and hell was her home and not heaven. Contentment was lacking.

A man marries a woman because he wants and needs a mate. He needs mental and physical comfort. It is his duty to provide for her and in Islam he does so because he loves himself as well as her, for they are one. She cares for him

because of her love for herself, as well as for him. What she does for him, she is also doing for herself, for they are sharers in all of their life together. When good comes, it comes to both of them. If ill comes, it is shared by both, for one is not separated from the other. They are one, as Allah (God) is One and His Messenger is One. God is in His Messenger and His Messenger is submerged into the God. They are One.

The Black Man, who has accepted his own, serves his wife in the capacity of husband and the WOMAN IN ISLAM serves her husband in her capacity as wife. When they serve each other well there is a good marriage, a good husband is present and a good and dutiful wife is present and they have learned well their lesson of service.

THE greatest call that the Black Nation has ever heard is the Call to the Service of Our God Allah and the Call to serve ourselves and each other.

THE Bible teaches us that we are the Servants of the Most High and as it is written, The Black Nation, here in America is being called to the Service of Allah (God) by His Messenger Muhammad, the Greatest Servant of Allah (God).

LET us serve Allah (God) and each other well, All Praises are due to Allah (God) for His Messenger and the Divine Mission of Messenger Muhammad!
