12 GROVE AVENUE CHICAGO, ILLINOIS

By Eugene Majied

I am happy that Mr. Muhammad let the people know some of his aims and purposes as well as we, Muslims.

We believers know that he has been planning for some time to commercialize the South side of Chicago and had made those economic plans that he exposed last Saturday.

He wants to make the South side for Black people only, like the North side has for the whites.

If you could see some of the sketches Mr. Muhammad has for Black people here on the South side, everyone would rise up and try to help put this great program over.

Just think over it — if only 500,000 would help weekly with just fifty cents (50¢) or one dollar (\$1.00), Mr. Muhammad would have the South side changed immediately for you.

He has not been able to get the money to do so — only from our believers backing him up.

If you would do what they would do we'd have it tomorrow morning.

Let us help Mr. Muhammad, dear Brothers, to make the South Side YOUR OWN.
