Messenger of Allah

ALLAH HAS MADE known that the enemy of the Black Nation is the black professional class. Of these, the preacher is the worse enemy of the truth of our salvation.

HE WANTS to be white people and to hell with being black and all that goes for black. This is what they openly, although indirectly, confess.

WE ARE NOT surprised, for it is already written of such class (preachers, magi-

cians, soothsayers) that they would be the enemies of the truth, in the last days. They work for their enemies and for the enemies of our people—for reward and recognition.

WELL DID Jesus prophesy of them, under the heading of the scribes, pharisees and hypocrites, who 'shut up the Kingdom of Heaven' against their own people. It is so clear today.

IT IS FOR the inducement of the slave-master, and his slave-making teachings, christianity, for which the

black preachers, here in America, reject Islam, the true religion, of God. Christianity is basically built upon falsehood and holds forth a luscious bait for the black slaves throughout the world of the white man. (Matt: 23; 13, 14, 15, 29, 31, 34, 35).

THEY ARE, and want to be the friends of the enemies of their own people. They are jealous of the truth which has been revealed to such an insignificant one as me.

THEY HAVE NO truth with which to dispute me, for what Allah has revealed to

me is the truth. They will not even offer a good word toward the good truth that Allah (God) has revealed.

THE PROGRAM which is an economic and spiritual program, appears on the last page of MUHAMMAD SPEAKS newspaper. They do not want this. They do not want to be separated from the children of the white slavemaster because they are so afraid of the white slavemaster's children.

THEY WILL SEND their own families to hell with the

devil, in order to have the friendship of the devil. They are so cowardly.

THEY EVEN refuse to bear witness to the truth that our people should go in the names of their own people—

Blame Britain for Death of Zambian Woman

DAR-ES-SALAAM — Zambian vice President Kamanga announced that his government will lodge a strong protest to the British government condemning the racist and illegal Ian Smith regime in Rhodesia for shooting a Zambian woman.

THE VICE President said the woman was killed while sailing her canoe on the Zambesi River, bordering Rhodesia. According to witnesses, the woman's canoe was attacked by Smith government troops.

Condemning British colonial policy in Rhodesia, Vice President Kamanga said Zambia holds Britain responsible for the woman's death. As long as Britain "pandered" to the rebels of the Smith regime and shielded them from world condemnation, he added, the threat to Zambia would increase.

Syrian Paper Criticizes UN

DAMASCUS — The Syrian Newspaper "As Saarah" has strongly condemned the U.N. for its illegal discussion of

in the names of God, Himself, which we are now accepting from God—such a name as Muhammad means the name of God, Himself. All the other Muslim names are the names of God and not of the devil.

ALL THOSE WHO have the name of the beast will be burnt alive. This is the prophecy, Rev. 14:11—"And the smoke of their torment ascendeth up for ever and ever: and they have no rest day or night, who worship the beast and his image, and whosoever receiveth the mark of his name."

This means the clergy and his followers. They hold onto the names of the devil, although the devil's names have no divine meaning whatsoever.

AS DAVID prophesied in Psalms, they were never called by his name. These blind guides, the preachers, are proving these truths, 105 per cent — that they are the answer to such prophecies as the magicians who wanted friendship with Pharaoh, who actually tried to condemn Moses and Aaron and the power of Jehovah that was being worked through Moses. The Holy Qur-an tells us that they would agree with Pharaoh and that he would offer them a reward if they would overcome Moses.

THIS IS TRUE of the black preachers all over the face of the earth today, who love the devil's false religion. They will do anything against their own people for the devil's recognition and a little money. Such leadership is not worth 2 cents and I would like to get them on Capitol Hill and tell them before the people of the earth.

They are actually murder-

ing themselves and our people. As John the Revelator said, it is Allah and not a spook Who will burn them. It is justice that Allah do so — for by their false teachings they are pushing our people into the fire to be burned. They are the murderers of their own nation.

IF YOU want to fight me with truth, come out boldly. I will fight you to the bitter end for these 22,000,000 people of mine and yours.

THEY WILL NOT go to hell for lack of knowledge. As Isaiah prophesied, "they all will know Him." God, in the Person of Master Fard Muhammad, to Whom praise is due forever, is with me to tell the world the truth—for truth is against the enemy of truth.

FIGHT IF YOU WANT TO. FIGHT WITH ME, NOW.

UNITED NATIONS — Referring to the South West Africa and recent steps by the UN to establish the right of the people to self-government problem, U.N. Secretary U Thant said that the UN had taken "the most far-reaching decision in its long history of concern for the interests of the people of that Territory."

THE MESSAGE was sent to the Assembly of the Heads of State and Government of the Organization of African Unity, which met recently in Addis Ababa.
