As Salaam Alaikum

In the Most Holy Name of Allah, the All Wise, True and Living God, Who came in the Person of Master Fard Muhammad, to Whom Praises are forever due. We thank Allah for our Beloved Leader and Teacher, The Honorable Elijah Muhammad.

MINISTER, CAPTAIN, SECRETARY:

Dear Laborers:

It has come to our attention that there has been an alarming increase in the number of cases of abuse and misuse of the Teachings and Pictures of The Most Honorable Elijah Muhammad.

You have begun to use The Messenger's pictures to promote all kinds of meetings, rallies or bazaars and you hold these different events in just about any place available to you. THIS MUST STOP!

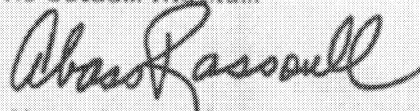

By using The Messenger's pictures you are attempting to give the public the impression that Our Leader and Teacher has approved the meeting place, the subject material or both. In most cases, you have not even attempted to discuss the matter with The Messenger.

You disgrace Our Leader and Teacher's position by associating His Spiritual Teachings with things of this world and by attempting to deliver this beautiful Truth in any kind of mental or moral environment. Even the subject matter is not that which The Messenger recommends. You mislead the dead by trying to interpret that which The Messenger has not yet given you the proper interpretation of. THIS ALSO MUST STOP!

Do not use pictures of Our Leader and Teacher on flyers, posters or billboards or in any other way unless you first receive permission directly from The Messenger.

We warn you that we will DISMISS you from your post and SUE you if you continue with these practices.

As Salaam Alaikum

Abass Rassoul
NATIONAL SECRETARY.
