

Mosques & Churches, Civic AND Community Groups!

WIN A MUHAMMAD ALI DAY

Bilalian News circulation department is launching a subscription drive to acquire new readership. We are asking all mosques, churches, civic, and community groups to participate in the Bilalian News program. In addition to individual commissions there will be scholarships for the first four church, mosque, or community groups that sell the highest number of subscriptions.

The Hon. W.D. Muhammad and The World Community of Islam in the West membership are concerned with Bilalian News reaching out into the community and developing those minds which are so necessary to reform the ills of this society.

In addition to the four scholarships the one church, or mosque, civic or community group that sells the highest number of subscriptions can have a "Muhammad Ali Day," with Muhammad Ali in person to raise funds for their group. **CONTEST ENDS JANUARY 31, 1977**
