

WELCOMING FOLLOWERS at termination of recent Muslim parade is the Honorable Elijah Muhammad, Messenger of Allah, who

stands in doorway of his home as the hundreds of Muslims participating in parade file past.

The Troubled America: No Peace

Messenger Muhammad

AMERICA, in trying to hold her place as the greatest power among the nations of earth, is one of the most troubled countries on earth, today.

THE world has never before seen the top rulers of the land leaving their offices, to visit nations abroad. The purpose of these visits to foreign countries, is to make peace with them, after her years of troubling them.

AMERICA, brought all of her troubles upon herself. She alone is to be charged with being the cause of the troubled world and people, today.

AMERICA, loves meddling into other people's affairs. She just cannot stay out of other people's business, whether they be a two-cents (2c) worth soap-box teacher or Presidents and Kings of countries.

AMERICA'S actions, fits the description of the prophecy (Bible) 'the beast had eyes around about'. This refers to the mechanical listening devices with which America listens in on other people's private affairs, as well as her listening in on foreign governmental affairs. This also refers to her powerful telescope.

AMERICA, goes abroad and makes war against other people. Then she charges them with making war against her, when she is the one who is guilty of the war-making.

THE BIBLE says Allah (God) will destroy those who delight themselves in making war.

The Parade of July 27, 1969

The Muslims' Great Parade, Sunday, July 27, 1969 was one of the most spectacular parades that we have ever seen of the Black Man, and a very peaceful one.

We thank all of you who were out to see this parade that Mr. Muhammad, the Messenger of Allah, designed for us. All the expenses of this parade and the free meals (9,319 free meals) were given by the Messenger of Allah. He financed everything that was given free, himself; and he seeks no return of any of his expenses for this great and enjoyable parade with the 9,319 free meals of good food, which is the kind of food that we, the Muslims, eat everyday.

The parade consisted of 15 complete floats and platforms.

What a Messenger of Allah!!

Who else could we find who would give us such a great gift from himself? This is wonderful! He enjoyed doing this freely for us. We hope that we can repay him with the unity of the Black Man and sincere brotherhood for the Messenger of Allah's generosity and love for the Black Man.

His daily talk is, "Get everyone in unity who are of the Nation of Black People." He craves to get the Black People into the Circle of Islam with himself.

Everything in the Muslim Parade had significance. The Crescent that spear-headed all of the floats, and the advertising of education and farm produce shows what these poor followers of Muhammad are doing; and they are moving

forward to bring more into reality. Please visit the Muslim businesses. See our farms in Michigan and Georgia.

To Builders of Our Floats

The builders of our floats did a wonderful job. We are very thankful to them for carrying out our plans for the floats, and for building them according to our wishes.
