

Malcolm Exposed by His Brother

In a courageous effort to prevent the misunderstanding and misguidance of innocent observers caused the heedless disruptive actions of former Muslim Minister Malcolm, Brother Philbert X, minister of Muhammad's Mosque of Islam in Lansing, Mich., revealed in Chicago to a fully attended press conference the inside motives behind the action of his brother.

Quietly and calmly, Minister Philbert exploded the unfounded allegations of the former New York minister and revealed the tremendous debt owed by Minister Malcolm and his family as well as of millions of black people in America to the teaching

and guidance of the Messenger of Allah.

Because it brings significant clarification to many confused viewpoints expressed in the white press around this subject, Muhammad Speaks here brings its readers the text of Minister Philbert's statement:

Minister Philbert

Because, I, Philbert X, a minister at Muhammad's Mosque of Islam in Lansing, Grand Rapids, Flint, and Muskegon, Michigan, love Islam, our teacher, The Honorable Elijah Muhammad, and all his followers, I think someone should say something or speak out against the acts of my blood brother, Malcolm.

Since I am one of the ones who brought my brother Malcolm to Islam, I am taking this task on myself.

Because I am and have been a follower of the Honorable Elijah Muhammad for more than 17 years, I have seen the beneficial effects Mr. Muhammad's message has had upon me, my family and all of our

people who have accepted Islam.

In my eagerness to have all of our people gain full and complete freedom, justice and equality through the acceptance of the Honorable Elijah Muhammad's divine message, I sought to introduce and convert my wayward brother, Malcolm, to the banner of Islam under Mr. Muhammad's leadership more than ten years ago.

I have seen and bear witness as to how Malcolm was raised from a level of nothing to a place of honor and respect through the world as a result of Mr. Muhammad's direction.

Now I see my brother pursue a dangerous course

which parallels that of the precedents set by Judas, Brutus, Benedict Arnold and others, who betrayed the fiduciary relationship between them and their leaders.

I see my blood brother go against the prayer of Islam in which every believer asks to be guided on the right path and not on the path of those who go astray after they have heard Islam.

I see where the reckless efforts of my brother Malcolm will cause many of our unsuspecting people who listen and follow him unnecessary loss of blood and life. I know as Messenger Muhammad teaches that any-

one who deviates from Islam is a hypocrite.

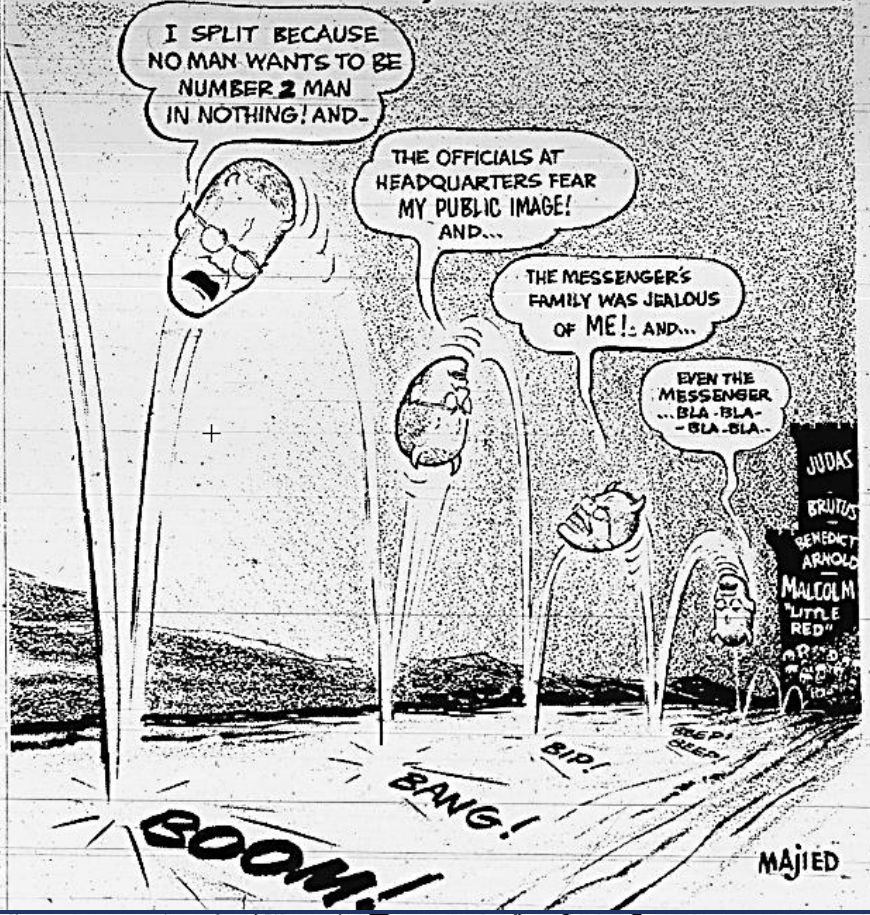

I am aware of the great mental illness which beset unfortunately, many in America and which beset my mother whom I love and one of my other brothers and which may now have taken another victim, my brother Malcolm.

I know the works of Mr. Muhammad in reforming the so-called Negro so he can take his place in society. This is absolutely divine work and we can only get this divine guidance as long as we follow Mr. Muhammad.

Facts Told On Role Of Malcolm

Kennedy's assassination Mr. Muhammad knew some white people hated President Kennedy enough to kill and that some white people also loved him enough to kill for him.

Mr. Muhammad ordered all of his followers not to make any statements about President Kennedy's assassination to a void unwarranted and unjustified attack on his followers.

My brother Malcolm, angered by the little misfortune of being suspended for speaking out of turn and against instructions, now resorts to slander, slurs and intimidations of Mr. Muhammad, Mr. Muhammad's family and the Muslim followers of Mr. Muhammad.

My brother Malcolm, greatly angered over his being temporarily silenced for ninety days, now resorts to falsely charging Mr. Muhammad's family and the officials of our headquarters with seeking his ouster.

All of the Muslims know he defected and now speaks falsely about personal affairs of the Muslims, Mr. Muhammad and any Muslim of influence. My brother Malcolm will do anything and say anything to gain mention and his picture in news coverage.

He has always prided himself on being a great user of people, especially women, and now seeks to prevail upon women who unfortu-

nately were weak and went contrary to Islam.

I have learned that he wants to use these women who have been dismissed from our group in an effort to accuse and smear any Muslim of influence in our group of misconduct.

I take this opportunity to prevail upon you and beseech your media to apprise those who may be taken in by my brother Malcolm's desire to promote his own selfish ends to maintain his public image.

As for my brother Malcolm setting up a rival mosque of Islam, I can only quote to you from our holy book, the Holy Qur-an:

"And those who built a mosque to cause harm to Islam and to help disbelief, and to cause disunion among the believers, and a refuge for him who made war against Allah and His Messenger before. And they will certainly swear: We desired naught but good. And Allah bears witness that they are certainly liars."

Crop Research Grant

WASHINGTON—The West African nation of Guinea, seeking to increase its crop yields, received \$34,000 from the United States for research under the direction of an American agronomist.

The project is a bi-lateral agreement between Guinea and the Agency for International Development (AID).
