Christianity has failed you.

**Muhammad took hold of the best,
the belief in one God (Allah),
and was successful.**

we are successful, that is,

Islam taught him meaning of 'love'

By Thomas M. X
Marion (Ill.) Fed. Prison

There was a time when I used to react, but I never "thought." But Islam has given me the will and desire to think. Islam has put into my heart true love for my people. I never really knew true love for my people until I began to study Islam (as taught by the Honorable Elijah Muhammad).

True greatness awaits Black women in Islam

By Patricia 13X

...Think about it, Black sister! You may be sitting behind an executive desk in the slavemaster's house, hiding behind this degree or that position, or fashioned into what the slavemaster terms the "latest Black hairstyle or dress," but you are still a slave — a slave to the white man's education, a slave to Max Factor and miniskirts, and

Opening of Bronx Temple

By Bro. Jake 3X

Working around the clock the men of the FOI did, in a surprisingly short time, what would have cost thousands of dollars and many months of labor, showing that through unity there is strength and that Messenger Muhammad surely has the key to the success of the Black man's future.

Truth is beautiful, it makes itself manifest to the seeker. Back to the Temple I went to change my thinking from "those" Muslims to "we" Muslims. All praise is due to Allah for His Messenger.

Words inadequate form of praise and thanks

I wasn't far from being drowned in the mud and filth of the white man. All praise is due to Allah, Master Fard Muhammad, for visiting the Hells of North America and Raising up in our midst the Honorable Elijah Muhammad, Oh Muhammad! Muhammad! Muhammad! Muhammad is so beautiful I just can't say enough about him to satisfy

These were the fruit of our labor. Our chickens, cows, sheep and acres of land were numbered in the thousands.

We could only think of the Messenger's love for us and the things that he is doing for us. Our love for him grew in strength and we gave praise to Allah for bringing him to us.

Through his indefatigable efforts to get the truth to his people, Islam is now blazing a trail leading me, and other like me to Allah and His Last Messenger, and to a life far too beautiful to describe.

Black man must elevate woman

By Brother
Edward X Chapman
Marion, Illinois

...Contentment of mind to us all.

The Black man who obeys Allah (God) is duty - bound (to the best of his abilities) to emulate the Messenger of Allah and shoulder his responsibilities: to emulate the Messenger of Allah and shoulder his responsibilities of protecting, providing for, and maintaining the Black Muslim woman...
