PULL OUT NEXT FOUR SHEETS

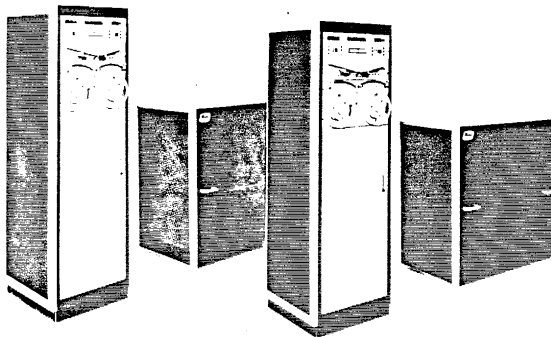

MUHAMMAD SPEAKS building covers 15,000 square feet on each of its four floors for a total area of 60,000 square feet. Building, when completely renovated and equipped will cost one and a half million dollars without a mortgage, loan, aid or grant or a drive among

Messenger Elijah Muhammad's followers. All of this was accomplished under the wise leadership and guidance of the Honorable Elijah Muhammad. Mr. Muhammad is providing more than one hundred highly skilled jobs for black people.

A Modern Miracle By Mr. Muhammad!

Muslims Advance Into Computer Age!

THE PHOTON 713 Textmaster is a photographic composing machine operating from perforated or magnetic tape. The system is capable of a net production of 40 newspaper lines per minute. The usual newspaper line is 10 to 11 picas long, 8 or 9 point, with a maximum of 31 or 32 characters per line, and provides a maximum of 8 typefaces and 8 customer selection sizes from 5 to 36 points. It operates from 6, 7 or 8-level tape, keyboard or computer generated.

THE 713 Textmaster consists of two cabinets. The Control Console contains the control panel. The tape reader equipment and the computer logic system. Part of the logic system is a permanent magnetic memory unit for the storage of drum position, width value, functional codes and line storage. It is programmed from a special 8-level tape provided with each set of matrices. The Photo Unit, a light tight cabinet, contains the stroboscopic light source, revolving matrix drum, lens elements, mirror carriage and a removable magazine for film or paper.

Muhammad Speaks Building (front page) 2548 S. Federal Street Chicago, Illinois was visited by Messenger Elijah Muhammad's followers and their guests in Chicago and surrounding areas Sunday, October 26, 1969. They had been told one of the most noble jobs they had sought to accomplish was now in operation.

For many years, the Muslims have worked hard with 100 percent odds against them to get the truth out through every black paper and other news media. The Pittsburgh Courier, New York Amsterdam News, Los Angeles Herald Dispatch, Afro-American and some other black papers carried some portions of truth in them, and Messenger Muhammad's followers subscribed and sold them all over the streets and fields of America.

Now, Allah, Who came in the Person of Master Fard Muhammad has blessed The Honorable Elijah Muhammad and His followers with a great tabloid newspaper and one of the finest newspaper plants in the country.

The Honorable Elijah Muhammad is joined by his followers in thanking Allah for the efforts of the Muslims in helping to establish this miracle, Muhammad Speaks Building, housing a modern printing plant, modern offices, modern sanitary, meat processing plant and warehouse accommodations.

This building plus over 2200 acres of farm land in Michigan housing a modern 100 cow milk dairy, 10,000 eggs a day laying house, 20,000 capacity chicken house, 430 apple trees. Over 300 acres of farm land in Alabama with grazing and preparation facilities for cattle to slaughter; a modern store set-up at Your Super Market; over ten \$25,000 to \$30,000 individual, detached, air conditioned homes for his followers, two modern apartment buildings, over 600 students being educated at the University of Islam, sewing factory and the building of a modern clothing store and office building at 632 East 79th Street, represents a small portion of great things The Honorable Elijah Muhammad has in mind (over 232 bed hospital, a modern religious center, and a complete university complex with library, physical science buildings, dormitories for girls and boys; millions acres of farm land; modern housing developments; hundreds of thousands head of cattle, jet plane operations, sea port; and hundreds of thousands technical skilled jobs for black people) to make the Black Man of America self-independent with the help of Allah Who came in the Person of Master Fard Muhammad.

*TO: The patrons of Your Supermarket
and Salaam Restaurant*

from
The Honorable Elijah Muhammad
Messenger of Allah

WE THANK the public for its patronage of YOUR Supermarket (6345 South Cottage Grove) and SALAAM Restaurant (8300 South Cottage Grove.)

We will soon have all the plans for these two places carried out to your enjoyment.

The food in both places (YOUR Supermarket and SALAAM Restaurant) is about the best we can find.

At the present time, we are trying to supply them with our own farm raised chickens. I am sure once you taste them, you will want to eat none other than YOUR Supermarket chickens.

I had not eaten a half chicken at one time in many years, until last week when I dined off some of our farm-raised chickens and I still had a taste for the other half (smile). And, the prices are right. Just try one for yourself.

We hope to give you, this year, fresh vegetables of all kinds, from the farm. We hope also to give you, sometime this year, your own farm raised meat, such as beef and lamb, and your own milk and butter.

If you would only unite and get behind me, Allah Will set you in heaven at once.

Eat the good things of life from YOUR Supermarket and SALAAM Restaurant! Enjoy yourself in an atmosphere of peace and cleanliness, without the foul atmosphere found in many places.

Soon, we will have the proper laborers who will give to you proper and lovely service, as you desire. We have to experiment with those who claim that they are qualified for such service.

We pray that you will forgive us for any past disservice in these two establishments.

Write us and tell us what you think of YOUR Supermarket and SALAAM Restaurant (which means peace). Do any criticizing that you like and we will do our utmost to correct any mistakes that you point out to us. We are your brothers and sisters. Let us live together.

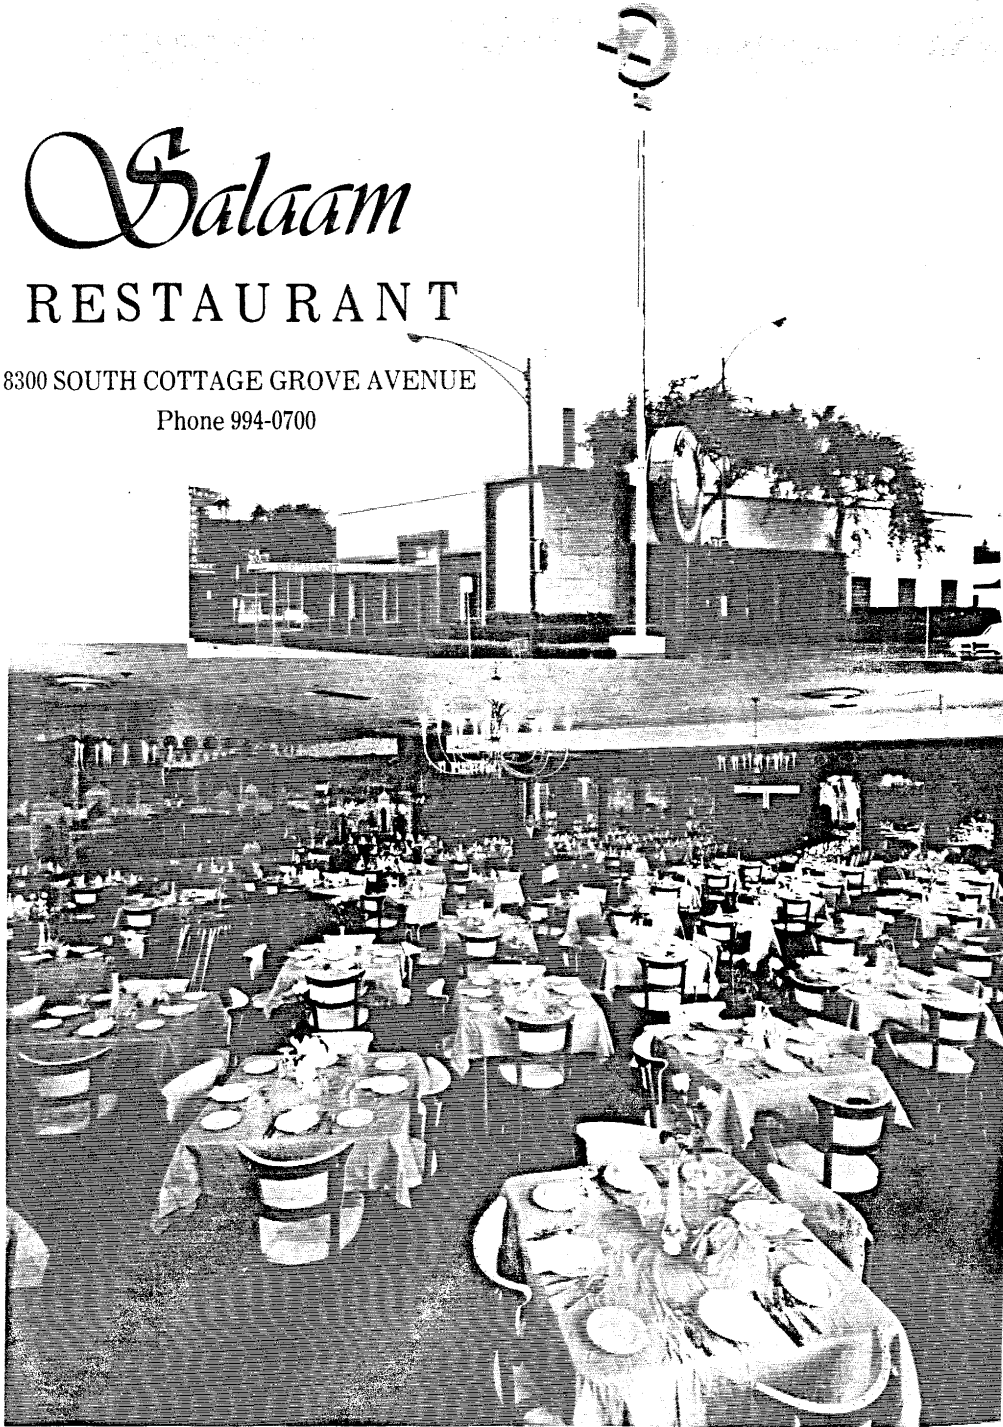

Thank you very much for your patronage.

High Quality, Top Grade meats will be available to Black people in Chicago and nearby areas at lower prices than ever before possible, because the Honorable Elijah Muhammad has stripped the profits from the live stock markets by independently building a modern, 100-ton capacity, sanitary—United States Department of Agriculture approved meat processing and manufacturing plant, from which the Nation of Islam's cattle will be processed for marketing. The plant was built at a cost of more than \$125,000, which was paid completely in cash. Beef, lamb and chicken will be shipped in modern refrigerated trucks from the Nation of Islam's farms and other markets in Michigan, Georgia and Alabama and processed in this plant.

In Georgia, we have a half-million dollar farm of over 2200 acres of pastures and crop producing land paid for in cash. The harvest for 1969 included wheat, peanuts, soy beans, corn, watermelons and other crops. A modern cattle ranch of over 500 head of cattle are housed on this farm, which also contains the following facilities:

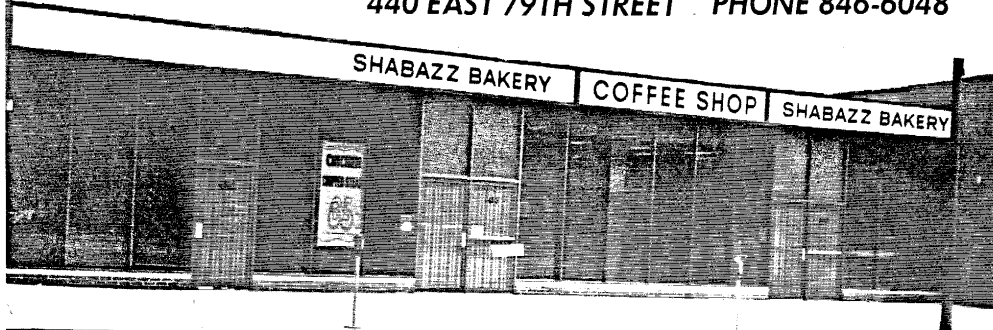

- *A modern, sanitary dairy*
- *Two 65,000-bushel capacity silos*
- *A modern cannery*

In Alabama, we have over 908 acres of farm land valued in excess of \$350,000, paid for in cash. This farm contains:

- *A mechanized, modern saw mill*
- *A railroad siding facility*
- *A dairy farm*
- *A cattle water spring*

“GOOD HOMES... Friendships In All Walks Of Life.”

We have purchased more than nine, individual, detached, modern, air-conditioned, three or four bedroom, carpeted, grass plot homes in the \$25,000.00 to \$30,000.00 range, to house families who are unable to get suitable living accommodations because they have large families. We have also purchased two modern apartment buildings to provide good housing for smaller families. Many other followers have reported that they have been able to purchase fine homes of their own from money they have saved by practicing the good things Messenger Muhammad teaches by not smoking, drinking and by eating not more than one meal a day.

Messenger Muhammad desires that every black family have a good home and not be penalized to live in slums just because God has blessed the black man of America with a prolific birth rate to produce his Nation.
