...On the selling of M.S.

Benefits of Selling Part I

I could never tell all of the benefits I have received from selling Muhammad Speaks newspapers. It would be impossible, but I only want to convey some ideas.

If a Brother really knew and understood the benefits he received from selling Muhammad Speaks newspaper nobody could stop him but Allah or His MESSENGER.

It is the greatest thing (with praying and eating like the Messenger teaches us) that enables us to come back to our true self.

The hypocrites hate a Muhammad Speaks salesman. Why? Because it shows the public he is a fake when the public observes a Muhammad Speaks salesman and then observe the hypocrite. He is exposed for what he really is. A hypocrite. The worst enemy a man could have. Weak believers love the hypocrites because the hypocrites help them to cover their weakness.

Selling Muhammad Speaks helps you to learn how to treat people. Step by step you learn because it is mathematical. You learn what to do and what not to do and you put that with what you have in mind to do and you get a right action. You have experience to understand. This is something we are really void of when trying to get along with our beautiful Black women.

We are a sick people and Master Fard Muhammad left a prescription or I should say a prescribed way of life (medicine) for us. If we don't take the medicine or accept the way of life to enter into a greater way of life then we will remain sick.

If you leave selling Muhammad Speaks out of your prescription then you will never get completely well.

As Salaam Alaikum
