Blood Donations Set New Record

WASHINGTON — The American Red Cross has announced that a record total of 2,800,000 pints of blood was collected in the United States last year.

AN additional 168,732 pints were collected for the Department of Defense, most of which was used for wounded servicemen in Viet Nam.

The blood plasma process, used first during World War I was discovered by brilliant Negro physician, Dr. Charles Drew.

forces in America must show strength at the polls," Ald. Rayner concluded. "Political unity and the resulting power can be the quickest way to end the war and, as Negroes are beginning to realize, the only immediate, practical means by which black communities can solve their problems."

Sister Clara Muhammad Lauds New York University of Islam Educational Plan

NEW YORK — Quality of education at the New York University of Islam was hailed as among the "finest" in the nation by Sister Clara Muhammad, wife of the Honorable Elijah Muhammad, during a visit to the exclusive 300-pupil educational institution in Brooklyn.

SISTER CLARA later told an audience of students and teachers that the New York Mosque's plan for starting a child's formal education at the age of two was "probably the only one of its kind for black children in America."

She said the children's alert attitude and their respectful manner would prove "inspirational" to any

Iraq, USSR Warn West

Baghdad, Iraq (AAPS) — Iraq and the Soviet Union have called on "all agents of imperialism to stop interfering with newly-independent states . . . in efforts to make them satellites of the West . . ." The call was contained in a joint communique issued simultaneously in Baghdad and Moscow at the conclusion of Iraqi Foreign Minister's recent visit.

black parent who was frustrated by the low standard of education in slum neighborhoods.

She viewed the pupils' early development as a sound basis upon which to build high school and college education. She added that the school's plan proved that black children have a vast capacity to learn when a genuine interest is given their well-being by parent and teacher alike.

THE STUDENT body celebrated Sister Clara's visit

with a presentation of roses. She thanked them stating the students' love toward instructors and the Messenger showed the "dynamic effect of truth when it is incorporated into the teaching of young children."

In her visit to the school, Mrs. Muhammad was escorted on a tour of the facilities by Sister Joyce 2X who is principal at the educational center and who developed the program for teaching children first grade lessons at the age of two.

A BOUQUET OF ROSES is presented Sister Clara Muhammad, wife of the Honorable Elijah Muhammad, by the grateful students of the New York University of Islam in appreciation for the inspiration she and the Messenger had given them. Guiding the children is Sister Joyce 2X, principal.
