

To Ministers In Islam

By Anna Karriem

Glorify the name of thy Lord, the Most High! Holy Quran 87:1.

This divine command of Allah is made incumbent upon the Messenger of Allah, the Most Honorable Elijah Muhammad and we who have chosen to follow him, for it is written in the Holy Quran that "Muhammad is the Messenger of Allah, and those with him are firm of heart against the disbelievers, compassionate among themselves." 48:29. The expansion of the Holy Mosque of Islam under the divine guidance of the Honorable Elijah Muhammad, throughout the country, bear witness to the Messenger's obedience to this divine command of Almighty God Allah.

His scholarly and divine wisdom which appears weekly in **Muhammad Speaks** newspaper, the thriving business of the Nation, its productive farms in the North and South, and the great Universities of Islam wherein the instruction is carefully centered around the Supreme Wisdom of Almighty God Allah as taught by our Beloved Leader and Teacher, further attest to his endeavor to glorify the name of his Lord. He glorifies the Holy Name of Allah by the unprecedented

work that he does in our midst today. The very countenance of the righteous Muslim Man and Woman here in America bears witness to the Glory of Allah and His Divine Power to transform a mentally dead Black Nation into a Nation of righteousness- clothed in the Wisdom of Allah and guided by His Wonderful and Able servant, the Most Honorable Elijah Muhammad.

MESSENGER Muhammad has brought to us from his Lord Divine Wisdom that we as a Black and Mighty Nation here in America may never thirst again for right guidance. As it is written of the Jesus concerning those who were to bear witness to his divine works and serve as ministers to a people overcome by wickedness: "But rise, and stand upon thy feet; for I have appeared unto thee for this purpose, to make thee a minister and a witness both of these things which thou hast seen, and of those things in which I will appear unto thee; To open their eyes, and to turn them from darkness to light,

and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me." Acts 26: 16 & 18.

The Ministers of Islam who are being guided by Messenger Muhammad and by virtue of their high and distinguished positions as teachers of the Supreme Wisdom of Allah as taught to them by Messenger Muhammad have chosen to uphold, defend, and deliver the Truth to the mentally dead so-called American Negro. You are the **WITNESS BEARERS** to the Divine and great work that the Messenger of Allah (God) is doing in America as you teach the people who have yet to hear this great revelation.

When you, as Ministers in Islam, bear witness to the Messenger in the Mosque before your respective congregations and go among the Original people to sell the Nation's great journal of Truth, **Muhammad Speaks**, to those who were not in attendance at the Mosque, would it not be in keeping with Allah's command to Glorify His Holy Name and bear witness to the teachings of His Greatest Apostle by writing of the manner in which the Truth was received by your unregistered Muslim Brothers and Sisters, the question asked

of you as the spiritual head of the Mosque, the Blessings that are being enjoyed by you as the Minister, by the Believers, and by the Brothers and Sisters who accepts Islam and believes as you believe?

There are no scriptures that place a restriction on the Ministers of Islam in disseminating the Truth from Allah and His Messenger. Yet, there are no accounts of the progress of the many Holy Mosques of Islam written of in our Newspaper, **Muhammad Speaks**, by any Ministers of Islam under the Leadership of the Honorable Elijah Muhammad. The Messenger teaches that the Ministers of Islam or disciples of the Messenger must seek, with the help of Allah (God), every means and avenue which will lead to the glorification of the Name of Allah and bear witness to the presence of His Greatest Apostle. Thus, when the Black MAN LEARNS OF Allah and His Messenger, his improved physical and mental condition will help you to bear witness to the great Wisdom

that the Messenger has given to you.

Messenger Muhammad's Wisdom and his work in our midst glorifies the Name of Almighty God Allah and he is causing His Holy Name to resound all over America and the World in praise and reverence. My Beloved Brother Ministers surely you will agree that Allah has Blessed the Black Man and Woman in America with the Greatest Leader and Teacher the world has ever known. He is lifting us out of the dust of this wicked civilization here in America and he has become the **LIGHT OF OUR SALVATION**. Tell the world that you too bear witness that we as a people have been Divinely Blessed.

The devil (white man) names institutions after hypocrites and enemies of the Truth (Islam). Yet, you do not defend the Messenger and expose the deceit that the devil uses to make our uninformed Black Brother and Sister idolize these devil-made leaders, dead and alive. The great work that the Messenger is doing and the spiritual resurrection that the Wisdom he has made known is causing in your respective Mosque are not reported by you in our newspaper, **Muhammad Speaks**, weekly. If you would do this, you would be bearing

witness before the world that Allah (God) is Blessing the Beloved Black Man and Woman here in America to be delivered from their Six Thousand (6,000) year old enemy and are enjoying peace and progress in the midst of their enemies (the white man).

You are Ministering to a people deprived of Self Knowledge and the necessities of life. **BEAR WITNESS** that the medication (Islam) given to you by the Messenger is the Divine Remedy to the dispicable conditions that afflict the Beloved Black Man and Woman of America. Glorify your Lord and Praise His Holy Name for sending to us His Most Precious and Beloved Messenger, **The Most Honorable Elijah Muhammad**. As it is written: "Praise ye the Lord. Praise ye the name of the Lord; Praise him, O ye servants of the Lord. Ye that stand in the house of the Lord, in the courts of the house of our God." Ps. 125:1-2. May Allah grant you success my Beloved Brothers as you labor in the Holy Name of Allah.
